Longwood Cottage is the last house on the opposite bank of the river which was built in the former village workhouse and the last of the cottages which were built in the 18th century. It is now a private residence and is situated on the bank of the river. The house was built in 1780 and is a fine example of 18th century architecture. It is situated on the bank of the river and is a fine example of 18th century architecture. It is situated on the bank of the river and is a fine example of 18th century architecture.
