

# VILLAGE CALENDAR COMPETITION

Set out below are the competition rules for photographs submitted for the 2018 Nayland with Wissington calendar. Photographs taken in recent years and reflecting any of the 12 months of the year may be placed in the Community Times box in the Post Office. Spare application forms will be available in the box or on [www.naylandcommunitycouncil.org.uk](http://www.naylandcommunitycouncil.org.uk) on the Calendar page.

We welcome photographs taken in recent years which represent our beautiful parish and our thriving community; these may include scenic views, architectural and natural features, street scenes and any seasonal or unusual aspects of the parish. Community events and society activities would also be appreciated. The images should be recognisable as being in Nayland or Wissington.

It is necessary to remember that photographs of children must have parental knowledge and consent and whilst it is fine to photograph people participating in a public event, any bystanders must be agreeable to publication.

Sponsorship is being sought from local businesses but is open to individuals. Anyone interested should contact Lorraine on 262807.

The Community Council look forward to your participation in the presentation of our 'Village' calendar. There is no age limit and we would love to have more entries from young people, the aim is to make it an enjoyable community project.

Every year the cowslips near the Bear Street junction which were planted in the 1970s herald the start of Spring. This open space next to the river was created when the bypass was built in 1960 after many years of campaigning by the village. A few years ago it was named Caley Green in memory of a 17th century philanthropist who owned part of the land. In his will he bequeathed the income from this to provide bread for the poor of Nayland.

The old photograph shows Nags Corner before the bypass which relieved the village streets of traffic travelling between Colchester and Sudbury. This part of the village was transformed and one house had to be demolished to make way for the new road. The attractive local authority houses in Bear Street, designed by distinguished local architect Paul Carne, were built around the First World War period in the Arts and Crafts style. They have been modernised and improved over recent years.
