

VILLAGE CALENDAR COMPETITION

Set out below are the competition rules for photographs submitted for the 2019 Nayland with Wissington calendar. Photographs taken in recent years and reflecting any of the 12 months of the year may be placed in the Community Times box in the Post Office. Spare application forms will be available in the box or on www.naylandcommunitycouncil.org.uk on the Calendar page.

We welcome photographs taken in recent years which represent our beautiful parish and our thriving community; these may include scenic views, architectural and natural features, street scenes and any seasonal or unusual aspects of the parish. Community events, such as the Fete, Open Gardens or Nayland 10K and society activities would also be appreciated. The images should be recognisable as being in Nayland or Wissington.

It is necessary to remember that photographs of children must have parental knowledge and consent and whilst it is fine to photograph people participating in a public event, any bystanders must be agreeable to publication.

Sponsorship is being sought from local businesses but is open to individuals. Anyone interested should contact Lorraine on 262807.

The Community Council look forward to your participation in the presentation of our 'Village' calendar. There is no age limit and we would love to have more entries from young people, the aim is to make it an enjoyable community project.

NB: Photographs will be mounted by the committee and on display in the Church Hall between 1pm-4pm on Monday 7th May.

The footpath alongside the river behind the houses and cottages in Bear Street was the old towing path when the river was navigable and provides a pleasant stroll with a glimpse of gardens on the river bank. The striking red Maple tree in one of the gardens is a focal point in the autumn. On the other side of the path the edge of the Nayland Meadow is full of wild flowers in the spring and in the summer months sheep graze on the Meadow.
In days gone by, few people walked along this path and it was a wild area used only by fishermen who came from far and wide to catch the specimen fish in the river. Now fishing is for residents only but these days there are fewer fish to catch. The cottages and gardens in Bear Street, seen in the 1960s photograph, are recognisable but look quite different today. More houses have been built along this stretch of the river since then.
