NAYLAND IN BLOOM SUCCESS

Organisers of Nayland's first Anglia in Bloom entry were thrilled when the village won a silver award certificate in the event's best village category. It was also judged best new entry and received an engraved glass plate.

Joan Moore, who initiated the Nayland effort, said: "We were pleased and surprised to win silver in the best village class and delighted to be best new entrant.

"It was a bit disappointing the school didn't get a mention in the young people's category because I'm sure their contribution helped a lot towards our success. Now it's all go for next year as we can't rest on our laurels."

Parish council chairman Gerry Battye said the village's success was tremendous, particularly for all the volunteers who helped with the entry, displaying Nayland's varied achievements as part of the presentation.

He added: "Joan Moore was the driving force behind our entry and without her enthusiasm we would never have gone so far." *More on page 11*

NAYLAND FLOWER SHOW

Despite the difficult growing season Nayland Horticultural Society's annual flower show attracted its best-ever number of exhibitors, nearly half of them children, at the village hall on Saturday.

Entries totalled 386, slightly down on last year, but the quality of produce, crafts and cookery remained high.

Society secretary Joan Moore said: "Once again the judges were very impressed with the quality and number of entries considering the poor season with its wet spring and dry summer.

"It was good to have so many children taking part and we were especially pleased with their lovely posters."

Most successful exhibitor for the fourth year running was Rosie Bugg of Nayland whose skills range from vegetable-growing to cookery. She won the Creams Cup for the highest number of points in the show plus four other trophies.

Children's classes were well supported with youngsters producing colourful poster designs for next year's event, decorated hard-boiled eggs, homemade sweets and jars of wild flowers.

Exhibits made an impressive show appreciated by a stream of visitors during the afternoon. Additional displays featured Nayland's Anglia in Bloom entry and St James's Church kneeler project. *More on pages 19-21*

NAYLAND WITH WISSINGTON PARISH COUNCIL**Meeting: 9th August 2006****AFFORDABLE HOUSING SCHEME**

Mr Doug Malins, business development manager from the Flagship Housing Group, attended the meeting to discuss the Affordable Housing Scheme. Plans for the proposed four two-bedroom houses were discussed and councillors supported the proposed building materials, provision of off road parking and screen planting to the rear of the area. Some councillors had concerns over the lack of landscaping to the greensward to the front, particularly in view of the felling of a silver birch tree, and would like more to be done to soften the landscape. Mr Malin said that some landscaping would be included in the scheme. He confirmed that Flagship would be present on the consultation day the following week to answer questions from the public and that plans and comments sheets would be available. He confirmed the Parish Council would receive feedback from the consultation day.

Answering Councillor Hunt's query on funding for the scheme he said that if they are successful in obtaining the land and planning approval grants will be obtained from the Housing Corporation, probably in January.

PUBLIC FORUM

Mr Jones asked if the telephone number of the owner of livestock on the Fen could be displayed so he could be contacted in the event of livestock escaping.

VILLAGE HALL

Following discussions regarding the flooding in the village hall car park it was agreed the Management Committee should approach Anglian Water for advice about drainage.

There were further discussions on the banning of dogs from the village hall playing field. Mr Battye said as landowners the Parish Council should work with the Village Hall Management Committee on this issue. He felt it would be difficult to implement a ban but Babergh's new policy on this should be investigated.

Mr Battye reported that following a survey commissioned by Suffolk Acre on the impact of the new licensing requirements on village halls, Shaun Woodward, Licensing Minister, has announced that the provision of a named licence holder would be dropped although this would not have immediate effect.

CLERKSHIP

Mr Battye reported that there would be further advertising for the position of Parish Clerk. Interviews would take place on 3rd October with a view to the successful applicant shadowing the Clerk from 31st October.

CRIME

Crimes reported in June were a burglary in Bear Street and criminal damage in Heycroft Way.

BABERGH GRANTS

Information relating to grants available from Babergh for voluntary and community groups would be passed to the Community Council.

FOOTPATHS

There is a contract out for the removal of the ivy on the wall of the cemetery.

Mr Battye said following a complaint that the footpath alongside the cemetery was blocked the County Council had investigated and could see no evidence of any obstruction.

Suffolk Rights of Way have requested information to enable them to prioritise the management of the rights of way network. This will involve issues such as, bridging, signposting, protection of and safety. They had asked for the information by 15th September but councillors agreed to ask for an extension.

PLANNING

Reviewing recent planning applications Mr Battye said listed building consent had been refused at 46 Bear Street for the erection of a single-storey rear extension following removal of existing extension and internal alterations. Babergh's decision was based on the extension being detrimental to the character of the building by virtue of the form and general design.

Permission has been granted for the demolition of existing dwelling and garage and erection of detached two-storey dwelling with garage at 36 Stoke Road and at 14 Fen Street for replacement of four windows to the front, blocking up a door and insertion of french window to rear elevation, external siting of a boiler, and internal alterations. No objections had been made to the erection of single-storey extension to accommodate steam room at the Stoke by Nayland Golf Club.

Mr Battye reported that a listed building enforcement notice had been issued to the Anchor Inn. Seven lighting installations above ground floor level to the south-west elevation and four on the north-west elevation must be removed and the wall and decoration reinstated.

Councillors had no objections to an application for the demolition of existing single-storey extensions and erection of part two-storey, part single-storey side extension, insertion of dormer window, and erection of detached garage at Chase Cottage, Wiston, or at Creems, Bures Road for the demolition of an existing single-storey rear extension and erection of two-storey rear extension.

They had no objections to a change of use from business to residential relating to 15-17 High Street. However, they did have concerns over the loss of commercial premises in the village.

A planning application relating to the side garden of 29 Heycroft Way for the erection of two two-storey detached dwellings with detached garages had been withdrawn. Councillors agreed that issues relating to this site, including a tree preservation order and permission for a mobile home should be checked with Babergh.

SUFFOLK MINERALS CORE STRATEGY REPORT

Comments from the Parish Council are required on the minerals core strategy and options report.

RECREATION GROUND

Councillors discussed possible solutions to the problem of footballs from the playing field going over the back wall of 77 Bear Street including planting a row of vegetation. A letter received from the owners said this has been happening since removal of the Scout Hut and Ray Spencer agreed to visit and report back.

Councillor Hunt said there were no rules or regulations in connection with fencing the playing field. Mr Battye pointed out the council had not budgeted for this but it was agreed to get quotes for extending the fencing a few metres along the driveway and for bridging the gap by the wall.

HIGHWAYS

Mrs Sparrow reported that quotes obtained for a replacement notice board on the Harpers Estate bus shelter were very expensive. Councillor Hunt agreed to pursue a less expensive option.

After some discussion regarding the litter bin and road sign by the war memorial, which Councillor Hunt felt were situated inappropriately, it was agreed to remove the bin for a trial period. It was agreed the sign should remain. Councillor Hunt was asked to pursue provision of a direction sign for the village hall.

Rosemary Knox reported a complaint about the weeds on the central reservation of the A134. It was agreed to contact Highways on this item.

ALLOTMENTS

It was agreed not to increase the rent of allotments for the coming year. A quote of £164 for repairs to the tap was accepted. Following the presentation of the best kept allotment trophy at the annual flower show it was agreed repeat this next year. The Horticultural Society had offered to provide certificates.

NAYLAND WITH WISSINGTON PARISH COUNCIL

Annual Meeting: 13th September 2006

AFFORDABLE HOUSING

Plans for four two-bedroomed affordable homes on Harpers Estate have been well received, Nayland councillors heard at their September meeting.

A letter from Babergh's housing enabling officer Helen Shackleton said villagers attending a recent consultation session had made mostly positive comments. The Flagship Housing Group was considering incorporating some of the greensward into the front gardens, making them larger. A planning application will be submitted soon and other sites are being investigated.

VILLAGE HALL

The council agreed it was keen to solve the flooding problem in front of the village hall during heavy rain and will ask the management committee for a detailed specification of what needs to be done, so both organisations can consider the issue together. Running a drain from the soakaway round the playing field to the ditch adjoining Candy Lane has been suggested as a solution.

PARISH CLERK

Chairman Gerry Battye said the post of clerk had been widely advertised and 20 application forms sent out. A short list will be made and two evenings have been set aside for interviews.

CRIME

Crimes reported during July were one offence of causing harassment in Wiston Road and two of criminal damage in Wiston Road and Bear Street. The council is to write to acting inspector Paul Crick expressing its disappointment that no officer has attended a meeting for some time.

PLANNING

Reviewing recent planning applications, Mr Battye said the council did not object in principle to a plan to build two semi-detached houses in the side garden of 8/9 Wiston Road but was concerned there was no footway. Previously the council had said it was against further development on that side of the bypass.

The council accepted a plan to build a link extension at Stourfields, Stoke Road, between the property and garage which houses an indoor swimming pool.

Members had no objection to a plan for a stable building and barn at Longwood House, Stoke Road, provided there was no residential use. Suffolk Preservation Society felt the proposal looked like a new house and was unnecessarily large.

A letter from Babergh's planning department asked for comments on an application for a certificate of lawfulness for an existing use at 13 Court Street. The application referred to a former cart lodge behind the main house being used as a sepa-

rate residence and the owner had to prove he had been living in the lodge for more than four years to make continuing use lawful with no need for planning permission. Councillors agreed all the evidence on the site known to the council over the past nine years had already been submitted.

Following the withdrawal of a planning application to build two houses in the side garden of 29 Heycroft Way, a letter was received from the applicants saying they had outline planning permission, were legally entitled to live on the site in a mobile home and were paying rates.

An oak tree was not topped to make way for the mobile home. It had been topped for many years in the past because the base and branches were rotten.

FOOTPATHS

Members heard footpath warden Chris Day was moving to Assington and agreed to list ideas for a job specification to discuss next month.

Abbi Knight reported the bottom step on the Essex side of the river bridge at Horkesley Lock was broken and the rights of way officer will be informed.

MINERALS CORE STRATEGY

District councillor Chris Hunt said he had attended a meeting at Leavenheath as part of the minerals core strategy to discuss a plan for a small site off Plough Lane being used for the extraction of sand and gravel. The council decided unanimously to object.

NAYLAND FIRE STATION

Mr Battye said one possible site for a new Nayland fire station was on land next to Woodstock Farm off the A134. Fire officers had attended a meeting at the station to introduce proposals but, he said, few notices were sent out beforehand. Members were pleased Nayland's station was integral to the future of the county's fire service but agreed they wanted to see what was planned. Mr Hunt said if the fire service wished to sell its ideas its first presentation had been "absolutely appalling."

BURIAL GROUND

Clerk Wendy Sparrow said an elderly man had asked her if he could tidy up an unsightly family grave. Members felt it was not a suitable task for one person and decided to contact Babergh for help.

RECREATION GROUND

It was agreed Ray Spencer should suggest and cost a planting scheme for a house backing onto the recreation ground. The rear boundary wall was being used by young footballers and balls were going into the garden.

Community Council **COMMUNITY COUNCIL REPORT**
Chairman: Alan Hodges 263982

Since our last publication, the Street Fayre has taken place and that really was a superb event, organised and supported by the Village. A tremendous amount of Societies and volunteers took part and it really was community village life at its very best. It appears the Community Council raised over £2,000 and individual Societies will have raised also funds for their own use. The weather was extremely kind to us and the spirit of cooperation and enjoyment felt by all bodes well for the future.

Another first for Nayland was achieved just recently with a Silver Award and Best Newcomer Award in the Anglia in Bloom competition, again superbly marshalled and organised by Joan Moore. It also involved volunteers from all Societies of the Village who saw this as again a

way of putting on a show and recognising the talent and pride that we have in the Village. I am sure Joan will want to go for Gold standard next year, but, as a newcomer to the competition, this is a significant achievement and the Village can feel very proud.

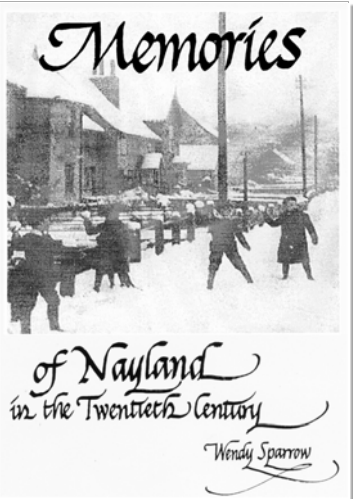

There are many other activities going on as we speak and these will be reflected in the Minutes of September's Community Council, but unfortunately too late to go to press. The Village Players received several nominations as you will read later in the issue at the North East Essex Theatre Guild Awards. The Flower Show was a tremendous success again this year and the Harvest Supper will take place once more.

Once again, a very good Summer for the village and for all of its Societies.

VILLAGE HALL FLOOD

Members of the Village Players launched an emergency rescue bid to save costumes and scenery when Nayland village hall basement flooded recently.

The cause of the flood was a faulty lavatory stopcock which started leaking and resulted in water reaching 18 inches in places.

Players' chairman Deborah Hodges said the damage made a depressing sight. "It was clear a lot of our set building equipment, costumes and props were affected."

Hall chairman Iain Wright installed a pump to get rid of as much water as possible and a joint working party of management committee members and Players carried out a clean-up operation.

Experts Eva Rolfe and Bea Sewell led the costume salvage and members took home piles of soggy clothes to be dried out. Other volunteers tackled the dirty jobs, getting rid of vast quantities of water and humping heavy furniture.

Thanking everyone who took part in the clean-up Mrs Hodges added: "It was a perfect example of teamwork. Everybody responded heroically to my call for help. They divided into various skills and the operation moved along very smoothly with smiles all round."

NEW FIRE STATION

A field at Woodstock Farm off Harpers Hill is one of six possible locations being considered to rebuild Nayland fire station.

Nayland's is one of seven Suffolk stations due to be replaced through a private finance initiative which enables the local authority to obtain funding from businesses.

A county council spokeswoman said proposals were at an early stage.

"At the moment we are still in the consultation period and nothing has been decided," she said.

"Once the Nayland site has been chosen it is hoped to submit a planning application sometime before Christmas then further consultation will follow. The Harpers Hill plan would involve installing traffic calming measures on the A134."

Divisional officers Eddie Meelan and Paul Collins attended a recent drop-in session at the fire station to explain proposals.

EMERGENCY FIRST RESPONSE

Twenty people attended our inaugural meeting on 22nd September in the Village Hall to hear Jonathan Needle from Eastern Ambulance Trust, supported by Vic Rice who set up the Boxted First Response Team and Ray Cook who is setting up a Sudbury Team. Notes from the meeting are published on our Village website (www.naylandandwiston.net).

It was an inspiring start and hopefully we shall be able to set up our own First Response Team covering Nayland, Wiston and possibly Leavenheath. But we still have some way to go. There is a certain amount of paperwork to go through; a course has been arranged for two days over the weekend of 10th and 11th February 2007 with an assessment on the 17th and we

must raise something like £2000 for equipment. The aim is to get it started by April.

But the most important issue is finding sufficient volunteers who are prepared to join the First Response roster. So we need more volunteers who should contact **Andrew Gowen on 01206 262534** or E mail him at **parkersag@yahoo.co.uk**. Another meeting will be arranged to sort out training, method of working and other responsibilities. Look at the village web site for details of the scheme and to see how it might work.

Those people who attended the meeting and took away application forms; it is important to contact the Criminal Records Office as soon as possible to get the forms for completion. Once completed they should be forwarded, with the application form and the health declaration, to **Jonathan Needle at Felixstowe Ambulance Station, Levinton Road, Felixstowe, IP11 2 EX.**

MYSTERIOUS GOINGS ON IN THE SCOUT HUT

Towards the end of the school summer holidays a window of the scout hut was broken and the hut was entered. No other damage was done, but rather curiously several items had been left behind in the hut. These included, two skateboards, one child's scooter, a walking stick ? and a mini electric organ (a Duette Emeree Audion) plus a music book for said instrument. Christmas type decorations were also left up in the hut.

If any one would like to claim any of the above items then they should contact Malcolm Macbeth on 01473-827239.

We are looking for a infirm but highly mobile musical burglar who likes Christmas ?

On a different issue we are also looking for more cubs to come and join our Thursday evening meeting.

If interested please contact Malcolm on the above number for details.

NAYLAND IN BLOOM

We did it! Our first entry into Anglia in Bloom gained us two prizes: The Special Award for the Best New Entrant, and a silver award in the category for villages. These are an engraved glass plate and a certificate. Both will be displayed in the village hall.

The judges commented that despite making a commitment to enter only three months before judging took place, Nayland had worked hard and demonstrated a clean, tidy and attractive village, with potential for future improvement.

We were disappointed that the primary school's projects were not nominated for the special award for young people under 12 years, but their entry obviously contributed greatly to our success. We hope that the pupils and teachers will not be deterred from entering in future years to show their care for the environment and involvement in community effort.

The awards were presented in the Civic Hall, Thurrock, by Sue Hacon Chair of Anglia in Bloom, George Dawson, Chair of Judges, representatives of the various sponsors, and David Hamilton, a pioneer of Radio London which used to broadcast off the Essex coast, before an audience of almost 400 representatives of the 58 entrants from the six counties in the East Anglia region.

Anglia in Bloom will be holding a seminar at Bury St. Edmunds in early November, when judges will discuss the entries for 2006, giving feedback on what could be improved and where points were lost. Nayland must not bask in the glory of this year's achievement, but must take heed of the advice given, and work together as a community to aim for even higher awards.

KNEELER PROJECT

Twenty one Kneelers out of 200 have now been completed, more are in the pipeline !!!!

The Rev Kit Gray, dedicated the Kneelers at Matins on the 1st of October 2006. It is well worth a visit to the Church to see them.

Thank you to every body for all your needlework skills, they look lovely, also to the designers, and Emma who prints the designs on the canvas for us.

The Winter nights are drawing in, and if anybody would like to come and join us, we would be delighted. It is a good project to do by the fire, and there is plenty of help for beginners.

Nayland with Wissington Society News

ROYAL BRITISH LEGION

Secretary: Andrew Gowen 262534

Concern was expressed at the condition of the Trafalgar Oak Tree as rabbits have stripped it of its bark. Members were asked to keep an eye on it and water it as necessary. A plastic guard has now been erected to protect it from rabbits.

Jim Turner will be parading our Standard at the Service of Remembrance at the Albert Hall on 11th November so we must all keep an eye open for him. Bill Martin will also be attending and they will both attend the service at the Cenotaph on the Sunday. So we shall be parading without our standard at our own Remembrance Day on the 12 November.

The branch is keen to introduce topics at future meetings and we would welcome ideas for possible speakers.

Our **AGM will be at 8pm on Monday 30th October** and we hope all our members will attend. It will be an opportunity to pay our subs that have remained at £10.50 for this year.

Please note that the **Poppy Appeal Coffee Morning** will take place at the Church hall on **Saturday 28th October from 10am**. We would welcome contributions of cakes and produce for our stall and prizes for the raffle. Please drop them off at Parkers before the day.

On **11th December** we have our **Christmas Party** with the Women's section where we shall again be entertained by Elaine Barker and will also be doing a lot of singing ourselves. So members should note it in their diaries.

NAYLAND WITH WISSINGTON WOMENS INSTITUTE

Secretary: Pauline Dossor 262261

Our August meeting was held in the beautiful garden of Mary Hussey. Our president Shirley Scarlett welcomed guests and members alike. Olive and Ken Willingale had been presented with a bottle of wine and a bouquet of flowers to thank them for the use of their kitchen during the Street Fayre. Mrs Hussey accepted a bouquet on behalf of us all for allowing us to hold our meeting in the tranquil surroundings of her garden. After a brief synopsis of WI news, battle commenced in the kitchen where a superb array of food provided by members had been laid out. Much laughter and chatting ensued resulting in a pleasant evening for us all. **Helen Doddrell**

Our monthly meeting scheduled 16th October has been cancelled as Nayland W.I. are now hosting a group meeting on 17th October at 7.30 in the Village Hall. Members from the Polstead, Bures, Leavenheath and Boxford groups will be joining us and W.I. Advisor, Sue Beven will be our guest. Nayland Choir will be coming along to entertain us and refreshments will be available.

Our shopping trip to **Blewater** will be held on **31st October**. On **20th November** we are holding our **AGM** and this will be followed by a quiz evening and our **Christmas Party** will be held on **18th December** when Joy Jones will be demonstrating Christmas flower arrangements. **Shirley Scarlett**

Please ring Lorna Rumsey for information on our coach trips on 01787 211975.

HORTICULTURAL SOCIETY

Mrs Joan Moore 262721

We're delighted that our old friend Karen Kenny will be giving one of her informative and highly entertaining talks. All are welcome, so we are hoping for a good attendance at the Church Hall, Bear Street on the 9th October at 8pm when Karen Kenny's subject will be *Container Planting*.

HARPERS HILL COUNTY WILDLIFE SITE

Mrs Joan Moore 262721

The Anglia in Bloom judges felt the site was well managed to maintain its wildlife interest and to provide access for local residents, and earned points towards the total for Nayland as a whole.

At a meeting held on 11th September with Richard Parmee, Landscape and Biodiversity Officer of the Dedham Vale and Stour Valley Project, and Matt Waller, British Trust for Conservation Volunteers, future maintenance of the site was discussed. The central grassland area needs mowing to restore the original rabbit-grazed sward and to encourage the growth of birds'foot trefoil, foodplant of the common blue butterfly. The existing paths should be widened slightly to reduce encroaching scrub and grasses, and invasive blackthorn, dog rose, bramble and sycamore should be removed, but a fringe should be left between the bordering trees and the ditches which had been dug to prevent access by travellers. A cut in autumn and again in spring, before the flowering and nesting season, has been suggested.

A working party has been arranged for Thursday 12th October, starting at 10.00 a.m., when Matt will bring a party of volunteers from BTCV. Help from local residents with raking and removing cut grass will be very welcome. Tools, tea and biscuits will be provided, so all we need is you, wearing suitable working clothing and stout shoes. Even if you can only spare half-an-hour, your presence will be appreciated. Think of next year's Anglia in Bloom!

NAYLAND WITH WISSINGTON CONSERVATION SOCIETY

Hon. Secretary: Andora Carver 262970 Chairman: Mr J Alexander 262676

Our **open meeting on 10th October** sees the launch of "Memories of Nayland in the Twentieth Century" a history of village families written by Wendy Sparrow.

This has been a very long term project of Wendy's and we are delighted to be able to add this work to the Society's library of publications. (*Further details on page six of the Community Times*)

Suffolk Curiosities is the subject chosen by our speaker, Peter Driver, on October 10th (7.40pm for 8pm.) in the Village Hall. His talk will start at about 8.30pm.

The **Joint Meeting with the Hortsoc and Suffolk Wildlife Trust is on 14th November** when Jules Pretty's talk is entitled "Only the World Endures".

The Suffolk Wildlife Trust are carrying out a water vole and mink survey along the River Stour and their findings on the Nayland Meadow section concluded that there are otters and mink, but sadly no water voles.

The wildflower belt has been cut and cleared for the winter and the weeds have been cleared around the newly planted trees near the A134.

NAYLAND CHOIR

Secretary: Peter Roberts Tel: 323586

NAYLAND CHOIR will sing HANDEL'S MESSIAH at ST JAMES CHURCH NAYLAND on Dec 3rd 2006. There will be no charge for entry but a retiring collection will be taken. The choir welcomes its new members but still need MORE TENORS. We had an enjoyable time at the Street Fayre where we performed excerpts from Les Miserables. Thanks to those of you who stayed to support. We look forward to singing for Nayland House and the W.I. in the near future.

Once again, the annual flower show on 5th August proved a great success. Although the number of entries was down, due to a wet spring followed by drought conditions, the number of entrants was the highest ever. The judges were agreeably surprised at the overall quality of exhibits. The children, as usual, provided very colourful displays. Their posters and decorated eggs, in particular, were very imaginative and the judge had a very difficult time deciding on winners.

Two additional displays which attracted admiring comment were the handstitched kneelers forming part of the St. James' Church Project, and the boards prepared by some village organisations for the Anglia in Bloom presentation.

Family rivalry was evident again, although there is no evidence of bloodshed! Ivan Kerridge pipped sister Rosie Bugg by two points to win the Bert Halls Memorial Cup, and Elizabeth Wakefield had a one-point lead over husband Barry for the Williams & Griffin Rosebowl.

Rosie Bugg was overall winner for the fourth year running, gaining the Creems Cup for the highest number of points in the show, and four other trophies, amply demonstrating her range of skills from vegetable-growing and flower arranging to cookery.

Mick Bond made a welcome return this year, and was rewarded by winning the Kent Blaxill Cup.

For the first time, winners of the best-kept allotment competition were given their awards at the show. Ken Norman took first prize, followed by Hazel Gardiner, second, and Stephen Osborne, third.

Karen Kenny, local writer and broadcaster presented all the trophies. She said the show was a fine example of Nayland's community spirit, and that she was particularly impressed that the allotmenting tradition was so well maintained.

THE FRIENDS OF ST. MARY'S CHURCH

Secretary: Carol Wright 01206 263657 e-mail: Lcarolawright@hotmail.co.uk
 Chairman: Bill Starling 01206 262397 e-mail: billstarling@hotmail.com

Thank you for all your support throughout the year. To keep you up to date, the **Quiz & Supper** on 28th April made £2600 and the **Produce Stall at Nayland Church Fete** on 29th May made £455. Our **Ninth Wiston "Wimbledon"** on 15th July made a very healthy £3370. The **Stall at Nayland Street Fayre** on 16th July made £70.

We would like to express our thanks to everyone involved with the organisation of all these for their hard work.

The Village Hall was full to capacity on 6th June for the benefit concert, ahead of their world tour, by the virtuoso guitarists, John Williams & John Etheridge. We apologise to anyone who was unable to secure tickets for this truly memorable event which made an amazing £5,200 (keep an eye on our future programme!). We are very grateful to our star musicians for agreeing to perform and to Bill & Eila Starling for organising the event. Many thanks also to Iain Wright & his team for outstanding support on the night!

Our next event is the **AGM & Concert on Friday, 6th October 2006** 7.30 for 8pm. Refreshments will be served at 7.30pm. Nayland's own Emma Bishton has kindly agreed to bring the **Marenzio Singers**: a vocal quintet comprising Emma Bishton, Lesley Orrock, Janet Bullard, Andrew Spencer & Paul Torrington with Alan Bullard on keyboard to perform for us. Their aim is to explore the sacred and secular vocal chamber music of the renaissance and baroque. The ensemble is named after the influential Italian madrigal composer, Luca Marenzio (1553/4 - 1599). Marenzio was a major figure in the development of secular Italian vocal music and his influence can be seen in later composers such as Monteverdi and the English madrigalists.

The programme will mainly consist of sacred and secular pieces from the 17th century, including Italian madrigals by Marenzio, three Church anthems by Purcell and English Elizabethan madrigals - including 'Sweet Suffolk Owl'. The Marenzios will also perform two madrigals by the composer (and keyboardist for the concert) Alan Bullard. The performance is free with a retiring collection.

If you would like to know more about the Friends, please pick up a leaflet in St. James'.

VILLAGE PLAYERS

Chair: Deborah Hodges 263982 Sec: Tamsin Burnett-Hall 542457

Congratulations to Nick Moriarty for winning the prize for Best Set Design and Construction, for Mary Moriarty's production of An Inspector Calls, at the North East Essex Theatre Guild's awards evening on September 8th! We were a little disappointed not to walk away with a hatful of trophies, having been up for eight awards in total. However, maybe we should follow Roísín Leahy's example (she and Charis Boon were both in the Best Young Actress category for their performances in Jane Eyre), who said she was very happy to be nominated! Well done to all the nominees, and thanks to the group of supporters including Charis and Roísín's families who came to cheer us on.

Two other pieces of news to report: one good, one bad! We enjoyed a splendid barbecue at Wiston Barn on Sunday 27th August, kindly hosted by Iris and Leigh Sebba. We survived a spectacular downpour just as the food was being served, but that soon passed and we were then able to settle down in an idyllic setting, and enjoy the rest of the afternoon in lovely sunshine. Then, two weeks ago we discovered that the Village Hall basement had been flooded. Thanks to a fantastic team effort between the Village Hall Management Committee and ourselves, a very effective salvage operation was mounted on Saturday 9th September, and hopefully the lasting damage will not be too bad. On behalf of the Village Players, I would like to thank Iain Wright and his team for their help.

Our sights are now firmly set on our panto, Aladdin, directed by Jim Bond. The rehearsals are going very well, so please remember to put the dates in your diary: 22, 23, 24 & 25 November. Look out for posters nearer the performance dates for details of how to get tickets.

1st NAYLAND CUBS AND SCOUTS

Secretary: Claire Prescott 263344

The Nayland Scouts Derbyshire Trip

On the 1st-September Malcolm and two scouts traveled to the peak district for their annual camp. Walking four and a half miles on Hathersage Moor before continuing the journey to Edale. On reaching Edale they set up camp. Saturday started with a bright dawn but the hills were quickly shrouded in mist and this soon brought with it the rain. With waterproofs on they set off along the Pennine way for a short distance before climbing onto Kinder. Following compass bearings due to the mist they navigated their way to a summit cairn. As the weather had not improved, a lowland path was selected. Following a mountain stream using a well worn path. Where the path crossed the stream, (usually needing only a couple of steps to cross) it was swollen and not safe for the scouts to cross, so an alternative route had to be found. Following a safe route back up onto Kinder using a dry stone wall as a guide. We regained a path and followed it down to Upperbooth. From here roads and a bridleway led us onto the ridge between Edale and Castleton and a fine view despite the wet conditions.

Then down the hill and back to the campsite. We should have cooked our own meal but instead we drove to Buxton for a meal (Fish & Chips). Sunday morning was dry and sunny and we climbed directly up the stream from the campsite to the triangulation point. A few more compass bearings and we arrived at the Northern Escarpment. Following the edge of the Kinder Plateau back to our route up. We then took an easier descent down to our campsite.

Garden Notes

by *The Old Muckspreader*

Looking back over previous issues, as is his wont, the OM/S was complaining two years ago that it was the worst year hitherto for Ground Elder. No longer; this year has been even worse. However it is worthwhile digging the worst of it out before it disappears for the winter.

On the plus side a Peregrine peach, planted about 20 years ago, has had its best year ever, with a fine crop of delicious large fruit. This is partly due to the [temporary?] absence of its chief predator, the grey squirrel. This evil beast, which has nothing to commend it except a high degree of low cunning, had been the object of a successful extermination campaign, by shooting - we don't approve of poisoning, even squirrels. In case anyone is under a misapprehension it is not a true native species, having been introduced at the end of the 19th Century, and as well as causing the disappearance of our native reds it's a ruthless destroyer of birds' eggs and young, as well a fruit and young trees.

To return to flora, which is our business, the August rain, though bad news to holidaymakers, came just in time to save gardens from disaster. The soil is now moist enough to enable us to plant for next year, and give the subjects an opportunity to make some root growth, and become established before cold weather sets in.

This month's family is the Colchicums, or Meadow Saffron, often wrongly called Autumn Crocus, which is a totally different plant, though they both flower now. Colchicums are members of the Lily family, and like so many good bulbous plants hail from Turkey and Western Europe. *C. Autumnale* is a rare British native, but abundant in the lower Alpine meadows of Switzerland where they are a magnificent sight; at least they were 50 years ago when the OM/S visited those parts, and he hopes they still flourish, and haven't fallen foul of modern agricultural practice.

They flower at this time of year, when they appear without their leaves, leading to their nickname of Naked Ladies. The blooms die down soon, and the large strap-like leaves do not appear until the following Spring, thereby being rather a problem if grown in grass which cannot then be mown.

There are numerous species, but those usually available are *C. Agrippinum*, *C. Autumnale*, and *C. Speciosum*, the biggest; the latter produces a white variety, less robust and therefore more expensive, but most are in various shades of pink and mauve. Cultivars include *The Giant* (which it is), and *Waterlily*, a double variety which always attracts attention. Given a good open situation, and a fairly moist but not too heavy soil, they will soon increase to form clumps, and provide splashes of colour in gardens which are usually by now past their best.

POP'S PIECE AND CALEY GREEN

At last, we don't have to talk any anymore about "the amenity site near the Anchor where the seats are ..." or, "the open space next to the river at the top of Bear Street ..." or whatever you have chosen to call these two areas up until now. After debating a fairly long list of names suggested by residents the Parish Council recently decreed that the two areas should henceforth be known as (i) Pop's Piece and (ii) Caley Green. For people who don't know the reasons for these names the following may be enlightening.

Pop's Piece is an area of "amenity land" which was created by the Dedham Vale & Stour Valley Countryside project in the 1980s and is maintained by the Parish Council. It takes its new name from the old humpbacked bridge called Pop's Bridge which was on the old road leading into the village before the bypass was built in the late 1960s. It was near the existing Anglian Water Pumping Station but was very sadly washed away in the floods in 1969.

Quite often the name of the bridge is spelt Popp's but I believe it should only have one 'p' as it is shown thus on very old maps, e.g. on the 1805 Ordnance Survey map and on later versions. Perhaps the confusion has arisen because of the old Nayland family called Popp, but I am sure we would all really like to know how the bridge got its name.

Caley Green has been named after a seventeenth century philanthropic draper in Nayland called Abraham Caley. In his will in 1704 Abraham Caley left money for the poor of the parish. Part of this was the rents and profits from an acre of meadow, "more or less", which were to be used for the "buying of bread to be given or distributed unto and amongst the most poor of Nayland upon the 5th November or the next day so long as the world shall endure".

This land was ultimately sold in 1970 for £95 and the money invested in the Charities Official Investment Fund. Every year the income from this is still distributed to the elderly of the parish and these days is combined with the

Walsh Trust, another Nayland charity.

The exact position of the piece of land in question is not known but on the Nayland Tithe Map of 1838 it is shown as part of Lewis' Meadow (sometimes called Lowes' Meadow) through which the Nayland bypass was constructed. Therefore, it was originally a part of the "open space" adjacent to the river, as we know it now, and it is perhaps appropriate that the Caley name is perpetuated in this way.

Operation Christmas Child – The Shoebox Appeal

Some of you with a good memory, which certainly counts me out, may remember this campaign from last year. Once again this year, the campaign is being organised through our school and our village Churches but is open to everyone in our villages. This is an opportunity for you to put together a gift-filled shoebox which will be sent to a special child in the world, who otherwise will receive no gift this Christmas. In fact, many of the children have never received a gift in their life. Just take a moment to think about that.

I realise that this campaign is run in several local organisations and lots of you have been filling shoeboxes for years but for those who have not I will furnish you with a little information.

Putting together a shoebox is easy. Find a shoebox that's in good condition and cover it with Christmas paper, then fill it up with lots of goodies, small toys, some pens, pencils, crayons and some paper, sweets, toiletries such as soap and toothpaste. You can choose whether to put together a shoebox for a girl or boy and there are 3 age categories, but try to make sure that the items you choose are suitable for the age group selected. When you have finished put the lid on, stick a label on it (attached to leaflets) and put an elastic band around it.

Do not seal it as it has to be checked before leaving the country.

£2 is needed to cover costs of processing, transportation and distribution and please remember to Gift Aid your donation if you are a UK taxpayer.

The shoe boxes will be collected from me by Samaritans Purse, the charity which organises this campaign. After processing they are sent out, to Central and Eastern Europe and some African countries.

If you are interested in joining in this campaign or you would like more information please contact me. If you do intend to fill a shoebox you will need a leaflet. This will give you all the information you need about the items which can be included in your shoebox as well as the labels needed to stick onto your box and envelope for your £2. You can obtain a leaflet from the back of St James Church or St Marys or Nayland Primary School foyer or you can contact me and I will be pleased to deliver one. When your shoebox is ready you can drop it off at the School or contact me and I will collect it. All shoeboxes must be ready for collection by **Friday 3rd November**, at the latest.

Thank you for taking the time to read this and apologies to those of you in our community who participate elsewhere in this campaign.

Sam Torrance pulls in the crowds for the PGA Seniors Championship at the Stoke by Nayland Club

The 36 hole Stoke by Nayland Club, which is situated in beautiful Constable Country on the Suffolk/Essex border, was invited this year by the PGA to be the new host venue for its prestigious Seniors' Championship, which celebrated its 50th anniversary in August. The Club has successfully hosted the PGA Europro Tour event for the past 4 years and has won the praise from the PGA and Professionals from all over the world for the excellent quality of the courses, hotel and Spa facilities.

This £200,000 prize Seniors Championship, one of the flagship tournaments in the European Seniors Tour schedule, was the biggest ever golfing event to hit East Anglia and was held over the August Bank Holiday, attracting around 10,000 spectators over 4 days. The hour long TV programme covering the tournament at Stoke by Nayland was then televised on both Sky Sports TV and Channel 5 during September.

Ryder Cup hero and defending champion Sam Torrance once again carried the favourite's tag after a strong start to this year's European Seniors' Tour campaign which netted him two victories in the first three events in the Italian and Irish Opens. He went on to retain his title at Stoke by Nayland with an imperious six-under-par final round of 66, taking first place by 3 shots from Argentina's Luis Carbonetti, with Italy's Giuseppe Cali slipping back from the overnight lead to finish third. Other well known figures playing at Stoke were Tony Johnstone, John Bland (South Africa), Doug Johnson (USA), Jose Rivero, (Spain) and Carl Mason.

PGA Chief Executive Sandy Jones said: "The PGA is delighted to have welcomed Stoke by Nayland as the host venue for our special 50th anniversary year. This event has a wealth of tradition and the list of winners reads like a who's who of golf. Stoke by Nayland has provided an excellent challenge to the Seniors and, as for previous events here, the warm welcome, cuisine, service and facilities extended to all have been nothing other than first class".

Steve Cox, the PGA Director of Tournaments added, "I have had numerous comments from the professionals throughout the Cham-

pionship that the course at Stoke by Nayland contains some of the best golf holes they have played all season. It was however the greens that took centre stage, and many of the players stated that they were amongst the finest they have putted on this year and they would be very keen to return to this venue for future events."

Stoke by Nayland Managing Director Susanna Rendall said, "We were very honoured that the PGA chose to stage this landmark event at Stoke by Nayland Golf Club. It was very exciting to watch such world-class professionals play the course, and our members and staff alike were 100% committed to making it a great success." The Championship was played over the 7,000 yard Gainsborough Course, which has had some very challenging Tiger Tees added to it during the past 2 years.

The Stoke by Nayland Club has become a very popular venue for Golf and Spa breaks, Society and Corporate Golf Days, Weddings and Conferences. For more information about The Stoke by Nayland Hotel, Golf Club and Spa you can visit the website at www.stokebynaylandclub.co.uk

Lest we forget

This September the media has been full of reminders of ‘9.11’. We have been reminded of the numbers of dead, the still grieving relatives, the sacrifices made at the time, the continuing work of rebuilding not only buildings, but lives. People have recalled the feelings of neighbourliness and co-operation which swept the city, and wonder sometimes what has happened to all that goodwill and determination to bring good out of evil.

Any bereavement can affect us in that way. We might initially respond with remorse about opportunities wasted, unkind thoughts or harsh words spoken in the heat of the moment. We determine that life is too precious to waste it like that, that every relationship will be cherished, every moment become an opportunity for celebration.

But these sharp feelings fade. We return to ‘normal’, with all our bad habits and careless words.

That is why we have to be called to remembrance. On Nov 5th we will remember all those near and dear to us who have died. On November the 12th we will remember especially those who have given their lives in the service of their country.

We have been warned that if we will not learn the lessons of history we are destined to repeat them. This is true both nationally and personally. So it is good for us to rehearse our appreciation for the example and sacrifice of the fallen, to remember to care for the suffering, and to pledge ourselves anew to work for peace at every level of our lives.

The clarity with which we see life at times of disaster and loss cannot be sustained as it is too painful, but it can teach us what is everlastingly important.

In his life and death Jesus tried to teach us the truth, that in the end, all that is left is love, lived out in the service of others, which is the purpose of God.

Suffolk Punches working again in the Stour Valley this autumn

With autumn comes the beginning of the farming year and a new season when our Suffolk Punches will be working in the traditional way on the Anchor Inn Heritage Farm, adjoining the Anchor Inn in Nayland. Everyone is invited to come, entirely free of charge, to see the Suffolk Punches at work and to walk around the Anchor Inn Heritage Farm. The horses love an audience and visits by schools are especially welcome. Those working the heavy horses will always try to be as informative as they can and sometimes they let visitors "take the reins".

The conservation of the Suffolk horse (fondly known as the Suffolk Punch), East Anglia's only indigenous breed of heavy horse, is a crucial element of the Anchor Inn Heritage Farm. The breed is on the brink of extinction with only 370 registered pure bred Suffolks left in the world. We currently have 12 Suffolk Punches and are working hard to help prevent the breed from dying out by building up a breeding stock, promoting the horses whenever possible and providing a traditional working purpose for them.

This autumn the Suffolk Punches will be ploughing on the Anchor Inn Heritage Farm, which has been developed to restore traditional heritage farming to the local area and to supply a range of produce for the Anchor Inn restaurant. Uniquely one of our smaller Suffolk mares is being trained for the very precise work that is required to cultivate the vegetables and herbs used in the restaurant kitchen.

In addition to watching the heavy horses at work, visitors can also enjoy newly assigned circular walks around much of the 100 acre Anchor Inn Heritage Farm and see the contribution that it makes to the beautiful Stour Valley landscape. You can

walk by the river or through reinstated flood meadows to see the rare breeds of cattle and sheep now grazing in the pastures, including English Longhorn cattle, and the diversity of wildlife in the new plantations and along the banks of the Stour.

There is no charge for visiting any aspect of the Anchor Inn Heritage Farm but donations to the Suffolk Horse Society (registered charity No. 220756) will be much appreciated.

Harnessing the horses to produce food in this way provides the perfect modern day working purpose through which to make sense of the conservation effort and restore an element of heritage to the rural community.

To find out exactly when the Suffolk Punches are working, weather and ground conditions permitting, please telephone 01206 262313.

TOTAL BUTLER

Total Butler has been delivering oil safely and efficiently, warming 1,000's of homes throughout England and Wales, for nearly half a century.

As a major fuel supplier we have developed, specifically for oil buying customers, three unique packages for your convenience and peace of mind.

- **Totalheat:** simply a great, reliable, safe and prompt delivery service to your home, just contact your local depot with your order and we will do the rest.
- **Totalheat Plus:** take the worry out of your winter. Our Totalheat Plus package provides an automated top up service for your tank and also offers a payment plan so you can spread the cost throughout the year. It's like being on the mains!
- **Totalcare:** enjoy safe and trouble free heating all year round. We can provide a package of servicing and breakdown insurance giving you peace of mind if you're heating breaks down, just contact your local depot for further details.

So for a truly exceptional service
YOU KNOW WHERE TO TURN

Just call your local depot on:
