DIAMOND JUBILEE CELEBRATIONS

OCTOBER 2011

No: 133

The Community Council would like to put on an event to celebrate the Diamond Jubilee of our Majesty Queen Elizabeth.

At our Community Council Meeting held on 12th September the committee was undecided what event and venue would be suitable for this occasion, bearing in mind that we have had street parties, street fairs and festivals.

As it will be a community event the committee feel the residents of Nayland and Wissington may like to choose the type of event to have and become part of the team putting it on.

There will be a public meeting on Monday 3rd October at 8pm in the Village Hall for this purpose.

Please come along to discuss your thoughts, views and ideas with us.

We look forward to seeing you.

David George, Chairman, Community Council

VILLAGE BONFIRE

It is with regret that we must insist that no garden waste or any other material is put on the bonfire this year. There are to be NO exceptions. This is due to non combustible and potentially dangerous items being put on in previous years. We are obliged, by our Insurance Company, to take appropriate action if anyone ignores this notice. Mr Bugg has kindly offered to construct the bonfire again for us and only materials supplied by him will be used.

Chairman, Community Council

VILLAGE CALENDAR

An album containing this year's entries for the calendar competition is either circulating or will be on show at village events – or may be viewed online at www.naylandandwiston.net.

It has been remarked how truly lovely these photographs are. So now is your opportunity to go out and record something you find both beautiful and memorable for the 2013 calendar. Do it while the remnants of summer are with us and the good light and colour make for delightful images. It would be nice to have new and more entrants in the next competition. The closing date for this will be towards the end of April 2012 - more details in later issues of the CT. Entries by children are very welcome.

Hazel Gardener, Calendar Team, Community Council

NAYLAND YOUTH CLUB

Youth Club is managed by a committee of volunteers. We badly need new committee members to join us. We meet once every half term, and our next meeting and AGM will be on November 28th 7:00pm at The Anchor Inn.

If you would like to get involved, please contact Teresa on 01787 210148 or come along on November 28th. Please help if you can, without a committee there can be no Youth Club.

NAYLAND WITH WISSINGTON PARISH COUNCIL

Meeting: 10th August 2011

NEW COUNCILLORS

Three new members - Tom Gardiner, Will Hitchcock and Matthew Pescott Frost - were co-opted at the August meeting of Nayland parish council.

STREET LIGHTING

The council decided to wait for a feasibility study to be done before making a decision on changing some street lights to LED. Clerk Debbie Hattrell said the change would solve the G39 issue as half the village's 36 lights were not compliant with the regulations. The new lights were guaranteed for 25 years and although they were expensive the cost would be recouped in just over three years. The council has also been asked by Suffolk County Council if it wants to be involved in a scheme to turn street lights off between midnight and 5.30am. Members agreed they wanted to see the results of the survey before making a decision on both issues.

Mrs Hattrell is to chase up the matter of two lights in Birch Fall which have been permanently on for two months.

JUBILEE TREE REPLACEMENT

Members heard a lot of correspondence had been received over the choice of a replacement tree for the Jubilee copper beech in Bear Street. Mrs Hattrell said Babergh's arboricultural officer David Pizzey had acknowledged the council's intention to plant a hornbeam, Frans Fontaine, but objectors had said it was not the right tree for the location. It was agreed Tricia Fuller and Hector Bunting should arrange a site meeting with Mr Pizzey who has to make the final decision.

VILLAGE HALL

The council received a request for financial help towards the renovation of the village hall floor and it was agreed to contribute £1,000 from its capital investment fund. Rosemary Knox said the new hall was now ten years old and various jobs including renewing the guttering and other work needed doing.

She said the hall's treasurer Andrew Gowen was keen to install five sets of outdoor fitness equipment on the playing field and the information was circulated for councillors to consider.

HIGHWAYS

A reminder is to be sent to the highways department that mud is accumulating on both carrigeways of the A134, beside the bus shelter in Bear Street and outside 19/21 Stoke Road because drains appear to be blocked.

Mrs Knox drew attention to a deep and potentially dangerous pothole in Cawley Road, Wiston.

ALLOTMENTS

Chairman Gerry Battye said the allotment competition winners - Stephen Osborne, Trevor Smy and Hazel Gardiner - were presented with their prizes at the summer flower show.

Mrs Hattrell said she was in the process of re-allocating allotments that were being given up. Each one had to be done in sequence and she was currently awaiting a response from one plot holder.

PLANNING

Reviewing planning applications, Mr Battye said a plan for a new open-fronted barn at the The Willows, Wiston Road, and an extension of time limit to John Davis and Partners for the erection of a detached building at Nags Corner, Wiston Road, to be used as a builders' merchants with associated parking were both granted.

RECREATION GROUND

It was agreed to have two broken fence panels on the recreation ground repaired. Quotes to redecorate the play equipment will be considered next month.

HORSE-WATERING

A query was received from Emma Childs who inherited Lock Cottage and paid for the horse-watering off Bear Street to be reinstated two years ago. Mrs Hattrell confirmed the money was spent on plants at the time. Mary George said the Environment Agency had been doing some work there recently and would have to reinstate the horse-watering again.

NAYLAND HEIGHTS DRAINAGE SYSTEM

It was agreed to ask Anglian Water to clarify the principle of the proposed changes in responsibilities for drainage systems circulated recently. A Nayland Heights resident had told the council the drainage system on the estate was not adopted and asked if the changes would affect the situation there.

DISTRICT COUNCILLOR'S REPORT

In his report district councillor Richard Cave said the council would be receiving a Budget Challenge document asking for members' views. Mr Cave said he would try and obtain a simplified summary and would, if necessary, be available for a special meeting in order to respond by September 30. He added he was writing an article for the Community Times setting out the procedure for reporting litter and flytipping.

COUNTY COUNCILLOR'S REPORT

A report from county councillor James Finch said the council was aware of the impending eviction of travellers from Dale Farm near Basildon and officers had developed a contingency plan. Some travellers had moved to Great Waldingfield and Chilton. Mr Battye agreed to attend a meeting in Ipswich when the situation would be explained.

POLICE REPORT

The police report from PCSO Mandy Coleman said the only crime since the last meeting was an attempted burglary on July 15/16 at premises on Harpers Hill but no entry was gained. In view of the current disturbances in other parts of the country Suffolk police had issued a list of advice to householders and would connect with communities by keeping its website up to date.

IN BRIEF

Flagship Housing is to be asked if the hedges in front of the four new houses on Harpers Estate could be shaped and cut.

Suffolk rights of way officer Kevin Verlander will be notified about a loose plank on the top step of Horkesley Lock bridge.

It was agreed to replace three fence panels at the burial ground which are in danger of collapsing.

The council is to ask Babergh for more information about 'baffle' bottle banks being used at Chelmondiston which do not make a noise.

Do You Know Someone Eligible For The Walsh Trust Christmas Bonus?

Each Christmas the Walsh Trust, which has two parish council trustees and three others, gives out small cash bonuses to those over 80 who have lived in the village at least three years and who would welcome such a bonus. As the original charities were for providing food and fuel, the Trust gives a present to those who have previously had the bonus but are now in residential care. The income is very small and depending on how many are eligible the amount is normally around £20 for a single person and £25 for two people living in the same house. There is no official way we can find out who is over 80 so we rely on local knowledge and that means all of you.

So please let us know if you are going to be eighty or know someone who will be by Christmas. Contact Mr Battye, Mrs Rolfe, Mrs Mig Knight, Miss Kath Hunt or me, Mrs Knox, my number is 262224. If you already have the bonus and are still living in Nayland you will of course continue to get it and don't need to inform us. But because our income is so small once we have paid out for the year we simply do not have any money left to give late-comers so PLEASE let us know by the 1ST OF DECEMBER.

Rosemary Knox

NAYLAND WITH WISSINGTON PARISH COUNCIL

Meeting: 14th September 2011

TRAVELLERS

With five days to go before the planned eviction of travellers from the Dale Farm site near Basildon concerns were expressed at Nayland Parish Council's September meeting over the possibility of some moving to Nayland. County councillor James Finch, who felt the allotment field was vulnerable, urged anyone with any information about travellers coming to the village to contact him as soon as possible. He added the county had a contingency plan and a gipsy and traveller liaison officer, Karen Wright. Questioned by Hector Bunting, he said individual landowners were responsible for evicting travellers if they decided to set up camp. It was agreed to padlock the allotment field gate as a precaution. Councillors with any other ideas were asked to email them to chairman Gerry Battye, who with vice-chairman Tricia Fuller will deal with anything that crops up.

BABERGH'S BUDGET CHALLENGE DOCUMENT

Discussing Babergh's Budget Challenge document, councillors felt the information provided was not enough for them to make any comments. District councillor Richard Cave wanted to know what members thought the council should be doing in terms of priorities. Mr Battye said they could have commented if they had been given a list and John Rix pointed out listeners to BBC Radio Suffolk had been sending in useful suggestions on the subject all week. It was agreed to write to Babergh saying the council had not been given enough detail to make any serious observations.

STREET LIGHTING

Following a discussion on street lighting councillors agreed to use the locality budget to trial two LED lanterns costing £600 each in Wiston Road. Two members abstained as they wanted to wait for the results of a survey of the village's street lights.

DOG FOULING

Dog fouling in various parts of the village was an ongoing problem, members heard. Clerk Debbie Hattrell said if witnesses were willing to sign a statement Babergh could take action against offenders. Will Hitchcock commented he had remonstrated with one dog owner only to receive a tirade of abuse. Mr Battye said he would write another piece for the Community Times and the issue will be on next month's agenda.

PLANNING

Reviewing recent planning applications, Mr Battye said an appeal had gone to the Secretary of State over a refused plan for change of use of buildings at Harpers Hill Farm from B8 to classes B1, B2 and B8 with associated parking and servicing areas.

Members accepted an application for field access at Creems, Bures Road and a plan for change of use of the Catholic church in Church Lane to a residential dwelling, pointing out the building is on the local list.

NATIONAL PLANNING POLICY FRAMEWORK

Considering the National Planning Policy Framework consultation, Mary George said she thought the current draft document was dangerous for an area like Babergh and if the draft became law it would be difficult for Babergh's core strategy plan to work. It was agreed members should answer an online questionnaire, share views and discuss the matter again in October. A detailed letter on the subject was received from Suffolk Preservation Society.

VILLAGE PARKING

After discussing parking issues round the primary school it was decided to write to the school asking whether there was any plan to alleviate the problem, particularly as the school will increase in size in three years time.

ALLOTMENTS

Three half-size allotments, said to be in a poor state, are to be passed on to people on the waiting list and it was agreed to warn allotment holders that rentals would go up next year.

COUNTY COUNCILLOR'S REPORT

In his report Mr Finch said the council was working on the 2012/13 budget and was looking to save £50 million. A

consultation into mobile libraries was taking place but there were no plans to get rid of them. Nayland's was well-used with 57 registered users and 20 active borrowers.

DISTRICT COUNCILLOR'S REPORT

Mr Cave reported the integration process was proceeding and the senior management team would shrink from 19 to 12 within the next two months with the programme completed by April 2012.

POLICE REPORT

A police report from PCSO Amanda Coleman said there had been three crimes since the last meeting. Two involved harassment and threatening behaviour in Wiston Road which were dealt with and the third was a burglary of copper tubing and cable on August 23 from a business unit on Harpers Hill.

She had been monitoring cars parking on the pavement in Harpers Estate but did not feel they were causing an obstruction to pedestrians or other vehicles.

IN BRIEF

Mrs Fuller said a meeting with Babergh's arboricultural officer David Pizzey to discuss a replacement for the Jubilee tree was being held on September 19.

Members heard via Babergh that 'baffle' bottle banks were not efficient so will not pursue the matter.

Councillors were asked to let the clerk know if any grit bins or heaps needed replenishing.

A quote to re-decorate the play equipment on the recreation ground was accepted.

It was agreed to accept a £729 renewal invitation for one year from parish council insurers Zurich.

CHEAPER HEATING OIL

OilBuyingGroup We all want to save money on heating our homes, especially with winter just around the corner!!

Well purely by chance about four weeks ago I stumbled across a fantastic idea on just how to do this! A pest control chap came to my house to remove a much unwanted wasp nest and we got talking about escalating fuel costs! He went on to tell me he was a member of a buyers group in Maldon that was set up to help fight against these increasing costs.

Clearly intrigued by this, I contacted the site to ask if I could also join the group. Well unfortunately I couldn't, as I was outside of their 10 mile radius, however from 5th September a new group was formed www.horkesleybuyers.com.

Basically www.horkesleybuyers.com is a brand new initiative for the residents of Great Horkesley, Nayland as well as surrounding villages to consolidate the purchase of heating oil.

The scheme encourages a group of householders to order heating oil in bulk, for individual home delivery on a single date. The supplier will offer a discount because he only needs to send one vehicle to the area and is (virtually) guaranteed to empty it. The supplier saves on manpower and vehicle usage and will therefore offer a discount. The only condition is to get the discount the aggregate order needs to be 10,000 litres or more. However the bigger the order, the bigger the discount!

www.maldonbuyers.com just recently placed an order for 150,000 litres for its local residents and in return was able to secure a price that most of us could only dream about achieving!

As a fellow resident please sign up today and also help us spread the word!

Jenny Smith welcomed everyone to the meeting.

VOLUNTEERS

Unfortunately no volunteers had come forward for the roles of Chairman, Secretary or to act as Publicity Person. David George has agreed to Chair meetings up to the AGM, and beyond if no-one comes forward.

GIFT FOR ROY EVANS

A book token was presented to Roy by Jenny Smith at HortSoc's summer party in thanks for his valuable contribution to the CC over many years.

CC NOTICE BOARD

Alex Badman said the noticed board was past repair and a new one was being constructed. The cost of £204 including VAT was agreed. It was pointed out a soft backing was needed to insert drawing pins.

CORRESPONDENCE

A letter of thanks had been received from Jane Kennedy on behalf of the School Choir. The PA system is now being used by the Choir and is available to other village groups.

A letter had been received from Andrew Gowen on behalf of the Village Hall thanking the CC for their £1,000 grant which was a great help towards the £4,600 cost of renovation of the wooden floors.

VILLAGE FESTIVAL

It was agreed the festival would not be taking place next year because the Jubilee and Olympics made it difficult to find a time slot. A festival may be held in 2013 but it will need more volunteers to come forward to help with planning and implementation.

TREASURER'S REPORT

Bryan Smith reported on finances concluding that the council's unencumbered assets were £13,689.85. After payment of grants profit on the year to date is £124.56. He said the festival made £890.22 profit, the Community Times £1,474 and the 2012 calendar £105.60 with 88 copies sold so far. We have made our annual return to the Charity Commission for 2010.

COMMUNITY TIMES

Lorraine Brooks said that advertising was increasing slightly.

VILLAGE CALENDAR

The project was already in profit by £105. Hazel Gardener said the photo album of entries in the photographic competition had been on show at the Flower Show and has been passed round to various village organisations. Lorraine added Graham Griffiths had kindly provided a calendar page on the village website. A digital version of the album could be viewed online at naylandandwiston.net.

FORTHCOMING ACTIVITIES

Fun Quiz on Friday 7 October:

Chris Hunt said the Bellringers had prepared the quiz with a variety of themes and questions. It was agreed to spend £50 on prizes for the winners and runners-up. Nibbles will be provided on the tables but bring your own drinks. There will be a raffle.

Bonfire Night on Saturday 5 November:

The fireworks and bonfire night is being planned with the usual barbecue, refreshments, etc. No-one, without exception, will be allowed to deposit garden rubbish on the bonfire. The entry charge will remain at £3 for adults, £1 for children this year but as insurance and other costs have risen it will need to go up next year.

Christmas Family Fayre on Sunday 27 November 12-2pm:

Alex Badman is leading and the same popular format is being planned. Father Christmas will be in attendance, Julie Mansfield agreed to organise the presents and said one of the brownies would be Santa's elf.

Jubilee 2012 Celebrations:

The official Jubilee Holiday is Tuesday 5 June, the Fete is being held on Monday 4 June and HortSoc will be staging a 50s exhibition over the weekend. The idea of a Street Party

for children in High Street and an evening event for adults was suggested. It was agreed to hold a public meeting on Monday 3 October in the Village Hall at 8pm to gauge the interest and ideas of residents and form a planning sub-committee.

SOCIETY REPORTS

RBL: David George said 24 members visited RAF Museum Hendon. It was a fantastic day out and 5½ hours was not long enough to see all the exhibits.

Art Group: Colin said their autumn term begins this week.

HortSoc: Trevor Smy said 50 members enjoyed the 30th Anniversary garden party. The Flower Show had gone very well with entries up to 320. Bryan commented that it had been a very good show. There a minibus outing to Helmingham Hall Gardens and Plant Fair on 18 September, a talk by Matthew Tanton Brown on 'Growing Vegetables' on 18 October and the joint meeting with the Conservation Society on 8 November Shirley Boyle, head gardener at RSBP Flatford garden will talk about Gardening for Wildlife.

Guides & Brownies: Julie Mansfield said they would be staging a pantomime on 29 November at the School Hall.

Village Players: Jenny Smith said they are rehearsing for the panto, Dick Turpin. Performances will be on November 25 and 26 with a matinee on 26th and on December 2 and 3 with a matinee on 3rd.

Transition Nayland: Will Hitchcock said their BBQ in the allotment field had gone well and Stocks Farm open day on bank holiday Monday had been well attended. They will be having a Food Stall on Saturday 17th September in the High Street with a food swap and apple press.

Woodland Corner: They are having a cake stall on 17 September and a Wine Tasting on 15 October.

Conservation Society: Rosemary Knox will be talking about '*Jane Walker and her Hospital*' on 11 October and at the joint meeting with HortSoc on 8 November Shirley Boyle of RSPB Flatford Wildlife Garden will talk on Gardening for Wildlife.

They are in the process of adopting the Wiston telephone kiosk with a view to moving it to replace the one removed from Bear Street.

W.I.: The branch is going well. They have committee meetings on the second Monday of the month and meet on the third Monday which unfortunately makes it difficult for a representative to attend CC meetings.

Over 60s: They had a very good outing to Frinton in Sea. They would like some younger members!

Surgery: Vicky Sargent said annual Flu clinic will be held on Saturday 1 October. A text message appointment reminder service is now offered and you can order your repeat medication online. Practice Manager Carole Baldwin has retired after nearly 20 years with the surgery - Mark Galloway is the new Business Manager.

Village Hall: Renovation of the wooden floors has been completed. For fire safety reasons we have re-sited the dustbins away from the Hall and we will be shortly replacing the plastic guttering on the playing field side of the hall that had been damaged by footballs. The repainting of the Hall by the Probation Community Service team is almost complete.

Village Lunch: The next lunch is on 19 October when Peter Lawrence will talk about '*Warships to the Olympics*'.

ANY OTHER BUSINESS

Village Hall Garden Working Party: will be held on **Saturday 15th October** at 9am. Please spare an hour or so of your time - you will still have time to go to the Jamboree afterwards. Bring appropriate tools.

Chairmanship: Thanks were expressed to Jenny Smith for stepping into the breach as Chairman.

DATE OF NEXT MEETING will be **Monday 14 November** in the Church Hall, 8pm with Exec at 7.30pm. Meetings for rest of year: 9 January 2012; AGM 7 March 2012.

A public meeting to discuss Diamond Jubilee Celebrations will be held on **Monday 3 October** at 8pm in the Village Hall.

Many residents and visitors walk along the footpaths around the river and this well known view from Caley Green next to the bypass is enjoyed by everyone at all times of the year, in snow or sunshine. The view has changed at different times since the 1950s when most of the houses backing onto the river have been built.

The aerial photograph taken by an RAF Officer in 1951 shows the familiar course of the river at this point before the newer houses were built and there was also no bypass. Harpers Estate or Nayland Heights is to be seen. The school was still in Church Lane and the fire station was at the White Hart - both moved to Bear Street later in the 1950s - and over a period of about twenty years this part of the village changed considerably.

Thank You to Nayland with Wissington Community Council,

Many thanks to the Community Council for their very kind gift of a book token, on the occasion of my retirement from the Council. I enjoyed very much working with the other members over a twenty year period and welcomed the opportunity of helping out with the various events.

I wish you great success in the future.

Kind regards, Roy Evans

The final surplus for the 2011 Fete is **£12,816.64**
(almost £1,500 up on 2010 which was also a record).

We achieved this wonderful total by keeping our expenses down, encouraging more sponsorship and above all with the generosity of those who gave us items to sell plus a very large team of hard working helpers and an increase in numbers through the gates.

So a huge thank you to everyone involved and to those who supported us on the day.

Next year's Fete will be on Monday 4th June. Please put it in your diaries and we look forward to having even more helpers and making the Jubilee Fete the best ever. If anyone is interested in running the Cake Stall or the Gift Stall please get in touch with Andora on 262970. (No previous experience necessary.)

OVER 60s CLUB

Secretary: Daphne Berry 262641

On Thursday 8th September, despite an overcast day we had no rain on the trip to Frinton on Sea. Our driver took us a pretty route through various villages keeping off the main roads to our lunch stop at a garden centre at Kirby Cross, where we enjoyed a very good lunch, plus some shopping afterwards. Then it was on to Frinton for the afternoon - down to the beach, or more shopping. Eighteen club members plus 9 friends/guests enjoyed the day.

Our knitters made 100 bobble hats for Age Concern to go on Innocent Drinks for Christmas, raising funds for the charity. Well done. (*Details of The Big Knit are on www.innocentdrinks.co.uk/bigknit*)

Our next meeting is Thursday 13th October - early start of 2.15 - as there will be an entertaining surprise.

We are having thoughts about going somewhere on Thursday 10th November - possibly lunch and some pre-Christmas shopping. Watch this space!

We now have 25 members but there is still room for more!

ROYAL BRITISH LEGION Women's Section

Secretary: Kath Hunt 262014

We recently held a summer party and we held a coffee morning which raised £84 for the Women's Section funds.

We are now a very small branch and new members are always welcome.

ROYAL BRITISH LEGION

Secretary: Andrew Gowen 262534 Chairman: Ken Willingale 262531

Some 24 members, friends and families visited the Royal Air Force Museum at Hendon on 7 September. It was a very enjoyable visit and we were particularly fortunate in having an outstanding guide to take us round.

At our last meeting we agreed to arrange other outings to the Maritime Museum Greenwich, Chatham Dockyard, the 390th Bomb Group Memorial Air Museum & Museum of the British Resistance Organisation at Parham near Framlingham and Boxford Airfield Museum during 2012. These visits are open to everybody as we need to fill the bus. The next visit, possibly to Greenwich, will be in March. Please contact the secretary if you are interested.

We are currently discussing the format of the Remembrance and Armistice Day Services and recognise with the setting up of the Church Group of 5 Parishes there are likely to be changes which will probably not be a bad thing. One suggestion is to have the 2 minute silence and wreath laying coinciding with the national 2 minute silence at 11am at the Village War Memorial followed by a service in the Church. Against this is the possibility of disruption but currently we have two bouts of silence (in the Church and at the Memorial) which was always a little odd. It will also be an opportunity to re-vamp the service itself. Nothing has been decided and our Chairman is currently discussing this with Revd Adrian Mason which hopefully will be finalised at the AGM.

Our AGM is on the 31 October at 8pm in the Church Hall and we hope as many members as possible can attend.

Chair: Trevor Smy 262022

There is a full report on our **30th annual Flower Show** on pages 28 and 29. As usual the morning was a hive of activity with entrants displaying their best exhibits followed in the afternoon by a lovely relaxed atmosphere as visitors browsed the displays and had refreshments. Thanks are due to all involved and everyone for coming along.

The display of the 30 year history of the Horticultural Society with archive and photo albums gave an insight of our activities and brought back happy memories to those who have been involved over the years. The display will be repeated at the autumn talks.

After the show we realised somebody had left one of their entries - a rather attractive bottle of sloe gin. We have not yet found its owner and it is sitting temptingly on a shelf in Hazel's house! If you are the owner of this country delight please ring Hazel on 262582.

The minibus was full for the outing to **Helmingham Hall Gardens & Autumn Plant Fair** on Sunday 18 September. The showers forecast did not arrive thankfully and everyone enjoyed the day out. Although late in the season for flowers the gardens were beautifully kept and with a nineteenth century parterre, dramatic herbaceous, shrub, late summer borders, knot, rose & wild flower gardens, the Victorian kitchen garden and orchard, which were bursting with produce, there was something for everyone. The magnificent house surrounded by a deer park was an impressive venue for the Plant Fair organised in partnership with Suffolk Plant Heritage which had a wide variety of stalls.

Members returned home carrying armfuls of plants, and some rather pleased to have their queries successfully answered by the apple detectives and plant doctors. Many thanks to Trevor for enabling the outing by being our driver for the day.

With autumn dawning our activities will be retreating indoors on **Tuesday 18th October** when **Matthew Tanton Brown**, manager at The Place for Plants, will be returning to Nayland to talk about **Vegetable Growing** at 7.40 for 8pm in the Church Hall, Bear Street. Matthew is a very popular and knowledgeable speaker on a variety of gardening subjects. On hearing he had established his own allotment we asked him to come along and share his knowledge and experiences on this subject which will no doubt be very entertaining. All are welcome, entry is free.

At the joint meeting with the Conservation Society on **Tuesday 8th November Shirley Boyle**, head gardener at RSPB Flatford Wildlife Garden, will be speaking about **Gardening for Wildlife**. On land bequeathed to the RSPB, the Flatford project is their first dedicated wildlife garden and it has taken 10 years for the plans to come to fruition. It is an innovative and beautiful garden, designed for both people and wildlife and aimed at inspiring people to make space for wildlife in their gardens and minds. All are welcome, entry is free.

HortSoc will be having a stall at the **Christmas Family Fayre on 27th November**, 12 noon to 2 pm in the Village Hall. As usual, donations of seasonal items for sale on the HortSoc stall or prizes for our raffle would be very much appreciated and can be left with a committee member or brought along on the day.

The **Spring Show will be held on 24th March 2012** so bear this in mind when planting your bulbs this autumn. The schedule appears on page 16.

HortSoc will soon appear to go into a dormant period but we will be busy finalising plans for 2012. Following the success of our outings we are looking at venues for next year - if you have any ideas for venues or other activities please let Lorraine know. In the meantime, keep an eye on our website which already includes some planned activities for 2012.

NAYLAND WITH WISSINGTON CONSERVATION SOCIETY

Hon. Secretary: Andora Carver 262970

www.naylandconservation.org.uk
Chairman: Mr J Alexander 262676

The meadow wildflower belt has again provided a wonderful show of flowers this year and now that the seeds are forming, it is due to be cut and cleared in early October. The cuttings will be piled up to create over-wintering habitats for small mammals and grass snakes. A member of the community woodland project, which manages Cherry Wood, Stoke by Nayland, has asked if they may take some of the seed heads as 'green hay' to spread in their meadow and hopefully boost its diversity. This will happen shortly before our contractor does the annual cut.

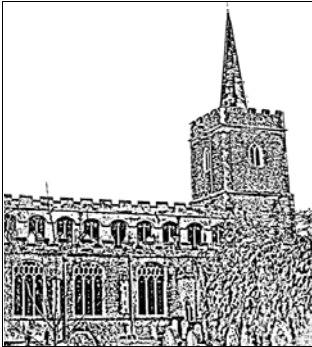

Mike Hunter has been working hard on a revision of our footpath map of the parish and this will be available in due course at the Post Office and Forget Me Not, as well as at our meetings.

The Society's adoption of the Wiston BT Kiosk, which will be moved to the original Bear Street site, has now been put in hand, and we hope to complete the project in a few months' time. The kiosk needs extensive cleaning and restoration and then we can decide how best to make use of it. Suggestions so far include a book exchange and village information resource centre.

Following an initiative to re-instate native elms in Suffolk and Essex, as depicted in John Constable's pictures, the Society has been in touch with local landowners, the Parish Council and the Parish Tree Warden. As a result it is hoped that planting of disease resistant elm trees at three or four locations within the village will take place in September or October.

Rosemary Knox will talk about Jane Walker and her Hospital at our next Open Meeting on Tuesday 11th October (7.40pm for 8pm in the village hall). Everyone is very welcome and entrance is free.

The Joint meeting with Hortsoc takes place on November 8th when Shirley Boyle from the RSPB will tell us about the new Wildlife garden at Flatford.

All money raised will be for the enhancement of our ancient and beautiful parish church.

VILLAGE PLAYERS

www.villageplayers.co.uk

Chair: John McCarroll, 01473 822251

Membership: Gale Scott 01206 262061

The Players marked the end of the summer with our traditional barbecue held once again at Gale Scott's lovely home, marred only by a monsoon like downpour that descended once we had finished eating!

The week after, a small band of players went to Clacton for the North Essex Theatre Guild's annual Awards Evening, where Bryan Smith's production, *The Holly and the Ivy*, was in the running for several awards; Nick Moriarty for best set construction, Mary Moriarty for best supporting actress, and Bea Sewell and Eva Rolfe for best costumes. Whilst we sadly went away empty-handed, the very fact we were nominated is great, and speaks volumes for the quality (and quantity) of amateur dramatic productions in the area.

We are now well into rehearsals for Mary Moriarty's next production "Dick Turpin", a pantomime by Paul Reakes based very loosely on the tale of the infamous highwayman. It is original, inventive and full of fun! Many a new twist is brought to the much-loved panto conventions; the Dame, the villain complete with dim-witted henchmen, the beautiful girl and her fishnet-stockinged beau are all here as ever but in a new and exciting setting with it's fair share of surprises!

The Village Players are staging the production over 2 weekends (including Saturday matinees) on November 25th/26th and Decembwe 2nd/3rd. Full details can be found on the poster elsewhere in the Community Times. As always, if anyone would like to get involved backstage, there will be plenty of opportunities to wield a hammer or a paintbrush so do get in touch with either me or Mary on 01206 262808.

Our next Drinks at the Anchor will be Thursday 3rd November 2011.

For further information, please contact John McCarroll on 01473 822251 or visit our website at www.villageplayers.co.uk

NAYLAND CINEMA

Chris Thompson *Secretary V.H.M.C.*

On **Friday 30th September** we will be showing **Nowhere Boy**, the film about the early life of the Beatle, John Lennon. This is a chance for those of us who remember the late 1950's and early 1960's to be nostalgic.

On **Friday 28th October** we will be showing a classic film **The Red Shoes** starring Moira Shearer as a young dancer, torn between her love of dance and the love of her lover.

Do come and enjoy these films. We open the Bar at 7.30pm, the film begins at 8pm and we always have an interval for drinks and ice creams.

NAYLAND WITH WISSINGTON VILLAGE HALL

Chairman: Iain Wright 263646

Secretary: Christine Thompson 262825

We are most grateful to the Parish Council and the Community Council for their contribution of £1000 each to the renovation of the wooden floors. This was a major and welcome contribution to the £4600 bill. For fire safety reasons we have re-sited the dustbins away from the Hall and we will be shortly replacing the plastic guttering on the playing field side of the hall that had been damaged by footballs. The repainting of the Hall by the Probation Community Service team is almost complete. Some tidying up has still to be done. Following an energy survey we have replaced many bulbs with low energy light bulbs and are looking at ways to control the hall heating arrangements to ensure it is not on when the hall is not in use.

We have suggested to the Parish Council that it might support our proposal to erect 5 different outdoor exercise machines at a cost of some £11,500 which will be available to all members of the village to increase and maintain their fitness. These are robust rustproof machines that many villages/towns are beginning to erect for the benefit of their communities. We shall be looking for lottery grant funding.

Please note that we are planning to work on the Village hall gardens from 9am on Saturday 15 October. Please come and help if you can bringing appropriate tools. We would be grateful for just an hour of your time and you will still have time to go to the Jamboree in the Carvers barn afterwards.

Village Bonfire

This is just a reminder that the Village Bonfire is no longer available for members of the Village to dispose of their garden/household rubbish. We are unable to supervise what goes on and this facility has been misused in the past.

NAYLAND SURGERY NEWS

Victoria Hitchings MpharmS

www.northhillsurgery.co.uk

We would like to inform Nayland patients that our annual Flu clinic will be held on Saturday October 1st 2011, please ask in the surgery for more details.

Our Practice Manager Carole Baldwin has retired after nearly 20 years with the surgery. She will be missed and we wish her well. Mark Galloway our new Business Manager had started full time.

You may notice some new faces within our Nayland Surgery; Dr Withya Rajekelandran and Dr Mohammad Arif join us as registrars during their training. Dr Polak will be going on sabbatical from October '11 until March '12 and Dr Kalynuk and Dr Vidal will begin more regular sessions at the surgery. I am sure you will all join us in welcoming these new faces to our practice.

We can now offer a text message appointment reminder service, please ask in the surgery for more details and to register to this service.

Did you know you can order your repeat medication and find out about the practice by visiting our website www.northhillsurgery.co.uk. It is also possible to cancel your appointment online.

We would also like to remind patients to allow 2 working days (excluding weekends) to process repeat prescription requests.

Chair: Teresa Moriarty
Tel: 01787 210148

Rehearsals are well under way for Nayland Choir's next concert which will take place in St James Church on 6th November. We will be performing the lesser known but just as good VIVALDI GLORIA and the PERGOLESI MAGNIFICAT. The choir will be accompanied by a small orchestra. Look out for more details nearer the time!

New members are always welcome to come and sing. We don't hold auditions. We rehearse in Nayland School on Thursday evenings 8 till 10pm. For more details please contact Teresa (01787 210148)

THE VILLAGE LUNCH

Our next village lunch will be held on Wednesday 19th October when Peter Lawrence, an excellent speaker who was very popular when he was here before, will give an illustrated talk on 'Warships to the Olympics'.

The lunch will be held in the Village Hall, 11.45 am for 12 noon, with lunch at 1pm. Tickets will be available from mid September at Nayland Post

NAYLAND AND DISTRICT WOMENS INSTITUTE

Secretary: Jeannette Finch 262993

On 8th August members were invited to the WI Suffolk West afternoon Tea given by Stoke by Nayland Group. We were so well looked after by our hosts and the food was delicious. It is always good to meet and chat with other groups and exchange ideas.

On 15th August we were greeted warmly at Jeannette Finch's house for the Garden Tea Party. The roses were beautiful and tables were set out on the sunny lawn and we all enjoyed the lovely party tea.

There were several raffle prizes so there was more than one happy winner. Our president, Lorna Rumsey, thanked Jeannette for providing such a delightful setting.

On 19th September David Austen spoke on the History of Colchester, part 1. His talk, with films, was amazing, going back to when the Roman's invaded Britain and the aftermath when Colchester became their headquarters and the first city. This was all so interesting.

The speaker was thanked by Elizabeth Wakefield. The raffle was won by Barbara Osborne and Joy Jones won flower of the month.

The next meeting will be on 17th October when Malcolm Taylor will be speaking on 'Hearing Dogs'. On 21 November it is our AGM followed by a talk by Mark Norman on 'Financial Advice'.

Allotment BBQ

The second Transition Nayland allotment family BBQ was held on Saturday 20th August. Using produce grown on the village allotments which included courgettes which we griddled, coleslaw, potato salad and raspberries, and with the Learmonth brothers of Stocks Farm, Wiston very generously donating some incredibly tasty sausages and steaks the event was a huge success. Helped by the rain clearing promptly for us at 4.30pm and making way for glorious sunshine and with a good turnout too, children and adults alike were able to take part in a variety of fun and games on the allotments field before enjoying the locally grown tasty treats. Lots of fun was had by all and we hope you'll consider joining us next year.

Dedham Vale Food Hub

August bank holiday saw the Dedham Vale Food hub open day held at Stocks Farm, Wiston. The DVFH is a group of farmers and consumers who have developed a vision for a ground-breaking local, low carbon food hub. It is intended that local producers, via a local distribution centre will deliver or sell into nearby towns and villages with particular focus on their produce celebrating the passing of the seasons. The day itself was a huge success with delicious (free!) local food on offer including pizzas baked in a traditional clay oven and barbequed chickens served with salads and flatbreads, scrumptious sausages and goats' cheese and apple scones. Locally produced sorbet and ice cream for dessert was washed down with refreshing pink apple juice made from local apples pressed on site. Finished off with tractor rides for the children, the day was a triumph with a lot of support from the surrounding community.

Local food stall

On Saturday 17th September we held a free food stall and apple press in the High street to mark the start of British Food Fortnight and to celebrate our own local and seasonal food. Food from local gardens and allotments as well as the 3 local producers of the Dedham Vale Food Hub (Stocks farm, Wiston, Apricot Centre, Lawford and The Organic Box, Newton) was on offer. We had a steady flow people visit the stall throughout the morning and children enjoyed pressing their own apple juice.

NAYLAND ART GROUP

We restart our new term a week later than planned, on Wednesday 14th September from 2pm until 4pm.

We plan to continue with our two visiting tutors, and are looking forward to hear what members have done during their summer break!

NAYLAND OVER 60S LUNCHEON CLUB

A Monthly Lunch for Senior Citizens ~ Church Hall ~ 12.00 noon for 12.30pm ~ £3

The next monthly luncheons will be held in the Church Hall on 25th October and 22nd November. The Christmas lunch will be on 13th December. Come along and join the friendly atmosphere for a chat with friends, old and new.

If you would like to join us for lunch just come along. If transport down to the Church Hall is difficult telephone Olga Alexander on 263923 to see if we can collect you.

NAYLAND FUNDRAISING COMMITTEE

Secretary: Jill Badman

We were pleased to welcome so many people to 'Downtown' Nayland on Saturday 10th September when Ian Gallagher entertained us with a wonderful evening of Michael Bublé numbers and other favourites including, of course, Frank Sinatra. After a delicious supper we were entertained by Ian and towards the end of the evening he had encouraged almost everyone onto the dance floor. We were thrilled with the results of the raffle and auction, so that as a result of so many peoples' generosity we were able to send the Colchester, Tendring & Suffolk Borders Branch of the Samaritans a cheque for £3,700! There are too many people and companies to thank individually here, but we are very grateful to everyone who helped and supported us in any way to make this such a successful evening. We are taking a break now from our fundraising activities, but we are already planning our first event for 2012. Watch this space!

1st NAYLAND SCOUTS

Scout Leader: Malcolm Macbeth 01473 827239

In May we hosted our annual sponsored walk for the scouts, their families and friends. We raised a respectable £172.50 which will be spent on the general running costs of the hut or put towards the insurances.

We have another weekend camp planned for October at Polstead.

Hopefully if the weather is kind the first coat of paint will be going on the outside of the scout hut soon.

The date set for our AGM is Tuesday October 11th at 8pm at the scout hut. Anyone is welcome to attend.

Scouts meet on Thursdays at 7pm in the Scout hut. Contact Malcolm Macbeth 01473 827239

As usual lots of news from Woodland Corner as we start the new school year...

Playgroup has welcomed lots of new children this term. We will be finding out about Harvest and Autumn through cooking, storytelling, singing and art and craft activities, as well as exploring the outdoor environment in the school grounds and in the village seeing what autumn treasures we can find! These treasures will form the basis of a display in our classroom. We will also be inviting parents to come in and show us their gardening, bread making and jam making skills. We hope to visit the Anchor's Suffolk Punch Horses at ploughing time and we will be preparing our own vegetable patch for the winter. The children and their families will be joining together for a Harvest Festival Celebration on 29th September, bringing in harvest produce they have grown at home or on their allotment or foraged from the hedgerows. There will be picnic lunch for the families and we will be making charitable collection for **Save the Children's** East Africa Appeal.

After School and Breakfast Club have also been pleased to welcome some new faces as we start the new term. In addition we have welcomed back most of our existing children, including some who have newly started Stoke Middle school but are continuing to come to us after school which is lovely. We have been enjoying our new 'active' equipment, including, rounders, jump rope games, cheerleading with pom poms and trying to master juggling balls!

Finally, the summer holidays did not see Woodland Corner resting on its laurels! We ran our very successful Funshine Holiday Club over two weeks of the holidays, welcoming children aged between 4 and 11 to take part in activities which included pond dipping and den building, a water and messy day, a dancing lesson, craft and sports activities, trips to Walton on the Naze and Castle Park and a treasure hunt. Phew! Our next holiday club will be at Easter so please put it in your diaries now.

NAYLAND MOTHER & TODDLER GROUP

Leader: Liz Huggins 263438

Hope everyone had a great Summer break! Its been lovely to see a few new faces over the first couple of weeks back. We have an organised trip to the Giggle Factory in Sudbury on 25th November, meeting at 10am, so hope you can all make it.

Nayland Mother and Toddler group meet every Friday in Term time at Nayland Village Hall from 9:45 til 11:45. Its a friendly group with lots of toys for your little ones to enjoy. Tea and coffee is available for mums, dads and carers and juice and biscuits for the children. Its a great place for new mums to meet people and make friends! First visit to us is free! Then its £2 per mother and child, plus 50p for each additional child. Look forward to seeing you there!

Nayland Youth Club

Leader: Adam White 07540 740259

The Autumn programme is proving popular and there are regularly more than 20 young people coming to our Tuesday evening sessions. Activities include a pool tournament, a cinema trip, a circus night, as well as football and ten pin bowling, chocolate tasting and Halloween costume making and body art.

Nayland Youth Club meets at the village hall every Tuesday evening from 7pm til 9pm during term time. New members are always welcome. Come along and see what we do!

Sessions cost £2 and drinks and snacks are available to buy. Need more information? Contact Adam 07540 740259.

Youth Club is managed by a committee of volunteers. We badly need new committee members to join us. We meet once every half term, and our next meeting and AGM will be on November 28th 7:00pm at The Anchor Inn. If you would like to get involved, please contact Teresa on 01787 210148 or come along on November 28th. Please help if you can, without a committee there can be no Youth Club.

1ST NAYLAND BROWNIES & GUIDES

Julie Mansfield 01787 211554

Welcome to a new term at 1st Nayland Brownies & Guides! We have another fun packed term ahead of us with lots of activities, challenges and events planned for our Girls.

This term the Guides will be taking part in Ready Steady Food Attack, our very own version of a well known TV programme – 'I'm a Guide Get me out of here!', learning about the vital role that the Girl Guides played in both the First and Second World War for MI5, attending the Remembrance Day Service at Nayland Church, as well as preparation for a joint pantomime production with our sister Brownie Pack, 1st Nayland Brownies. We will be celebrating the end of the year with a Cinema style DVD night as a reward for all their hard work.

The Brownies this term will be enjoying some Island hopping, celebrating and exploring diversity in 'all different, all the same', joining our sister Brownie Packs from across the District at Brownie Revels, attending the Remembrance Day Service at Nayland Church, reaching the for stars with our Star Gazer badge, as well as preparation for a joint pantomime production with our sister Guide Company, 1st Nayland Guides. We will be celebrating the end of the year with a Christmas party.

On the **27th November 2011**, both units will be helping with our fun and entertaining games and tombola stall at the Christmas Fayre to help raise unit funds. Our Guides will be helping Father Christmas give out toys to the boys and girls who visit him. Do come along and see us, find out more about Guides & Brownies and try your luck on our games. Any donations you may have for tombola prizes would be gratefully received, thank you.

The show of the year, not to be missed, our joint unit pantomime will be held for one night only on **29th November 2011**. We guarantee you've never seen this one before! Entry to this extravaganza of entertainment is free of charge and all are welcome to attend. The show starts at 7pm, and refreshments and a raffle will be available. We hope to see you there! Any donations for the raffle would be gratefully received, thank you.

Throughout the year our Guides & Brownies have been collecting drinks cans for recycling to raise funds for their units. These funds help to pay for meeting place hire, educational and fun trips out, craft, sports and camping equipment, and a whole host more all for the unit. If you have any drinks cans that you would like to donate please visit us on Tuesday night from 5.30pm – 7.00pm or 7.30pm – 9.00pm at Nayland Primary School.

And finally... Do you have a daughter aged 7-10 who enjoys games, crafts, learning in a fun and exciting way, trips out and meeting new friends? Then why not join Brownies! Brownies do it all! Their meetings are full of challenges, games and activities, usually ones that the Brownies have suggested themselves. So come and meet us and find out more. We meet at Nayland Primary School every Tuesday during School Term time from 5.30pm – 7.00pm. We have spaces available now, no waiting list.

If your daughter is aged 10-14 then Guides is the place for her. Being a Guide encourages girls to develop by undertaking challenges and pushing the boundaries of their experience. We also enjoy crafts, games, trips out, Guide Camps and meeting new friends both locally and internationally! We meet at Nayland Primary School every Tuesday during School Term time from 7.30pm – 9.00pm. So come and meet us and find out more. We have spaces available now, no waiting list.

If you'd like to find out more about becoming a Brownie or a Guide you can find more information on www.girlguiding.org, uk, or for your local unit www.scguides.co.uk. Contact details are also available on the Nayland & Wiston community website www.naylandandwiston.net.

News from the Dedham Vale AONB & Stour Valley Project

It has been a busy summer for the Dedham Vale AONB and Stour Valley Project.

The Stour Valley Volunteers have been out, hard at work in the Project area and have completed over 16 volunteer tasks since April. Path clearance and kissing gate construction, dead hedging, bracken pulling, otter holt construction, cutting and raking grassland were among the activities undertaken to improve the landscape and environment and boost biodiversity for the local community and visitors alike.

One of the highlights was a Managing a Masterpiece (The Project's Heritage Lottery funded scheme) task where Stour Valley Volunteers worked with National Trust volunteers at Flatford to restore the Dry Dock made famous in one of Constable's painting.

There has also been a lot of community action in the Stour Valley too which has been fantastic!

One of the initiatives that the Project has been involved in has been the development of the wildlife garden at Nayland School. Emma Black, Project Officer with the Dedham Vale AONB and Stour Valley Project, took members of the Eco team to Stoke by Nayland School so they could visit their Eco team and see what they have been doing in their wildlife garden.

Both teams had lunch in the wildlife area, learnt about a native plant then did some practical work. The children thoroughly enjoyed their visit and have come back inspired to do more with their area to create more habitats for wildlife. The group applied to the Dedham Vale AONB Sustainable Development Fund and were awarded a grant to plant a hedgerow (with native trees and shrubs), wildflowers and pond plants as well as building bird / bug boxes and a stag beetle pyramid.

Welcome to this month's Police news item.

Halloween is coming up at the end of the month as well as bonfire night at the beginning of November, please consider others on both of these nights and all can have a good time. Suffolk Police are urging you to consider the effect your actions may have on others this Halloween and Bonfire Night – and to respect those may not want to take part in the festivities.

Traditionally both Halloween and Bonfire nights are busy for police with a large number of calls during the end of October and beginning of November relating to anti-social behaviour by a minority who take trick or treating too far and firework-related incidents.

We want people to enjoy their Halloween and Bonfire night celebrations but we also want those taking part to have consideration for others.

There is a need for everyone taking part to behave responsibly. We would ask parents to ensure they supervise their children, for their own safety and to ensure they do not call at addresses where the occupants do not want to take part, and that anyone trick or treating only visits homes where they know the residents. Most residents that do like to take part normally have some form of Halloween gimmick outside their property. Halloween and Bonfire night can be genuinely scary for many older residents - please don't cause them any unnecessary distress. There is a line between high spirits and anti-social behaviour and we are well aware there are small minorities who will ignore our appeals and we will be out trying to cause trouble.

A series of posters has been produced which address the issues surrounding Halloween. One is designed for those who do not want to take part while another asks parents if they would normally let their children call on a stranger's home unsupervised. These posters will be put up around the county and are being widely distributed to schools and businesses, (look out for these nearer the time in your local shops, also at Hadleigh police station).

Don't forget the clocks will go back at the end of the month. This is a little reminder I use to remember which way and when to change the clocks: - spring forward (1 hour forward in the spring time) and Fall back (1 hour back in the fall/autumn)

Neighbourhood Panel Meetings will be held on:

- October 19th at 7.30pm Capel Methodist Church
- November 16th at 7.30pm Pinewood Baptist Church

Garden Notes

by The Old Muckspreader

Diascia Barberae

In his old age the OM/S, who until recently had ignored their virtues, has been using annuals to fill gaps in his borders and add colour to parts of the garden where the spring flowering shrubs are over. The more tender species cannot be sown until next year, but the hardier ones can be sown in the autumn, and will survive a fairly mild winter, to make good sized plants and flower earlier next year. The Met. Office is forecasting another severe winter so assuming they've got it wrong again, it might be worth risking a sowing now.

In articles in previous years we discussed plants that earn their keep. Here is another, *Diascia Barberae* (previously *D. Cordata*), a low-growing perennial with flowers of orange, pink and red. Three small plants bought, like so many other good things from John Smith of Constitution Hill, Sudbury in early spring have been flowering non-stop since, and should continue until the frost: another planted last year, survived the winter.

There is another member of the species, *D. Rigescens*, but it is a difficult customer and less garden worthy.

On a recent visit to a Plant Fair the OM/S, who goes round talking to nurserymen (and women) on these occasions met someone who was selling *Diascias*, and was equally enthusiastic about them.

Despite the marvellous show of blossom on the Indian Bean Tree (*Catalpa*) mentioned in the last issue it has failed to live up to its name, and hasn't produced a single seed pod.

We have had some success lately in the war against rabbits; since they appeared to enjoy the odd fallen fruit of an old pear tree the OM/S has employed what might be called a homoeopathic method of trapping them by using pears as bait. Now however, too much fruit is falling, so the pear bait is removed to somewhere else. At the moment there seem to be fewer rabbits about; is myxomatosis, albeit a cruel disease, about to solve the problem?

Since the last issue the Dean, with his family of young pheasants has changed his behaviour. After going absent for several days he reappeared only to attack the hen, and seemed uninterested in food. Now he has regained his former composure, and returns to the back door expecting food.

These days most people enjoy taking photographs and with modern digital cameras this could not be easier. Photography has made considerable advances since the early nineteenth century when it began. The first men to make permanent photographs were two French men and the first English photographer was a physicist, William Henry Fox Talbot. From 1833 Fox Talbot lived at Lacock Abbey in Wiltshire, now run by the National Trust, where there is a fascinating museum of his photographic work and equipment.

The recent competition held for the 2012 Nayland Calendar produced some wonderful photographs of the village and there is no shortage these days of images of Nayland and Wiston. Compare this with the Victorian era when hardly anyone had a camera. We all enjoy looking back at old photographs and here in Nayland and

Wiston we have been very fortunate to have had several residents with an interest in photography since its early beginnings.

Most of the surviving photographs dating from the early years of the twentieth century were taken by Charles Gowing who was a baker and confectioner in Birch Street. He was born in 1846 and in his handwritten memories of Nayland during his lifetime (now in the Bury Record Office) he explains that after 35 years as a baker he passed on the bakery business to Mr Albert Butler in 1901. He then moved to Cambridge Cottage in Stoke Road to devote more time to photography, "shortly after the passing of my cousin, Mrs Frank Gowing, who at Wiston and Bulmer Farm had carried on photographic work for some years." This he continued to do for about 14 years.

Mrs Frank Gowing was married to Charles Gowing's cousin who with his family lived in a cottage at Wiston Mill in the 1880s. They presumably later moved to Bulmer Farm. Whilst most of Charles Gowing's photographs were of Nayland, where he lived, his cousin produced some wonderful photographs of Wiston and the river. Many family portraits were taken by Charles Gowing, and Bill Norfolk, who died in 2001 aged 90 and lived round the corner from the Gowing family, in Mill Street, told me that he knew Charles Gowing very well. Bill had a photograph of himself dressed as a page boy at an aunt's wedding, aged 5, taken by Charles Gowing.

In his memoirs, Charles Gowing said that he believed the first photographer in Nayland was Thomas Barber who is listed in the 1858 Kelly's Directory as a cabinet maker in the High Street. Gowing said that "He of course used the wet plates". However, he said he had strong reasons for believing that the Reverend CW Green, Nayland's vicar from 1846 until 1863, was the first 'amateur' photographer who did some work previous to Mr Barber.

Thomas Barber was followed by Henry Faiers whose family had lived in Nayland since the 1780s. In 1844 Robert and Henry Faiers were coopers and basketmakers in Nayland and had a shop and workshop in Bear Street. Henry's son was also a cooper but later had an ironmongery and furniture shop in the High Street in the 1880s. A descendant of the Faiers family believes that the younger Henry was the photographer and in his book about the family he has included several photographs of his family and of Nayland taken by Henry Faiers. Henry's brother, Thomas, carried on as a cooper and basketmaker in Bear Street until he gave it up to open a grocer's shop and when he and his wife died, their children Olive and Alec continued to run the shop until Alec died in 1971, followed by Olive in 1972. A lot of residents still remember the shop before it closed.

Charles Gowing in his memoirs tells us that Charles Abbott

An Archer photograph of Faiers Shop in Bear Street

followed Henry Faiers. According to the 1901 census Charles Abbott was a Watchmaker and Photographer, aged 38, living at Churchgate House, next to the High Street butchers. Little is known about Charles Abbott but at that time Charles Gowing was about to give up his bakery business to take up photography so he and Charles Abbott may have been in competition.

Charles Gowing had given up photography by 1920 and his place was taken by Tom Archer, who always signed his photographs TWC Archer. Tom Archer lived in Fen Street next to the old factory (now the flats) and took many photographs of Nayland during the 1920s and 30s. His work was very professional and his photographs of families and events were always well presented. Before he died, in 1936, Sidney Butler (son of Albert Butler who had taken over Gowing's bakery in 1901) bought up all Archer's photographic equipment and took over the work that Tom used to do for the local newspapers, village weddings and other events.

A lot of Gowing and Archer photographs were produced as postcards and were widely available to residents. Many of these postcards were used for their proper purpose of communicating and we are lucky that so many have survived. They show the many changes which have taken place in the village, the horse-drawn transport, the many shops and businesses which are no more, the changing street scenes and the smiling faces of people long gone. Despite the advances of modern photography we treasure these old images of Nayland's history which have a unique and evocative quality all their own.

Nayland Flower Show

NAYLAND WITH WISSINGTON COMMUNITY TIMES

Cup Winners 2010

Show day on 6th August saw a steady flow of over 200 visitors coming along to the Village Hall to view the high standard of entries at the 30th annual Flower Show. Despite missing a few regular exhibitors this year there were 350 entries, which is an increase of 30 on last years figure.

It was wonderful to see a good number of new exhibitors. Many of them, very happy with their successes and the good atmosphere of the day, say they look forward to returning next year. Unfortunately, despite our efforts at increased promotion the number of entries in the children's section was disappointing.

All the judges were impressed with the quality of exhibits despite the weather which every year seems to provide a different challenge. This year the hot dry spring brought some things on early, but the summer has not seen sufficient sunshine to ripen some produce in time for the show. Once again a torrential downpour the 3 days before the show left some exhibitors needing to find substitutes for their prize blooms.

Jo Reed from Leavenheath, with 56 points, won the Creems Cup for the highest number of points in the show. In second place was last year's winner Hazel Gardiner on 33 points and close on his mother's heels was Tom Gardiner on 29 points.

This is the first year the RHS Banksian Medal, for the highest number of points gained in horticultural classes, has been awarded and it went to Jo Reed on 37 points. Jenny Smith gained 22 points and Hazel Gardiner 18 points.

The new competitions for best scarecrow and best hanging basket received some creative entries. The Gladwell family's 'Mr and Mrs Scarecrow' was the winning entry, with Trevor Smy and Tom Gardiner second and third. Leo Baker won the hanging basket competition, with Jenny Smith second and Helen Gladwell third.

Prizes were presented to the winners of the Parish Council's best kept allotments competition, which was won by Stephen Osborne (although the plot is worked by Tom Gardiner and

Jackie Grant), with Trevor Smy second and Hazel Gardiner third.

Terry Bannister very kindly came along to present the trophies. Our thanks go to Terry and to all of our judges for returning once again. We are also grateful to all those who helped set up and dismantle the displays, Hazel Gardiner and Denise Drury for providing the teas, Anne Spencer, Sheila Sessions and Pauline Horrell for manning the door and produce stall, Mick Bond for running the raffle, the committee for their organisation skills and of course all the entrants who take the time and effort to take part and those coming along to support the show.

Meadow Cottages, Wiston Road, Nayland

Affordable Housing Scheme: Five Properties for Local People

A celebration took place at Meadow Cottages in Nayland on Friday 29 July when residents and guests from Babergh District Council and Mid Suffolk District Council came together to unveil a new garden bench for the new rural housing development.

Costing £665,000 the scheme of five homes, developed by Flagship and built by DCH Construction, received £250,000 from the government's Homes and Communities Agency. Situated on Wiston Road, the scheme comprises four two-bedroom houses, and one three-bedroom house, all for social rent.

The homes were built as a result of a Housing Needs Survey carried out by Nayland with Wissington Parish Council, Suffolk ACRE and Babergh District Council. The survey identified a real shortage of homes for young local residents.

Prior to their move, residents Helen Prince-Wright (28) and Tim Harper (31) were renting privately. They have two children, Thomas (3) and Madison (eleven weeks old). Helen said, "Paying for private accommodation meant we couldn't afford to save for a deposit. We wanted to stay close to Nayland because Tim grew up here and wanted our children to go to the same school. With both of us working, it really helps to have Tim's parents five minutes away for childcare."

Peter Lakey, Chair of Flagship said, "I am thrilled that we can show so many councillors from both Babergh and Mid Suffolk District Councils what we can achieve to address the real need for rural housing in Suffolk. Partnership working is the key to success with developments like these."

Guest of honour, David Wood, Chair of Babergh District Council said, "A lack of family homes will have an impact on a village community and this is why we need affordable housing as the social glue to keep schools, shops and other amenities available, to create sustainable communities."

Stour Valley Volunteers

Volunteers regularly undertake practical conservation work. If you would like to work outdoors in the beautiful Stour Valley, help your local environment and meet some new people, then why not join them?

- **12 October: River Clearance at Kedington.** Help Kedington Community Group clear their stretch of the River Stour.
- **26 October: Autumn Tidy Up at Hornestreet Field, Langham.** Cut and rake, pond planting and other maintenance tasks.
- **9th November: Pond clearance at Coes Meadow, Bulmer.** Remove overgrown vegetation to stop the pond succeeding into a reed bed.
- **23rd November: Pond clearance at Flatford.** Removing reeds and willow will open up the pond for pond dipping.
- **7th December: Pond Clearance & Repairs at Daws Hall, Henny.** Repair bat/bird boxes and clear the pond on invasive burr reed/willow for dipping.
- **14th December: Conifer Felling at Assington Mill, Assington.** Thin out conifers at this festive task to encourage native trees and woodland flora.
- **4th January: Ditch Clearance at Rowley Wood, Stoke by Nayland.** Clear overgrown vegetation and rubbish from a ditch to allow better drainage.

Calling again, all dogs, pups and pooches of the village....

Hello again....canines of Nayland and Wiston -

You will remember, how last year, I commented on how lucky most of you were in having thoughtful, well behaved owners- pedigree ones! Many thanks for your replies. Your howls and yelps were welcome. Good owners have always spared a thought for those of us blessed with only two legs, no tail, a limited sense of smell and the human desire to walk on the footpath or play on the grass. Many dogs snarled in recognition, that a few of them were unlucky enough to be walked by their humans who didn't clear up their doggy mess, on the Allotment Field, pavements and Caley Green. I know that some of you would do it yourself, if you could get your paws or teeth around the bag ties. Yes, I know that dogs remember everything but some less sensitive village homo sapiens have still been spotted bagging up poop but then leaving the bag on a path or greensward, forgetting it. You labs and hounds are not to blame for the incidence of *Toxocara canis* in the poop, which human scientists in all their cleverness, have linked to blindness and epilepsy in children and adult humans.

Let the canine fraternity be assured, that the Parish Council doesn't hold four legged creatures responsible. If only all the humans you own, could understand your urgent 'sixth sense' reminders about the spoiled carpets or flooring and the our

children ending up with spoiled shorts, sandals, flip flops, hands etc after playing in our public areas over the summer holiday. My word, what rich diets some of you have! The Council fully appreciates that you can't recognise the red colour of the homo sapien funded poop bins or read the labels on the Caley Green bag holder...even though you have six senses! You dogs are not expected to read the notices banning you from the Fairfield Recreation Ground and Village Hall grounds where humans walk and play. All is not lost, though. Fortunately, your owners, whilst having fewer senses to handle, DO have an ability to read; they are aware of the concept of responsibility; have a conscience and a sense of civic duty or village pride.

Despite your total innocence, my erstwhile plea to you remains this: when you are sniffing in a public area, stubbornly drag or lead your owner to a safe location and use those large, pleading, doleful eyes of yours, to remind your 'mummy' or 'daddy' to bag your 'doings' and then bark or growl if it is not deposited in a bin or taken home. Thank goodness you are an intelligent creature.

You would help fellow canine residents and their thoughtful owners avoid an undeserved bad reputation. As the Council receives an increasing number of exasperated complaints, I live in hope that you can communicate this message to your owner. The use, by the Parish Council, of village by-laws, dog wardens and fines seems an oddly cumbersome and costly human course of action, in encouraging something that is simply a matter of thoughtfulness towards fellow humans.

Meanwhile, best wishes to those planning to train their recalcitrant owner. Problem solved!

Gerry Battye, Chairman Parish Council
(and joint owner of our late 'Benny')

Babergh District Council Litter and Fly-tipping

Action that can be taken for the removal of litter and fly-tipping

- **Council website:** www.babergh.gov.uk

On the website go to 'Report a Problem' at the right hand menu. This page will include 'all other problems' such as litter and fly-tipping and how to report them on-line.

Alternatively there is a Street Cleansing and Fly-Tipping page on the website which gives further information including contact details and links for reporting.

- **Telephone:** 01473 826622 (general enquiries)

There is no direct telephone number for reporting as litter and fly-tipping are treated separately:

Litter is dealt with by the Open Spaces service and usually relates to street cleaning.

Fly-tipping is dealt with the Environmental Protection service as it is a crime which has to be followed up by an investigation.

There is no precise definition of the difference between the two but they can be described as follows:-

Litter is generally considered to be waste associated with eating, drinking and smoking which has been improperly discarded and left by members of the public. It can also be waste that has been spilt during business operations.

Fly-tipping is controlled waste i.e. household, commercial, industrial and clinical waste, which has been illegally dumped rather than being disposed of correctly.

All reports of litter and fly-tipping are followed through where it is building up to, or already at, an unacceptable level (a matter of judgement).

Dear All

I have a vivid memory from childhood of a porter shouting "All change!" on Wainfleet station, encouraging all passengers to change train for Skegness.

In my experience, most of us are not keen on change. Sometimes it has to happen.

We have to make changes in our five churches to our Sunday Worship pattern. This is really due to the fact that there are less of us who are available to lead worship, but there are other factors to consider as well.

In changing the rota lots of consultation has taken place and at a joint meeting on Thursday 15th September our church councils agreed to a trial for six months of the rota that appears elsewhere in this publication.

We have tried to ensure that each of the five churches retains its mix of worship, that there is specifically family friendly worship somewhere in the group each Sunday and that there is a good variety of styles of worship and worship leaders. If you are prepared to travel there should be something for you somewhere in our five churches on any Sunday. Of course most present worshippers will be loyal and regular in their own church, but occasionally a change may be as good as a rest as the saying goes!

In several cases, the start time of services has changed, so please watch out for this.

I do hope these changes don't cause people too many problems or concerns and that they may even make life easier for some. The whole thing will be reviewed again in six months time to see how it is going and whether or not it is beneficial. Please do pass on your thoughts towards this review.

With every blessing,

Adrian Mason

ASSINGTON MILL NEWSLETTER

Hope you are having a good summer. Here in the East of England we have had wonderfully sunny weather since about mid-March. Luckily our new Landshare Scheme allotments (we share the old kitchen garden with four other families) have the Assington Brook running on three sides, so the veggies have done amazingly well. We have been able to feed students on the courses with organic vegetables for the last two or three months, which was always the aim. In the strawbale owl tower constructed on a course here in 2008, the barn owls have had a successful season with three chicks raised out of four. All have been ringed, so we shall be able to trace them in the future.

Have a look at the website (<http://www.assingtonmill.com/courses>) where you will see all the courses on offer at present in much greater detail.

New topics for this year are:

- Family History, which will help you trace the family on the internet and then show you how to create a family tree with the information.
- Hunting with Harris Hawks, an unusual course for only four people. The birds will be looking for rabbits at this time of the year, and we shall have to keep the cat and the chickens shut in that day, just in case.
- Ghost Storytelling with professional Paul Jackson at Halloween, in the thatched strawbale storytelling hut (class of 2005) where we will sit in a circle around a fire.
- Scything, using Austrian scythes. The course tutor, David Mason, says that cutting grass and undergrowth with a scythe is much nicer than using a strimmer.
- I am hoping to put on Long-bow making, Blacksmithing and Rope Knot-tying, but haven't found the right tutors as yet. Can you suggest anyone?

Hope to see you in the forthcoming year.

Best wishes, Anne
