## NAYLAND DIAMOND JUBILEE CELEBRATION Street Party - Sunday 3<sup>rd</sup> June

You should already know that the Community Council are planning a day of fun on **Sunday 3<sup>rd</sup> June** to celebrate the Queen's Diamond Jubilee. There is so much happening and activities are being added by the day, so we still can't give you the final itinerary, but we will be displaying posters and delivering leaflets to every house in the village in plenty of time giving the details of everything that is planned over the whole of the holiday weekend. **Please see page 6 for more information and how you can join in.**

We will be shutting the road from Mill Street through to Court Street to allow us to party in safety! We would ask those of you who live in this area, including Fen St, Church Lane and Newlands Lane to please be patient with us and help us by moving your car by 9am on Sunday. We will be individually writing to everyone concerned to ask for their help – we have arranged for parking at the Village Hall for those concerned. The roads should be reopened by 3pm at the latest. We apologise for any inconvenience that this may cause you, but hope that you will come and join the fun, so won't need your car that day! If you have any queries about this please contact Alex Badman on 262994.

## COMPETITION FOR CHILDREN TO DESIGN A HERALDIC SHIELD FOR NAYLAND WITH WISSINGTON

Historically a knight would wear his coat of arms or shield on his armour to depict his identity and importance on the battlefield. The ancient art of designing, recording and awarding these very important symbols was known as heraldry. Every knight or family had their own unique pattern.

Nowadays you can often find designs mounted onto a shield representing the identity of a city, town or village. Our parish has never had a heraldic shield and we would like you to create a design unique to Nayland with Wissington.

Look inside for the entry sheet which tells you all about the competition. There will be prizes for two age groups; 8 years and under and 9-14 years and an overall winner will be chosen. The overall winning design will be reproduced onto a shield and displayed in the Village Hall (but not be officially adopted). All entries will form a colourful display on 3<sup>rd</sup> June at the village Jubilee celebrations and prizes will be presented during the afternoon.

The competition is open to all children 14 years and under who either live in the parish or attend Nayland Primary School or Woodland Corner.

The closing date for entries is **Monday 23<sup>rd</sup> April** (St George's Day) and they should be submitted to the boxes in the Post Office or the Primary School. Additional entry sheets will be available in these boxes.

If you have any queries please contact Steve Maguire on 263472 or sjmaguire@aol.com

## DIAMOND JUBILEE COMMEMORATIVE MUGS

The Jubilee Mugs have been ordered and will be available prior to the Jubilee celebration. Look out for details in the village of when they will be available.

## VILLAGE CALENDAR COMPETITION

This year's competition to generate photographs for the 2013 calendar is quickly approaching. There is no age limit, the aim is to make it an enjoyable community project.

**The closing date for entries is Saturday 28<sup>th</sup> April.** Further details, rules and an entry form can be found on page 9. Spare application forms are available in the Community Times box in the Post Office, online at [www.naylandandwiston.net](http://www.naylandandwiston.net) or from [lorraine.nayland@btinternet.com](mailto:lorraine.nayland@btinternet.com)

# NAYLAND WITH WISSINGTON PARISH COUNCIL

## Meeting: 8th February 2012

### POLICE REPORT

PCSO Amanda Colman's report stated there had been one crime in the last month; criminal damage to a window on Harpers Estate.

### DISTRICT COUNCILLORS REPORT

Richard Cave reported on Babergh's budget proposals.

### COUNTY COUNCILLORS REPORT

James Finch reported on the County Council's budget; the broadband development survey which is now open to residents; mobile libraries; Nayland Primary School expansion; work to prevent flooding on the A134 near Bear Street and the need for another on-call firefighter at Nayland.

### ALLOTMENT FIELD

Following a meeting with Neil Catchpole, Landscape & Biodiversity Officer for Dedham Vale AONB Stour Valley Project, the working party is exploring the options available and possible sources of income for the field while preserving the ability to extend allotments in the future.

Rules and conditions for allotments would be discussed at the March meeting.

### HORSE WATERING

Councillors agreed Mary George's proposed planting plan to retain existing bushes, add ground cover plants and install a rail between the existing posts. Quotes for a railing will be sought.

### OUTDOOR FITNESS EQUIPMENT

A small number of completed questionnaires have been received and opinions so far were 50/50 for and against the idea for outdoor fitness equipment in Nayland. The Youth Club will be asked for their views.

Tricia Fuller said advice had been sought from Kate Lowe, Babergh's Play Officer, who has compiled a procedure plan relating to all similar outdoor work which will be useful.

### DOG FOULING

Councillors made their choice from Babergh's dog fouling poster samples. Thirty posters will be ordered and put up round the village.

### JUBILEE TREE PLAQUE

Councillors agreed on the size, wording and quotes for the new plaque. It would state: "This Hornbeam tree was planted on the site of the Village Pound to commemorate the Diamond Jubilee of Her Majesty Queen Elizabeth II June 2012. The tree is adjacent to the position of a copper beech tree planted in 1935 to commemorate the Silver Jubilee of King George V in 1935 felled due to disease in 2010".

### HIGHWAYS

Councillors felt Highways had done an excellent job gritting the roads in the recent snow, including Heycroft Way and areas of Wiston. The grit boxes will be refilled.

Following a site meeting James Finch was in negotiations with Highways regarding possible further traffic calming measures to the Horkesley Road approach to Anchor Bridge.

Following concerns raised about faded road markings in Birch Street Highways have said yellow lines in the village will be redone in the spring.

### FOOTPATHS

For a footpath report Sally Bartrum is identifying stiles that may be difficult to negotiate. Councillors felt that if any stiles needed replacing they would like self-closing gates to be considered as stiles and kissing gates restrict pushchair and disabled access.

The new anti-slip surface on the footbridge by Horkesley Lock will be monitored further.

### Planning:

Reviewing recent planning applications, Mrs Fuller said those granted included felling of two cherry trees and pruning of 2 Yew trees at Alton Court and extension at the Primary School for 2 classrooms, library facilities and toilets, alterations of external play area to include cycle storage with conditions relating to approval of a travel plan for pupils, approval of a construction method statement, staff and visitors; exterior finishing; landscaping; development of secure cycle parking.

Planning had been refused for the erection of a two-storey and single storey rear and side extension and erection of a single storey detached outbuilding at 95 Bear Street as it was contrary to policies relating to scale, mass and form and was of unsympathetic design, detrimental to the dwelling and the street scene.

Councillors had no objections to the felling of a Leylandii at Shadelows House, Gravel Hill or to an application for electricity line upgrade on land east of Harpers Hill.

The Council had written supporting Babergh's enforcement notice relating to use of accommodation as a separate unit at Lower Courtwood, 13a Court Street.

An application for erection of single-storey extensions at Loretto, 6 Church Lane, would be discussed following the meeting.

### IN BRIEF

The independent risk assessment of trees by John Moore is likely to take place in w/c 20<sup>th</sup> February.

Debbie Hattrell will find out details of the training available for managing the Council's web pages.

It has been established that Suffolk County Council are responsible for Caley Green and an agreement with them for maintenance needs to be formalised. It was noted this may save the Parish Council the cost of a grass cut per year.

The Parish Assembly will take place on **Monday 30<sup>th</sup> April** at 8pm in the Village Hall.

# NAYLAND WITH WISSINGTON PARISH COUNCIL

## Meeting: 14th March 2012

### Public Forum:

Mike Hunter suggested the Council consider displaying rights of access on the allotment field. Mr Battye said a sign had been in place in the past.

### Police Report:

PCSO Amanda Colman's report stated there had been four crimes in the past month; burglary in Crawley Road, burglary in outbuildings in Gravel Hill, burglary in Stoke Road, payment with a counterfeit £20 in Birch Street. There would be additional police patrols on night shift to check vehicles in the area.

### Parish Councillors:

John Rix has resigned from the Council due to work commitments. If Babergh receive requests from the public a replacement will need to be elected.

Councillors agreed that standing orders should be amended to include that a chairman does not serve for more than five consecutive years, and a vice chairman 2 consecutive years. This may be extended by one year if another councillor does not come forward to replace them.

### Primary School:

Concerns were raised whether the conditions laid down when planning permission was granted for an extension to the school would be effective in reducing traffic problems in Bear Street. It was agreed that concerns would be expressed to the County Council. Trisha Fuller and Hector Bunting would contact the school for details of their travel plan and discuss possible solutions.

### Future of the Allotment Field:

A meeting with Neil Catchpole, Landscape & Biodiversity Officer for Dedham Vale AONB Stour Valley Project, had opened ideas and pointed the working party in the direction of other organisations. It was suggested an allotment association could be formed to manage the whole field or just the allotment area with another community group managing the field. After some discussion it was agreed a meeting with the allotment holders should be organised to hear their views and ideas.

### Allotment Conditions:

Following discussion on the need to amend rule 5 regarding selling produce it was agreed the rule should remain unchanged. It was agreed to include a rule stating only Nayland with Wissington residents are eligible for allotments. The rule regarding trees in allotments would be discussed at the next meeting. Discussing whether allotments should be numbered, Tom Gardiner said Capel St Mary allotments had a good system of numbering.

### Planning:

Reviewing recent planning applications, Mr Battye said those granted included felling of a flowering Cherry tree at 43 Bear Street and the reduction of a Silver Birch by 30% at 15 Court Street.

Between meetings councillors had no objections to erection of single-storey extensions at Loretto, 6 Church Lane, to a first

floor extension at Sargents Farm, Wiston. They had no objections to erection of a two-storey and single storey rear and side extension and erection of a single storey detached outbuilding at 95 Bear Street but had concerns regarding the potential use of the outbuilding. Work on the erection of a new outbuilding on the site was noted.

Councillors had no objections to removal of a Norwegian Spruce tree and crown reduction of a Holly tree by 30% at 4 Birch Street.

Councillors had objected to an application at Jasmine Cottage, 32 Newlands Lane for single-storey side extension and garage, erection of a front porch and the cladding of part of the existing dwelling on the grounds that use of upvc would compromise the heritage value of the property.

### Highways:

The Community Council have suggested having a permanent sunken fixing and protective cover to house the Village Christmas tree. Gerry Battye will liaise with Bryan Smith on this possibility.

Councillors expressed concern that Highways had not replied to their request for further traffic calming measures on the Horkesley Road approach to Anchor Bridge. James Finch said he had not been satisfied with Highways' proposals and costs but councillors felt they needed a direct response from SCC as they were accountable to residents of the parish.

### Open Spaces:

Posters for the dog fouling campaign had been received from Babergh.

There had been a poor response to the questionnaire on the need for outdoor fitness equipment so the project will not be pursued.

Will Hitchcock said the response to the possibility of new play equipment on Fairfield Recreation Ground had been poor. It was agreed to commit the 106 funds to this project and seek a sub committee of parish councillors and others to take the project forward.

### Tree Survey:

Mary George gave details of trees identified in the independent risk assessment as needing attention; 1 on Fairfield Recreation Ground and 1 in a neighbouring garden, 2 in the Village Hall car park, 1 on the boundary of Webb's Meadow.

On the burial ground there are 2 trees which are virtually dead and need to be removed and there are 2 sets of limes which need to be pollarded.

The whole hedge along the allotment field is top heavy and the Dedham Vale Project will be approached for help. A dead tree on Caley Green was reported two months ago to Suffolk County Council who are responsible but there has been no response.

### Village Hall:

Councillors had no objections to the volunteer dealing with the rabbit problem on Webb's Meadow.

Mary George said there was some debris on the bonfire site.

### Jubilee Street Party:

Details for 3<sup>rd</sup> June are still being finalised; there would be a duck race in Fen Street, a street party in the High Street and screening of the Thames pageant in the village hall during the afternoon. During the day there would be entertainment, presentations and other activities. Road closure has been applied for.

The Nayland with Wissington Jubilee mugs have been ordered. Requests for free mugs for children of the parish had been lower than expected.

### Parish Assembly:

Councillors felt the Parish Assembly needed revitalising and a four minute slot for each speaker followed by questions was favoured. A flyer promoting the event would be distributed. It would suggest topics on which questions and ideas from the public would be welcome.

### In Brief:

James Finch requested the application for locality funding towards the intelligent lighting system was resent to him.

There were no objections to a request for a further inscription to an existing memorial in the burial ground.

**PRESENTATION BY THE FREEMASONS**

Kirit Bedia, Worshipful Master of Court Knoll Lodge 9194 of the Suffolk presented Nayland with Wissington Community Council with a £1044.56 cheque. Mr Bedia said the lodge, who met in Nayland, wanted to support local charities and asked for the money to be divided between Woodland Corner, the Youth Club, Nayland Over 60s and the Mother and Toddler Group.

**CHAIRMAN'S REPORT**

David George recapped on the activities over the past year which had been very successful. He thanked those who enable the Community Council's regular activities; the calendar team had done very well once again and he looked forward to next year's production; the Community Times team and Pat Bray for keeping the village aware of what was going on; the Christmas tree team for ensuring a festive display despite the weather!

The year's events began with the Village Festival which had been a superb display and a huge effort by so many. The Village Quiz, organised this year by the Bell Ringers, was a very enjoyable evening. The Christmas Fayre, this year led by Alex Badman, had once again been a fantastic afternoon. He said thanks were due to all those who help make these events so successful. Reminiscing on the history on Firework Night, he said it had grown from humble beginnings into a spectacular display drawing spectators from some distance under the leadership of Andrew Gowen and his band of helpers. David thanked Iain Wright for his valued contribution to various activities and to Jill Badman for taking the lead on the coming Diamond Jubilee Celebrations.

Grants totalling £2001 had been granted to the Village Hall, the Youth Club, the School Choir and residents of Nayland House.

The Community Council successfully nominated Kathy Hunt to receive a Babergh Achievement Award and David pointed out that three serving committee members had received awards; Ken Willingale, Hazel Gardiner and himself.

David thanked all the village societies and their representatives for their support. He thanked Mandy Cook and Chris Hunt who are resigning from the Executive Committee for their contributions, Bryan Smith for his dedication as Treasurer and Jenny Smith for taking the role of Chairman for the first half of the year. Jenny added she was very grateful to David for taking over the reins.

Finally he reminded the meeting that he was seventy eight years young and although still very active he felt it was time to resign from the Executive. He hoped young blood would come forward with fresh ideas.

**TREASURER'S REPORT**

Bryan Smith distributed a copy of the accounts. He reported a good year with income up by £2,000 - main contributors to the income were: Community Times nearly £2,000, Bonfire Night £1,200, Calendar just over £1,000, Village Festival £900. Grants totalled £2,001 to: Village Hall £1000, Youth Club £700, School Choir £250, Christmas gifts to residents at Nayland House £51. Unencumbered assets stand at £17,670.66. The accounts were audited by Richard Cave and we thank him for his diligence.

**ELECTION OF OFFICERS**

Alex Badman was elected as Chairman. Other officers were re-elected: **President** Ken Willingdale, **Vice President** Bryan Smith, **Vice Chairman** Jenny Smith, **Treasurer** Bryan Smith, **Secretary** Lorraine Brooks, **Executive** Tricia Hall, Hazel Gardiner, Colin Ramsell, Will Hitchcock, Vicki Sargent, Karen Elliott & Iain Wright, **Individual** Claire Prescott. David George, Mandy Cook and Chris Hunt have resigned.

**CC Notice Board:** Alex Badman was thanked for inserting the cork backing. He will sort out the problem with the door. Key holders will be appointed by the new committee.

**Village Christmas Tree:** The possibility of having a permanent sunken fixing and protective cover would be explored when new owners of The Estate Office were known. The land is

owned by Highways but the Parish Council should be contacted in the first instance.

**Grants:** Bryan Smith pointed out it is important to adhere to the grant procedure as defined in the Constitution: *Requests for financial grants for projects for social or charitable purposes shall be considered by the Executive Committee who shall make recommendations to the General Council for decisions. Should urgent or emergency action be necessary, the Executive Committee is empowered to act.* Wherever possible decisions should be made at meetings.

Will Hitchcock said the CC are good at amassing funds but raised the point of whether people knew grants were available. Bryan said grants were available to village groups and individuals and there was no strict criteria as long as grants requested were for a good cause and they were approved by the Executive before being recommended to members.

**Community Times:** Lorraine Brooks thanked all who support the CT; proof readers, Colin and the distribution team, those who contribute copy and the advertisers. She thanked Graham Griffiths for hosting the village website.

**Village Calendar:** Plans were in hand for the next calendar competition – deadline for entries is 28<sup>th</sup> April. It is hope Executive members will enter and society members will enter photos of their activities. Photos of Wiston are also being encouraged. We are grateful to the 12 sponsors who are supporting the calendar.

**Jubilee Celebrations:** Jill Badman said 300 mugs will be ordered. Applications for free children's mugs has been lower than anticipated at only 119.

Volunteers are needed for short periods on the day for various tasks including face painting, help with teas in the afternoon, setting up and putting away. We hope having a free prize draw will give a guide to numbers planning to attend.

**Village Quiz - Friday 5<sup>th</sup> October:** No group has volunteered to organise the quiz. Members felt Jill Badman's suggestion of asking several societies to compile a section each should be followed up.

**Christmas Fayre - Sunday 2<sup>nd</sup> December:** Alex said he has contacted most groups and stallholders and almost all are in favour of changing the Fayre from Saturday to Sunday.

**SOCIETY REPORTS**

**RBL:** Andrew Gowen said there are a few seats left for their outing to the Maritime Museum at Greenwich and the Cutty Sark on 22nd March.

**First Response:** Andrew Gowen reported the First Response team was desperately short of volunteers and currently unable to provide a 24-hour service. It is not onerous and is very rewarding. Training is given.

**Choir:** Hazel Gardiner said they were performing a Jubilee concert on 17<sup>th</sup> March. There would be a summer concert.

**Village Players:** Jenny Smith said performances of *Lady of Letters* and *The Real Inspector Hound* run from 29<sup>th</sup> to 31<sup>st</sup> March.

**Village Hall:** Iain Wright expressed concern at the poor attendance at their AGM and asked for more support from village organisation, adding the hall belongs to everyone. The public can attend monthly meetings and volunteers from groups who use the hall would be welcome to join the committee.

Andrew Gowen said the next Village Hall garden working party would be on 31<sup>st</sup> March from 9am.

**HortSoc:** Trevor Smy said Terry Illsley was talking about *The Victorian Garden* on 20<sup>th</sup> March, the Spring Show was on 24<sup>th</sup> March and the AGM and Fun Quiz on the 17<sup>th</sup> April. Please contact Hazel Gardiner if you have anything you could include in the 1950s exhibition over the Jubilee weekend. There are a few seats left for the outing to East Ruston. The Summer Show Schedule will be available on 20<sup>th</sup> March.

# VILLAGE CALENDAR COMPETITION

Set out below are the competition rules for photographs submitted for the 2013 Nayland with Wissington calendar. Photographs reflecting any of the 12 months of the year may be placed in the Community Times box in the Post Office. Spare application forms will be available in the box or from [lorraine.nayland@btinternet.com](mailto:lorraine.nayland@btinternet.com).

We welcome photographs which represent our beautiful parish and our thriving community; this may include scenic views, community activities and events (*and there were many in 2011 including the Village Festival*), architectural and natural features, street scenes, any seasonal aspect of the parish, including the weather! The images should however, be clearly recognisable as being in Nayland or Wissington.

It is necessary to remember that photographs of children must have parental knowledge and consent and whilst it is fine to photograph people participating in a public event, any bystanders must be agreeable to publication.

Sponsorship has been received for each month and we take this opportunity to thank these local businesses and organisations for their participation.

The Community Council look forward to your participation in the presentation of our 'Village' calendar. There is no age limit, the aim is to make it an enjoyable community project.

NB: Photographs will be mounted by the committee and on display in the Church Hall between 1.30pm-4pm on Monday 7th May.

## Rules of Entry:

- The competition is open to residents of the Nayland with Wissington parish, and those who work in the parish or are active participants in parish societies.
- A maximum of 5 photographs per person may be entered.
- Photographs should be landscape orientation, 7" x 5" in size (*or within ½" variance*), have no border and be colour prints of images captured in Nayland or Wissington.
- Photographs must not be digitally enhanced.
- If photographs include children parental consent must be obtained by the entrant.
- The entrant's name and address should be included on the reverse of the photograph.

- Photographs should be placed in an envelope with a completed application form.
- If you require your photographs to be returned to you a stamped addressed envelope should be enclosed.
- Entries may be submitted to the Community Times box in the Post Office from the beginning of April. The closing date for entries is **Saturday 28th April** (*please note the Post Office closes 12.30pm on Saturday*).
- Judging will take place on **Bank Holiday Monday 7th May** in the Church Hall. **The display of photographs will be on public show from 1.30pm-4pm.**
- The judge's decision will be final.

Once again we are preparing for the fete with the usual mix of stalls and side-shows and of course this year the Jubilee adds an even more colourful note to the proceedings.

We would like to take this opportunity to thank Chapmans for their very generous sponsorship of the Victory Jazz Band since 2002. Their support has been very much appreciated as a contributor to the Fete's financial success.

We are pleased to announce that Reeman Dansie, the Colchester auctioneers, are to be one of our Fete sponsors this year. We are very honoured to have this vote of confidence from a major Colchester business.

## NAYLAND & DISTRICT EMERGENCY FIRST RESPONSE TEAM

We are trained and equipped to administer oxygen, deal with cardiac arrest, respiratory problems and administer first aid. We are alerted by a 999 call asking for medical assistance and aim to arrive on the scene well before the ambulance. We formed in April 2007 and receive some 10 call outs a month well over 500 calls in all. The reaction from people we have helped has been very positive and the ambulance crews who we are supporting are very helpful and welcome our participation. Probably the most useful element of our role is to give support to distressed people while they wait for the ambulance. It is a very satisfying role and not too arduous.

**Our main requirement is more volunteers if we are to continue to provide a 24 hour Service.**

### What being a First Responder Involves

You are initially trained over one weekend and you have a 20 minute assessment on the following weekend. We meet every 6 weeks or so for continuation training. It is also an opportunity to share experiences as every call out poses different challenges. We have an annual assessment.

The basic shift is 12 hours (8am-8pm; 8pm-8am) but this can be varied to fit in with your availability. You do not have to be on duty at night – the choice is yours. We would hope that a volunteer would give us 12 hours a week. Many of us do more.

We sign a confidentiality agreement and do not pass on personal details of the patients we help.

**Being a First Responder is a very rewarding experience and we recommend it to all of you –  
so please come and join us.**

## ROYAL BRITISH LEGION

Secretary: Andrew Gowen 262534

Chairman: Ken Willingale 262531

At our meeting on 19 March we were joined by Captain Richard Channon RN from Stoke who gave us a short talk on his time in the Royal Navy and his experience of commanding a Nuclear Submarine. It was a great addition to our meeting.

Some 28 people had signed up for our coach trip to the National Maritime in Greenwich. We hope that a similar number will join us on our visit to Chatham Dockyard on the 18<sup>th</sup> July. Visits are also being organised to the Boxted Airfield Museum and to Parham Airfield Museum later in the year. All will be open to wives and non members.

Our next meeting is on 14 May at the Anchor and we look forward to seeing a strong turnout.

## THE VILLAGE LUNCH

Our next village lunch will be held on Wednesday 18th April when James Grinter of Reeman and Dansie will give a talk on 'The Antique Roadshow'.

The lunch will be held in the Village Hall, 11.45 am for 12 noon, with lunch at 1pm. Tickets, priced £10, will be available from 19th March at Nayland Post Office (*afternoons only*).

## HORTICULTURAL SOCIETY

Sec: Lorraine Brooks 262807  
lorraine.nayland@btinternet.com

[www.naylandhortsoc.org.uk](http://www.naylandhortsoc.org.uk)  
Chair: Trevor Smy 262022

Our horticultural year began on 20<sup>th</sup> March with an interesting talk by **Terry Illsley** on '*The Victorian Garden: the golden age of gardening*'. The Victorian period was celebrated for its progress, invention, new ideas and discoveries and improved transport gave rise to use of non-native plants and exotics. There was a desire for gardens with ostentatious features, following the latest fashions and themes. Lancelot 'Capability' Brown, Joseph Paxton and Gertrude Jekyll were influential pioneers of the period.

The **Spring Flower Show** will be held on **Saturday 24<sup>th</sup> March** - just after this issue of the Community Times goes to print so results will appear in the next issue and on our website. This year's weather has proved very different to last year when we experienced a very cold winter followed by a warm spring so it will be interesting to see what exhibitors are able to produce for the display.

On 31st March at 9.30am, during the Village Hall garden working party, a commemorative plaque will be positioned by Olive Willingale's tree in HortSoc's section of the garden.

We now look forward to the **AGM and Fun Quiz on Tuesday 17<sup>th</sup> April** at 7.30pm in the Church Hall, Bear Street. The fairly brief formalities will be followed by refreshments and a fun quiz with horticulture in mind. Anyone interested in the Society is welcome to come along and see what a friendly bunch we are. Of course, membership for 2012, which is amazing value at just £2 for single or £3 for joint membership, will be available for those who are interested. Application forms are also available on our website or from Lorraine or Trevor.

Following an interesting talk on *Gardening for Wildlife* at the joint meeting with the Conservation Society by Shirly Boyle, head gardener at the **RSPB Flatford Wildlife Garden**, we hope to **visit the Flatford project on the 11th May**. This will be a visit by car so we hope some members would be willing to drive other members - please let Lorraine know if you are interested in coming. The plan is to leave Nayland at 2pm. Entry to the garden is free. The National Trust's Bridge House Tearoom is a stone's throw away from the garden for those who would like refreshments.

On **Saturday 26<sup>th</sup> May** our annual **Morning Market** takes place in the Church Hall, Bear Street from 9.30am. Plants, including bedding and vegetables, books, delicious cakes and preserves will be on sale, and there will be refreshments and a raffle. Donations for the raffle and stalls would be much appreciated. These can be brought along to the Church Hall from 8.30am on the morning of the Market or they can be left with a committee member during the week leading up to the event. This fundraising event helps generate funds to stage our annual Summer Flower Show.

Our coach outing on **13<sup>th</sup> June to East Ruston Old Vicarage Garden & Blacksmiths Cottage Nursery**, has proved very popular and is almost fully booked so please check for availability if you are interested although we will run a waiting list - further details and a booking form can be found on page 17.

Schedules for our 31<sup>st</sup> annual **Flower Show on 4<sup>th</sup> August** are currently being distributed locally with additional copies available from the Post Office, Kerridge's, on our website or from Lorraine or Trevor. HortSoc are grateful to our advertisers who have enabled funding of this promotion. We have introduced a few new classes: sweet peas, collection of fruit (3 or more varieties), and a novelty class for the longest runner bean. Following the fun of last year's Scarecrow Competition this year it has been opened up so that anyone or any family living in the parish may enter. It would be delightful to see many 'new residents' popping up all round the village!

To celebrate the **Diamond Jubilee of Queen Elizabeth II** HortSoc are planning an exhibition of 1950s memorabilia, flower display and Wendy Sparrow is displaying photographs of royal celebrations in Nayland - more details on page 11. If you have any items which you would be willing to include please get in touch with Hazel Gardiner 262582 or Wendy Sparrow 262820. Forthcoming events include:

## NAYLAND AND DISTRICT WOMENS INSTITUTE

Secretary: Jeannette Finch 262993

On 20<sup>th</sup> February Margaret Club began her talk by describing the lead-up to her memorable day and the preparation beforehand of choosing an outfit and booking an overnight stay in London for herself and family. On the day everything went smoothly and she received her MBE from the Queen. A day she will always remember. Margaret then passed round letters and photographs which we all enjoyed. The talk was really good.

The vote of thanks was given by Pam Baker. Our secretary, Jeannette Finch, read out last month's minutes and Lorna Rumsey suggested members bring any mementos of the Queen's reign to the next meeting. Flower of the month was won by Barbara Osborne and Barbara Bungay won the raffle.

On 22<sup>nd</sup> February members attended Lorna's coffee morning which was very pleasant.

On 19<sup>th</sup> March, after completion of business, several souvenirs of the Queen's reign were displayed on a table and members voted for the best depicting happenings of interest. We then stopped to enjoy the excellent party food brought by committee and members. Following this we had a twenty-five question competition of dates and events which took place over Queen Elizabeth's lifetime. This was much enjoyed.

Pat Dewsbury then read out a very amusing piece of prose and Pam Baker read a hilarious poem. The raffle was won by Olive Noakes and Barbara Osborne won the flower of the month.

On 22<sup>nd</sup> March Shirley Stiles will be holding a coffee morning at her home at 10.30am.

Our next meetings will be: on 16<sup>th</sup> April Joan Smith will talk about *The History of Fans*, on 21<sup>st</sup> May there will be Resolutions and BeetleDrive, on 18<sup>th</sup> June Gillian Beckett will talk about *Decluttering Your House*, and on 16<sup>th</sup> July there will be an outing to RHS HydeHall.

## NAYLAND ART GROUP

Daphne Berry 262641

## NAYLAND CINEMA

Chris Thompson Secretary V.H.M.C.

On **Friday 20<sup>th</sup> April** we will be showing the film **My Week with Marilyn** starring Michelle Williams, Eddie Redmayne and Kenneth Branagh. This film is about Marilyn Monroe's visit to London with her husband the playwright Arthur Miller, to make the film *The Prince and the Showgirl* and her uneasy relationship with her co-star, Laurence Olivier. In keeping with the film we will be playing some music from the 1950's in the interval.

On **Friday 25<sup>th</sup> May**, we will be showing the Steven Spielberg film **War Horse**.

The doors open at 7.30pm the film begins at 8pm. We have an interval for drinks and chat. Tickets cost £5. Do make a date in your diaries for these events.

## BOWLS CLUB

Secretary: Eva Rolfe 263151

The results for the last two months are extremely pleasing, Tattingstone at home we won 10-0, Harkstead away a venue we were not so sure of, we adapted well to win 9-1. The last match for February we knew was going to be a tough one Rivers did not want to come second to anybody least of all us, the first two teams managed to take control of their games and never really looked like losing, both securing a good shot score. The second two teams had much harder games, and despite holding on until the last ends they both lost their games on the last end, but at least managing to keep their games that close we held on to our shots advantage, winning overall 6-2.

In March we beat Somersham 6-4 at home and when Stratford St. Mary came to us we won 8-2. By the time you read this we will have played Elmsett away, according to the mathematicians in the club we are now the Division 3 Champions with no-one able to score enough points to catch us. I hope that in the June issue I can confirm this.

On February 25th those bowlers in the club who were free gathered in the village hall to compete in a memorial match for one of our founder members Margaret Moore. The bowlers were divided into three groups for a round robin session, the three group winners Dorothy Bishop, Chris Everitt, Sylvia Bond and the highest scoring runner up Mervyn Farthing were drawn into the semi-finals, resulting in a Sylvia Bond v Chris Everitt final which Sylvia managed to win. This was a day enjoyed by everybody who took part, with a midday lunch and a raffle, a fun event, which we hope to make an annual event.

Our charity day for this year has been cancelled due to the Jubilee celebrations which fall on our usual weekend, moving our date will be impossible as we then start to clash with other competitions.

*Sylvia Bond*

## THE FRIENDS OF ST. JAMES' CHURCH, NAYLAND

Registered Charity Number 1052641

Chairman: Alan Edwards 262800

The **Gourmets Coffee Morning** on February raised a record £517 and sold out completely of all the lovely home made items!!! Our thanks in particular to Hazel Gardiner and the many other whose efforts made this such a success.

The **Friends Annual General Meeting** held on March 3rd was attended by about 30 members. Members were pleased to hear that all the repairs required by our Architect for St. James' are about to be started: The Friends are meeting the cost of these which will be about £10,000. In addition, The Friends now have a new list of "Wishes", projects which we hope in the

- Improvements to the presentation of the Stations of the Cross
- New notice boards in the porch
- Improving access to the Village Hall by making proper entrance / exit steps in the churchyard wall and possibly a footpath from the porch to the new entrance
- The repainting of the interior of St. James

We hope that, with the help and guidance of the Fabric Committee, we can achieve all these. In the meantime, we have a substantial cash balance, even after we have paid for the repairs, which we will invest in longer term funds, giving us a much improved return.

We are starting to get organised for the JAMboree on October 13th, to be held, as usual, at 10am in the Carver's Barn. If you can donate any sugar or jam jars, it will be much appreciated. We prefer granulated or preserving sugar and jars of 12 oz size - like Wilkins of Tiptree, or smaller, if you have them. Please leave anything you can donate for the JAMboree at the back of 15 Birch St.

The Nayland Choir concert performance held on 17<sup>th</sup> March in St James Church Nayland was our chance to start celebrating the Queen's jubilee year. The programme consisted of music from and for royal occasions. There were pieces written by Henry VIII through to Zadok the Priest and on to music performed at the Royal Wedding last year.

**Our next performance will be 23<sup>rd</sup> June at the Village Hall. The programme will consist of folk and traditional songs from Britain and further afield.**

Rehearsals will start at 8pm on 12<sup>th</sup> April. New members are always welcome to come and sing. We don't hold auditions. We rehearse in Nayland School on Thursday evenings 8 till 10pm. For more details please contact Teresa (01787 210148)

## NAYLAND FUNDRAISING COMMITTEE

Secretary: Jill Badman

Thank you to everyone who came and supported our Coffee Morning on Saturday 10<sup>th</sup> March when we raised the wonderful sum of £456 for the NSPCC's Child Protection Unit in Ipswich. We have supported the work of this unfortunately essential unit for a number of years and are delighted to be able to send them such a sizable sum in these difficult times, we know how much they appreciate it. Many thanks to everyone who baked cakes, donated goods, bought raffle tickets and came along to support us.

We are currently planning an event for the Autumn, so keep a look out for details.

## TRANSITION NAYLAND

[www.transitionnayland.co.uk](http://www.transitionnayland.co.uk)

Will Hitchcock T: 263169 M: 07768 435719 E: info@transitionnayland.co.uk

This month has seen the Transition Nayland team collaborating on a number of local projects:-

Nayland Primary School – over the last few weeks, members of our team have been helping the school children to plant out their new wildlife garden in the school grounds as well as planting a number of Rowan, Cherry and Birch trees in the woods belonging to the school. We also met with representatives from Rexel Senate Renewable Energy Division. We'll be supporting the school on a forthcoming project aimed at increasing energy efficiency by replacing existing lighting with new energy efficient lighting and movement sensors in addition to installing smart meters enabling the school to monitor energy use closely.

Transition Sudbury - We recently had a meeting with members of another local Transition group based in Sudbury. Transition Sudbury have set up a successful Reward Card Scheme with Sudbury Town Council – a loyalty card to encourage people to shop locally, thus supporting local jobs and services. If you would like to find out more about the scheme please email j.hatton01@btinternet.com. Transition Sudbury are also holding a forum on climate change and sustainable living on 11<sup>th</sup> May, 7pm at Sudbury Upper School. MP Tim Yeo will be joined by a panel from a number of regional groups, including Will Hitchcock from the Nayland Transition group.

Green Energy Nayland – We are also working with GEN and Transition Bures in the feasibility stages of 2 solar schemes on community buildings in Bures, similar to the scheme used by Nayland School. Watch this space for further information and hopefully another investment opportunity.

Finally, we will be having our usual Summer Solstice stroll on Saturday 23rd June, setting off from the Anchor car park at 3pm. Please do come along with your family.

## Nayland Village Quiz – Friday 5th October

A new twist on the winning formula of previous years...

To share the work load around would each organisation related to the Village like to nominate a person to set 10 questions, which may or may not be related to the organisation (for example 10 questions on plants/gardens, 10 on old buildings in Nayland, 10 on events in the Village Hall and so on).

The Community Council would be delighted if the question setter would then attend on the night to act as a 'marker' as they obviously can't take part in the quiz!

There will be further details in the next issue of the Community Times, but please would all groups/businesses/schools etc put their thinking caps on and nominate a questions setter.

It isn't Mastermind, but we think that this should make for some very interesting and varied questions.

There may even be a prize on the evening for the best set of questions!

If you have any queries please contact Alex Badman 262994 alex@badman-consulting.co.uk

### VILLAGE PLAYERS

[www.villageplayers.co.uk](http://www.villageplayers.co.uk)

Chair: John McCarroll, 01473 822251

Membership: Gale Scott 01206 262061

Hopefully many of you will have come to our last productions at the end of March, the Alan Bennett monologue Lady of Letters and Tom Stoppard's The Real Inspector Hound. As always there were some great performances and amazing support from the backstage team but special mention must be made of Peter Drew in his directorial debut. Peter has been one of the Village Players' stalwarts for many years and it has been fascinating (and very rewarding from our perspective) to see him use his talents as a director. All of us have been impressed with the sheer amount of hard work and detailed planning that he has put into the productions, and I am sure this will be only the first of many productions he will direct for the Players.

Both plays were made all the more enjoyable for us by having some new faces amongst the cast. Chrissie Cropper returned to the Players after a long absence to take on the incredibly challenging Lady of Letters role and was by common consent amazing - to learn and deliver a 45 minute monologue is one thing, but to do it in so moving a fashion was a magnificent achievement. The Real Inspector Hound saw us joined by three very experienced actors, Jackie Grant, Carl Duffy and Joe Sales who threw themselves into the absurd goings-on with great professionalism. We hope they all enjoyed their debut at Nayland and will return before too long.

Our AGM will be held at 8pm on the 11th April in the Church Hall on Bear Street, where in addition to discussing our next Christmas production, Chris Hawley's Fire and Ice, I will be relinquishing the role of Chairman. I would love to say I'm taking a break because its been such hard work but that wouldn't be the case, as I have been supported (some would say carried) by a super committee who have repeatedly given up their time and worked tremendously hard to ensure that the Village Players continue to maintain the high standards for which we've become known. My successor will be the redoubtable Gale Scott, who has been an integral part of the Society for several years now and is already an indispensable member of the Committee, and I hope she will have as much fun in the role of Chair as I've had!

Lots of thank you's from Woodland Corner this month. We made over £220 at our Mother's Day cake stall. A big thank you to all those who braved the grey, drizzly weather to come and buy cakes – and thank you to Kerridge's for letting us hold the sale outside the shop – a prime location!

Thank you to those who came to our Boden party too. We turned Woodland Corner into a boutique for the evening and gave people the opportunity to enjoy a glass of wine whilst browsing Boden clothes – a percentage of all purchases will be coming to Woodland Corner and with the 20 per cent off as well it made us all feel a bit more justified in a bit of retail therapy!

Thank you too to the local Freemason's Lodge who kindly donated £261.14 to support Woodland Corner – we really appreciate you thinking of us and will certainly be able to put the money to good use.

And finally, good luck to Matthew Keep – husband of Woodland Corner's very own Caroline – who is running the Brighton Marathon on Sunday 15<sup>th</sup> April and raising money for Woodland Corner in the process – we will all be with you in spirit Matthew!! If you wish to sponsor Matthew you can visit his fundraising webpage at <http://uk.virginmoneygiving.com/MatthewKeep>

We do have some places available for the summer term and we are already looking to our September bookings so please do get in touch if you have children who may be interested in joining us in September – we will be happy to show you around and give you the opportunity to meet our lovely staff and see all the fun activities that our children get up to! Remember that as well as morning and afternoon playgroup sessions we offer Breakfast Club for school age children between 8.00 and 9.00 am as well as After School Club until 6.00 pm. And don't forget our Sunshine Holiday Club which will be running in the Easter Holidays from 2 to 5 April and then in the Summer Holidays from 23 to 27 July and then 28 to 31 August.

## 1<sup>st</sup> NAYLAND SCOUTS

Scout Leader: Malcolm Macbeth 01473 827239

The Scouts have been doing observations over the past few months. One Thursday evening each Scout patrol was sent out onto the playing field to hide some objects for the other patrol to find using their torches. None were found! The following week each patrol was asked to draw a sketch map of the playing field putting on the main features. The patrols then hid their objects marking on the sketch maps where the objects were positioned. The other patrol went out and this time all objects were found.

A compass bearing exercise on the field in the dark was also successful.

Scouts meet on Thursdays from 7 to 9 at the Scout hut. If you are 10 to 14 years old and interested in coming along please contact Malcolm Macbeth 01473 827239

## 1ST NAYLAND BROWNIES & GUIDES

Julie Mansfield 01787 211554

At 1<sup>st</sup> Nayland Brownies we have been very busy so far this term going on safari, taking a trip to the moon and walking like Egyptians, all within the confines of our meeting place at Nayland Primary School! We have also learnt about different sorts of communication, including a fun way of learning about morse code. As part of our Thinking Day activities we learnt about things that Brownies in other countries do and had a go at them ourselves. We have a great deal more to do this term yet and next term is just as full of fun, with some outings too.

We meet at Nayland Primary School on Tuesday evenings, during term time from 5.30pm until 7.00pm. We are, at the moment, a small but very happy group, who would love to welcome some new Brownies along to join us. To be a Brownie you need to be between the ages of 7 and 10, but we can take girls from 6 ½, although they cannot be enrolled until they turn 7.

Nayland Guides have very sadly, been temporarily closed due to a downturn in numbers, but if there are any girls between 10 and 14 who would like to give it a try and see if they like it, we would only be too happy to welcome them and reopen the company again. We would meet on Wednesday evenings from 6.30 until 8.00pm at Nayland Primary School. Please do get in touch if you have any questions about either group or would like more information. My name is Julie Mansfield (aka Brown Owl) and I am the Guider-in-charge, my phone numbers are 01787 211554 or 07975 775218 and my email is juliemansfield07@aol.com

## NAYLAND PRIMARY SCHOOL: ECO TEAM

Michaela Woollatt

This month we have been thinking about what being an 'eco-school' really means to us as we continue to work towards our Eco-Schools Green Flag award.

We have an Eco-Suggestions box and children from all year groups (teachers and parents too) can put ideas and comments in the box. There were lots of suggestions from children from all year groups about caring for the plants in our school grounds and also looking after the wildlife – especially when it has been snowing or when it is very hot and dry. These suggestions helped us to write our new eco-code – which is going to be displayed in all of our classrooms.

The Woodland Trust have given us some Birch, Rowan, Crab Apple and Cherry trees for the school grounds. A group of children from the eco-club together with friends from our community and Hector from Transition Nayland, took it in turns to help us to plant some of them in our new wildlife garden and the school woods. We also planted a nursery bed which contains some trees that we will dig up next year to plant around our new school building.

Also this month we had a visit from Val and Nick from Rexel Senate and Will Hitchcock from Green Energy Nayland. They walked around our school and visited each classroom. We got lots of ideas on how to save energy and how to monitor our energy use. We are very excited about some of their ideas.

## BABERGH ACHIEVEMENT AWARDS: KATHY HUNT

Kathy Hunt's dedicated involvement in the village including 30 years with the Royal British Legion was recognised at the Community Awards Ceremony held at Stoke by Nayland Golf club on 7th March.

A former Parish Councillor, Kathy is a loyal member of St James' Church Nayland, holding over fifteen years, many positions including churchwarden, sacristan, church elder, bell ringer and member of the ministry team. More recently her work with Nayland Guides has been invaluable. In addition to all of her voluntary contributions to village activities, Kathy has worked at the village Post Office for 30 years where she goes beyond the call of duty by helping those in need.

Nearly 50 people were nominated by parish councils, community groups and schools for the 25 awards.

As pictured, Kathy received the award from David Wood, Chairman of Babergh District Council and Robert Audley, Chairman of Prolog who sponsored the ceremony.

### Thank You

### Nayland Youth Club

Leader: Adam White 07540 740259

Chair: Maria Mason on 01206 263471 [mrs.maria.mason@gmail.com](mailto:mrs.maria.mason@gmail.com).

Nayland Youth Club meets each Tuesday during term time between 7pm and 9pm for children and young people aged 8 to 16 years. There is a charge of £2 per session and drinks, crisps and sweets are available for purchase from the tuck shop.

The Youth Club Committee has made the decision to work towards the Young Suffolk Quality Standard award. This will help the Committee to ensure that all the necessary processes and procedures are in place to make the Club a safe and effective environment for young people.

Look out for the 'Youth Club Tuck Shop' at the St James Church Fete on Monday 4 June. We will of course be selling drinks, crisps and sweets as you would expect, but we will also be asking children and young people their views on what they expect from a village youth club.

# Garden Notes

by The Old Muckspreader

*Lonicera  
Fragrantissima*

"O, to be in England, now that April's here" wrote Robert Browning. [The OM/S thought it was he, but has to admit he looked it up, to make certain before it went to print]

The Aconites and Snowdrops have come and gone, with only the Bluebells to come in that part of his garden which he calls The Glade, a small patch shaded by a grove of 150 year old Oaks and Lies, with a solitary Beech; under the latter of course virtually nothing will grow. It's a commonly held fallacy that a wild part of the garden is labour-saving and can be left to itself. Sadly this is not the case; if it were it would soon be invaded by brambles, nettles and various other unwanted seedlings.

The February article talked of mild weather, and that winter had not yet arrived. Well, it did come in the end, especially that one cold night when the thermometer recorded a double figure frost. The result was a casualty list including the lovely Solanum Jasminoides mentioned in December's article. The OM/S forgot to practise what he preached and failed to tuck it up with a protective covering, so once again he has lost it; fortunately he will be able to get a replacement from Nayland's own (amateur) nursery. Some other tender plants have survived, contrary to expectation, including surprisingly some Gazanias.

With threats of a hosepipe ban, it's going to be a difficult year for most of us; those who usually water their lawns will find that though they will turn brown they will eventually recover. On the borders mulches of leaf mould or gravel will preserve such moisture as is there now, but we really need a lot more rain.

This month's plant is the winter-flowering Honeysuckle, Lonicera Fragrantissima; it has been flowering on and off since Christmas, and bounced back after the cold spell. Like most winter-flowering plants it is strongly scented, and as a result it's particularly attractive to Bumble Bees. Here our bush is planted adjacent to an outbuilding and a bird table, thus providing an excellent staging post and refuge for the birds. It has only one disadvantage, being a very strong grower, and if unchecked will put on shoots of two to three feet in a year, so it has to be cut back frequently, though surprisingly this doesn't seem to stop it producing masses of flowers.

Sadly the Dean, M/S Hall's resident cock pheasant, who starred in last June's article, has disappeared, and we assume he has died from a combination of old age and cold weather. Some of his progeny can be heard around us, and we hope that they wont be tempted (as is the habit of the species) to attack the Fritillaries.

## Malting and Brewing in Nayland

Malting and brewing are ancient industries which can be traced back to Egypt thousands of years ago. In this country beer was originally brewed on a small scale in monasteries, the home or on the farm but by the 18<sup>th</sup> and 19<sup>th</sup> centuries large commercial breweries were being established.

There are brief references to malting and brewing in Nayland's early history but it was not until the 19<sup>th</sup> century that records such as census returns, trade directories and maps provide a lot more information. During the 1800s, according to these records, it seems that there were three farmers in Nayland who were maltsters and one of these founded a brewery in the village.

Pigot's Commercial Trade Directory in 1823 listed William Cuddon as a corn and hop dealer and maltster. He was the first of four generations in the malting and brewing trades in Nayland, his family having come to this area from Bungay as farmers in the late 18<sup>th</sup> century. There were four brothers who between them had 26 children and it was William's nephew, James Cuddon, who started up the brewery in Church Lane, around 1838. It is shown on the Nayland Tithe Map of that date. The 1851 census lists him as being 56, a Maltster, with two sons, Samuel and William, who worked for their father. In 1881 James was retired and lived in the White House next door, his son Samuel having taken over the brewery.

As well as running the brewery Samuel Cuddon was responsible for the building of the nearby Church of the Sacred Heart in Church Lane in 1902 which sadly closed in 2010. In 1895 Samuel handed over the brewery to his sons, Thomas and Raymond, and died in 1905. Thomas, the last owner of the brewery, had married into the Browne family of Colchester who were also brewers and hoteliers, and he and his wife lived for a time at Hillside in Stoke Road before moving into the Church Lane premises. His younger brother Raymond stayed with the farming side of the business.

In the early years of the twentieth century the brewery was in decline. In 1918, together with its ten public houses, it was sold to the Colchester Brewing Company and eventually closed. The late Bill Norfolk remembered the brewery closing and its demolition soon afterwards. It was a sad day for the village when the local beer, affectionately known as "Cuddon Straight Through", was no more. Some of the Cuddon pubs which all eventually closed were The Compasses in Bear Street (now the Village Stores), the Star (later the Star & Garter) and The Butcher's Arms. They also owned the White Hart and other pubs in Stoke and Leavenheath.

In 1844 there were many flourishing industries in Nayland, such as corn and silk milling, soap manufacturing and tanning; there were innumerable tradesmen such as coopers and basket makers, saddlers and wheelwrights. As well as James Cuddon being listed in the White's Directory of Suffolk for that year, there were two other maltsters, Thomas Green and John Brown. Thomas Green lived at Maltings Farm, Bures Road, although in the 1851 census it was called Potters Farm. In the census he was listed as a farmer of 112 acres with 6 men. The old brick maltings used by Thomas Green stood at the roadside next to the farmhouse until the early 1960s when the building was demolished.

John Brown was the third Maltster listed in White's 1844 Directory. Previously, on the 1838 Tithe Map, he was shown as a tenant of William Synnott, occupying the "House and Malt

Office" in Birch Street (formerly the garage site and now where the row of four cottages were built in 1886). At that time, on the opposite side of the road, numbers 10 to 20 Stoke Road had not yet been built, the land still being used as orchards and gardens. From deeds and documents seen it seems John Brown bought most of this land around 1840 and built "Hillside" and the new red brick Maltings next door, now houses. By 1881 his son, William, was running the business.

These newer Maltings can be seen on the Ordnance Survey map of 1886 but by 1904 the building had been converted to 3 dwellings. On the OS map for that year the older Maltings, on the garage site across the road, was still in existence and Cuddons Brewery was still in business in Church Lane. However, the brewery had gone by 1920 and the old Birch Street Maltings on the garage site stood disused for some years. Bill Norfolk told me that his grandfather, William Norfolk, farmer and founder of the bus company, used it for storing oats for his horses, the oats previously being crushed at the Leavenheath windmill. During the war he said it was the Headquarters of the Home Guard. Later on Sidney Butler, of Beaumont's shop, bought the building and for a time used to grow mushrooms there. He sold the Maltings and the adjoining house to Mr and Mrs Garnett Thompson in 1946 who lived in the house, demolished the Maltings and built a garage on the site.

Today, the red brick houses in Stoke Road are the only surviving reminder of one of Nayland's important 19<sup>th</sup> century industries. However, despite the continuing trend of public houses closing down, the brewing industry, with its long and ancient history, continues to evolve and prosper. While Nayland no longer plays any part in this industry, I don't think there is any danger of it ever becoming extinct.

## VILLAGE HALL AGM by Pat Bray

Despite a £1,425 deficit due to a large maintenance bill, a satisfactory financial year was reported at Nayland village hall management committee's annual meeting on March 5.

Treasurer Andrew Gowen said £1,000 each had been contributed by the community and parish councils towards the new floor which had cost nearly £5,000 but this type of expenditure did not happen every year. The hall had been let for 1,400 hours and the cost of each hour was £12.04, less than last year.

Total income was up by 18 per cent and hall hirings by eight per cent. Plant sales had made just over £1,000, village lunches £865 and the digital cinema £378.

With oil and electricity charges going up, a £432 music licence to pay for and an increased hourly rate for the caretaker hire charges were being raised by £1 an hour from April 1, which would produce an extra £1,200.

Taking into account the additional hirers, establishing a dishwasher, a computerised booking system and additional maintenance, Mr Gowen said the committee had a most successful year.

In his report chairman Iain Wright praised two retiring members, Terry Bannister and Jo Murrison, for their invaluable contributions. He said having the hall redecorated by the probation service had been a masterstroke by Mrs Bannister and Mrs Murrison's village lunches were a superb achievement. Mr Wright welcomed Mike Hunter to the committee, saying his legal expertise would be gratefully received.

He thanked everyone involved for their help during the year including Yvonne and John Spooner who clean the hall, Mr Spooner for doing various jobs and all those who keep the gardens looking neat.

The hall now had a great new floor, he said, and he was grateful to everyone who helped maintain the building to a high standard, bringing it back to where it was ten years ago. It had to be nurtured and was of huge value. Although no representatives of village organisations attended the meeting he added they were welcome to join the committee which was re-elected.

## CONSERVATION SOCIETY AGM

**by Pat Bray**

A very busy year was reported at the annual meeting of Nayland with Wissington Conservation Society. Standing in for chairman John Alexander, vice-chairman Martin Wright gave his report saying membership now totalled about 265 and the year's events were well attended.

He said the committee had commented on various local planning issues including the Horkesley Park heritage and conservation centre which was turned down in May. The future of the White Hart in the village centre was a continuing cause for concern as the building was deteriorating.

The committee was also concerned about the overdevelopment of listed buildings, the use of inappropriate materials and the difficulty of introducing solar panels and satellite dishes in conservation areas.

Mr Wright said members were horrified at the disappearance of the Bear Street telephone kiosk but it would be replaced by the Wiston one adopted by the society.

The committee had objected to the National Grid proposals for additional pylons on the Brantham to Twinstead route and responded to national and local planning policies.

He thanked Tony Fryer for his work on the 1935 Jubilee tree slice and Mike Hunter for organising elm tree planting on the allotment field and Nayland Meadow. Thanks were also expressed to Richard Wiles for planting the area near Horkesley Lock and part of the meadow.

Announcing the appointment of former chairman Barry Wakefield as the society's life president, Mr Wright said his devotion to the role had been unsurpassed.

Treasurer Jennie Jenkins presented the accounts, reporting they were in good order with healthy balances.

Officers re-elected were: Chairman, John Alexander; vice-chairman, Martin Wright; secretary, Andora Carver and treasurer Jennie Jenkins.

The business meeting was followed by an illustrated talk on Pargeting by Anna Kettle.

## **WHAT IS THE GREEN DEAL?**

The Government's Green Deal will offer loans to homeowners to make energy efficiency improvements which, up until now have frequently required a significant upfront investment. Repayments will be on a 'pay as you save' basis, eliminating the need to pay upfront for energy efficient measures and instead allowing customers to pay, via their electricity bill, using the savings made. It is based on the principle that some energy related changes to properties pay for themselves through the resulting savings on fuel bills.

The Green Deal will be available from autumn 2012 and will cover measures such as:-

- Heating, ventilation and air conditioning (condensing boilers, heating controls, under floor heating, heat recovery systems)
- Building fabric (cavity wall insulation, solid wall insulation, loft insulation, internal and external wall insulation, draught proofing, floor insulation, heating system insulation and energy efficient glazing and doors)
- Water heating (innovative hot water systems, water efficient taps and showers)
- Lighting (lighting fittings, lighting controls)

The Green Deal will not just benefit homeowners. It is hoped

that it will provide an opportunity to engage local people and bring communities together.

Potential benefits to our community include:-

- Helping to reduce fuel bills for residents and local businesses
- Opportunities for local economic regeneration if local tradesmen and businesses are used to carry out the energy efficiency measures
- Supports wider local strategic priorities (fuel poverty and an increase in resilience to the effects of peak oil)
- Generation of local jobs and skills

Central to Transition Initiatives is the concept of resilience in our communities. Most of us in Leavenheath, Nayland and other surrounding villages are reliant on oil for our heating needs. This leaves us particularly vulnerable to oil price volatility or, even worse, oil shortages. Taking measures, such as energy retrofitting our homes, minimises our exposure to these risks and is just one way of increasing our resilience as a community.

If you would like to find out more about how the Green Deal could help you including which energy efficient measures are covered please visit the DECC website [www.decc.gov.uk](http://www.decc.gov.uk)

## **CHOICE OF RURAL HIGH SCHOOL AT STOKE BY NAYLAND**

The overwhelming majority of us will be happy to know that the bid to have the choice of a local rural high school was submitted to the Department for Education on 24 February 2012. Although the bid has been submitted, this does not mean it is too late to register your support for the Stoke by Nayland Free School. This can be done by completing the Registration Form at [www.stokebynaylandfreeschool.org.uk](http://www.stokebynaylandfreeschool.org.uk). This does not commit you to sending your children to Stoke by Nayland Free School - it just shows you are likely to choose the School. Please note that registers of support completed in previous years do not count; this is a new bid and therefore new registrations are required.

### **What are the benefits of a Free School at Stoke by Nayland?**

- It will give parents a choice of school for their children to attend from 11 -16.
- It will attract new capital funding to South Suffolk for education that would otherwise go to another part of the country.
- It will create a manageable sized rural school of around 540 pupils. A school where every child is known.
- It will create jobs in the school and in associated businesses and services.
- It will alleviate the pressure on existing schools which will need to expand by 50%, and enable them to run a more focused and manageable building programme, once any new capital funding comes on stream.
- It is an opportunity to develop a community hub for the local rural area and give a home for many other activities and opportunities.

- It will support the village communities by attracting families to the area.

### **Should the application prove successful when will Stoke by Nayland Free School open?**

Our intention is to open the school in September 2013. Initial plans would be to start with provision for school year groups 7, 8 and 9. At the end of the school year, the oldest year group will move up (i.e. year 9 would become year 10) and we will admit another group of children in year 7 until we eventually have a full quota of 5 year groups.

### **How will admissions to Stoke by Nayland Free School work? Will it be open to young people from different backgrounds and ability?**

Like Academies, Free Schools and therefore Stoke by Nayland Free School, will be bound by the same Admissions Code that governs all publicly funded schools. It will need to have a fair and transparent admission policy, and will need to provide places for pupils of different abilities.

What will be the curriculum?

The curriculum will be designed to allow pupils, if they want to, to gain the English Baccalaureate, or EBacc. This was introduced by the Department for Education in 2010 and is awarded when pupils have achieved a GCSE grade C or better across a core of academic subjects: English, mathematics, history or geography, science and a modern language. Stoke by Nayland Free School will also offer additional subjects so that pupils become rounded, well-educated individuals who are prepared and able to make a contribution to the world.

Welcome to this month's Police news item.

Since the New Year there has been an increase in the number of particular crimes within the 39 villages within the Babergh East area. These crimes are: -

**Vehicle Crimes**, valuables being not only left in the vehicles but on display, then the opportunist thief comes along smashing a window and making off with such items as Sat Navs, laptops, Ipods, handbags and even cash. Protect Your Car By These Following Steps...

- Lock windows & doors whenever you park
- Choose busy well lit areas for on-street parking
- Don't leave anything in your car remove ALL temptation
- If you have a garage at home use it
- If you have alloy wheels, use lockable wheel nuts
- If you have a Sat Nav, remove it and the holder and wipe away the suction pad marks
- Look for car parks with CCTV & police approved ParkMark award.

**Burglaries - Other Buildings** These relate to sheds, garages or outbuildings where items such as ride on mowers, power tools, bicycles and hand tools are stolen. *Protect your **Shed & Garage** by following these simple steps...*

- Fit a strong hasp and staple secured to the door and frame with coach bolts reinforced on the inside with washers. Use a good quality closed shackle padlock, (some have an integral alarm built in)
- Door hinges should also be secured with coach bolts reinforced on the inside with washers.
- Keep doors and windows locked.
- Windows can be secured and obscured by fitting internal bars or grille and net curtains.
- Fit additional locks to up and over garage doors. Anchoring and garage defenders.
- A battery operated audible alarm can be used to deter intruders.
- Security mark items of value with your postcode and house number or name. Do not leave valuable equipment unattended.
- Install external lighting with Dusk to Dawn automatic sensors.
- Expensive items should be chained to a ground anchor or post securely fitted to the floor.

- Photographs of expensive items, a record of their model and serial number will assist in their recovery if stolen.

**Metal Thefts** Suffolk in general is experiencing a high volume of metal thefts, metal is being stolen from Farms, buildings, (i.e. lead from roofs), and gardens. If you have any items that may be metal please consider installing obvious security measures - CCTV, alarms, security lighting can be effective deterrents and don't have to cost a fortune. Also try to take a picture of the item or property mark it with a UV pen, i.e. if it's a metal garden bench or plant pots then it can be identified easier if it did get stolen.

Anyone who would like more advice on protecting their home, vehicle and other property can contact their local Crime Reduction Officer at Suffolk Police by calling 101.

Police are also asking that you call if you see anyone acting suspiciously. Please try to note the description of the person you are suspicious of, including clothing, and then contact police immediately using 999.

## WILLS AND THE SECOND MARRIAGE

I've noticed that a number of clients who have made wills with me recently have done so after getting married for the second time. Although divorce automatically cancels any old bequests to the previous spouse, it makes perfect sense to get everything right around the start of the new marriage by writing a new will.

Very often the couple have children from their previous marriage who need to be protected in the new will. For homeowners the house is usually the major family asset and there can be several members of the family with an interest in it and its value.

The big question is how to cut the cake fairly for all concerned. Although every case is different, a formula is emerging as the people's favourite on the following lines.

If the house is in the couple's joint names, the first step is to identify which of the two types of ownership applies (joint tenancy or tenancy in common). If it is a joint tenancy, the house automatically passes to the survivor, whatever the deceased's will says.

A tenancy in common is very different. In this case, the husband and wife each have their own stake in the property, typically 50:50, although this split can vary, and each party can leave their share as they wish. In other words, their share does not automatically pass to the survivor, as in the case of a joint tenancy.

It is a very simple process to 'sever the joint tenancy', which involves completion of a simple application form to the Land

Registry (there is no registry fee). Once done, the couple own the house as tenants in common and although most clients usually leave their share to each other, each is free to leave the share to others.

The children of the first marriage (or their children) are a popular choice, because of the concern that the surviving spouse might marry again or be influenced by a scheming new partner to disinherit the children or grandchildren.

Briefly, the new will involves the appointment of a couple of reliable trustees and leaving the share in the house in trust for the children/grandchildren. The surviving spouse (who continues to own the other share) is given the right to continue living in the house or a replacement, with responsibility for keeping it in repair, insuring it and paying outgoings. The will can also state how the net proceeds on a downsizing are to be distributed or shared.

Obviously, every case is different, and with higher value estates there are likely to be inheritance tax issues which will also need to be addressed. The key is to provide a safety net for the children, making sure that they are treated fairly and gain some compensation from the assets earned in the first marriage.

Normally, a will is cancelled by marriage, but for many years there has been a special allowance for a new will to be made 'in contemplation of marriage'. This is a great way for those about to embark on their second marriage to set their stall and tidy up the children's inheritance.

## WHAT'S IN A NAME

Last year the 5 parishes of St Mathew's Leavenheath, St James's Nayland, St Mary's Polstead, St Mary's Stoke by Nayland & St Mary's Wiston organised a competition through various channels to find a name for the 5 parishes. Our thanks to the 16 people who sent in a wide range of interesting ideas including: The five Tyes; Five Alive; Two Rivers; Saint's Preserve; The Gospel Group; Five Parishes United; South Suffolk Saints etc.

The Ministry team would like to thank all who sent in their ideas and after much discussion it was agreed that PENT ACCORD was an appropriate name.

Pent Accord can mean Five in Accord or as a musical term means five in harmony. At a recent meeting of the five parishes it was agreed that Pent Accord would be used in future as a working name for the five parishes. Our thanks and a bottle of wine to John Prescott who sent in the winning entry of Pent Accord.

*Dear All,*

April begins with Holy Week and Easter this year. This is the high point of the year for Christians. Christmas is great, but Easter is what it's all about. It's the time when we really consider God's gift to humanity. That gift is not just baby Jesus of Christmas, but the baby grown up, the divine man taking responsibility for all the wrong of humanity. It is the gift of sins forgiven and the gates of heaven open to all who wish to go in. Then, to top it all, we remember and encourage the gift of Holy Spirit at Pentecost or Whitsun. What a gift!

I believe that Holy Week is the most poignant week of the Christian year. We remember the events. On Palm Sunday we think of Jesus and His triumphal entry into Jerusalem, when everybody hailed him as King. The tables turn as Holy Week progresses. On Maundy Thursday we recall Jesus celebrating the Passover meal with his close friends, the Last Supper. By then the crowd's allegiance had turned. As Thursday moves into Good Friday, we then remember His arrest, trial and execution. Jesus Christ took on the whole of the sin of humanity so that God's relationship with humankind could be restored. Then, on the third day we rejoice in His resurrection.

Being British, we are not very demonstrative about the heights and depths of faith expressed during this amazing week. In other countries Christians mount processions and other outdoor expressions of their faith. This can be a great act of witness to those who know nothing of the Christian faith, or look for a reminder. In Greece, to celebrate the resurrection at Easter there are whole village parties, fireworks and the resounding shout of "Χριστὸς νέστη" - "Christ is risen".

I invite people to try to walk symbolically through Holy Week. This is one way to become involved and then really feel the joy of Easter Day and our involvement in Christ's resurrection and all that means to us.

On Palm Sunday we will have a short procession from Carver's Barn to St James in Nayland. We can wave our palm branches and sing. This will be a witness to the world.

On Monday, we can walk through the events of Holy week at St Mary's Polstead at 7.00 pm and ponder the change of mood.

On Tuesday at the same time but at St Matthew's Leavenheath we pray through the Stations of the Cross.

On Wednesday at Wiston we will sing the ancient service of Compline, again at 7.00 pm.

On Thursday at Stoke we celebrate the Lord's Supper, including a symbolic washing of feet. When the worship finishes we will try to take it in turns to watch with Jesus for a brief time as we remember His time in the Garden of Gethsemane.

On Good Friday there will be an informal service in St James in the morning and then another more formal reflection on the cross in the evening.

On Saturday evening as it gets dark we will begin our Easter celebration with the formal ceremonies in St James. This is usually a very moving occasion as we recall the Passover and move to the resurrection, with the lighting of candles, renewal of baptismal vows and the first celebration of the Easter Eucharist.

On Easter Day itself there will be worship in all five of our churches.

Come and try some or all of it and let's rejoice in our faith and allow God to renew it and all His promises.

Christ Is Risen. Χριστὸς νέστη. Every blessing to you all,

*Adrian*
