PUBLIC FORUM
Members of the public expressed concern that in their opinion community spirited work on Caley Green had been met with criticism. They explained the background and the reasons they stepped in. The Chairman explained the ownership, responsibilities and the policy adopted by the Environment Agency. The PC listened with interest to the views expressed by residents attending. The Chairman explained regular nettle cutting by the river bank has been added to next year’s maintenance contract and the Parish Council is currently reviewing the whole regime.

Concern was expressed about the lack of Police attendance in the village and the spate of vandalism. The Chairman explained how the Parish Council were urging more support towards detection and accurate recording of information by the Police.

PLANNING
Decisions from the Planning Authority: a site inspection was arranged at Harpers Hill Farm regarding the proposed change of use at the waste transfer station. Work can proceed to remove leylandii trees to ground level at 48 Bear Street B/16/00768/FHA & 769/LBC. Permission had been granted for a garden greenhouse at 8 Jane Walker Park B/16/01132/FHA.

Councillors had No Objections to the following applications: proposed rear extension at The Manse, 27 Bear Street B/16/01210 & 01109, proposed rear extensions at 109 Bear Street B/16/01260, proposed rear extension at 14 Heycroft Way B/16/01200, proposed removal of 3 leylandii at 28 Stoke Road B/16/01343.

A response was issued between meetings on an application for a new annexe and garage at 48 Bear Street or 9 Birch Street or brought along on the day.

COMMUNITY COUNCIL'S RAFFLE AT THE CHRISTMAS FAYRE
Donations of prizes for the Community Council’s raffle at the Christmas Family Fayre - on Saturday 3rd December - would be very much appreciated and can be left at 107 Bear Street or 9 Birch Street or brought along on the day.

COMMUNITY COUNCIL VACANCY
Do you live or work in Nayland or Wiston?
Would you like a new challenge?
Are you concerned about the local community and environment?
Do you enjoy working as part of a team?
Would YOU be interested in joining the Parish Council as a Co-opted Member?

If so, please apply by letter to let us know what qualities, experience and skills you can offer the community. Councillor training courses are available. You can find out more about the work of the Parish Council by speaking to a Parish Councillor or by emailing or telephoning the Parish Clerk, Mrs. Debbie Hattrell.

NAYLAND WITH WISSINGTON PARISH COUNCIL VACANCY
DISTRICT COUNCIL REPORT
Melanie Barrett is pursuing the Babergh District Council (BDC) team responsible for producing the Housing Survey. Chair Mary George expressed disappointment at the delay as the PC was advised the survey redesign was imminent last February. She confirmed that BDC are withdrawing roadside collections of textiles and will not implement glass collection. The Council’s recycling sites are to remain free to access.

PLANNING APPLICATIONS
Decisions from the Planning Authority: permission had been granted at Ricklands Bungalow, Wiston for a new annexe and garage subject to not being sold or occupied separately, at The Manse, 27 Bear Street for a single storey rear extension and at 28 Stoke Road for three leylandii to be cut down. Permission had been granted for TD and AM Bugg at Harpers Hill, Nayland B/16/01037 for change of use of land for the storage of empty skips and skip lorry parking subject to detailed conditions listed on BDC’s website. These include: no lighting shall be erected in site, landscaping is carried out and maintained, no operations shall be undertaken outside the following times: 7am-5pm Mon-Fri; 7am-1pm Sat; no operations Sundays, bank or national holidays.

Discussing recent applications councillors had no objections to the proposed reduction of the crown of 4 ash trees and prune back an alder tree to previous levels at Old Poplars, 106 Bear Street B/16/01382.

ALLOTMENT FIELD
Invitations to tender for maintenance of the allotment field (hedge trimming, gate replacement etc) have gone out. A healthy elm tree was cut down maliciously; this has been reported to the Police.

The Council contacted Suffolk County Council (SCC) regarding the sign leading to Bell Meadow as it was badly deteriorated and impeded access to the gate and footpath; the PC felt it would be better positioned on the other side of the gate. SCC’s response was that the sign was fit for purpose but it has since fallen off. The PC will raise the matter again with SCC.

HIGHWAYS
Following the installation of a black pole for a speed reminder on the green fronting The Crescent, Stoke Road councillors requested James Finch to act in liaison with residents and the County Council to resolve concerns.

The PC is seeking quotations for refurbishment of the redundant bus shelter at the entrance to Heycroft Way and installation of an interior notice board.

STREET LIGHTING
With the exception of one streetlight currently attached to a private house, all upgraded streetlights have been approved by the PC. Mary George is in discussion with the householder.

Colin Ramsell welcomed members to the meeting.

MATTERS ARISING:

Executive Committee: Colin Ramsell reminded expressed sadness at the recent death of Neil Barbrook, our Chairman. His energy and commitment will be greatly missed by the CC and many in the village.

Colin added he will continue as acting Chair for the next meeting but feels a younger person is needed to take on the role as soon as possible. The CC Executive also urgently requires more members who are members of village groups.

FUNDRAISING ACTIVITIES:

Spring/Summer Event: It had been agreed to move the CC's Fun Village Quiz from October to February. The recent quiz had been a huge success but it was felt that February 2017 was too soon to hold another; the next quiz will be held in February 2018, on a date to be decided.

The possibility of a fundraiser in collaboration with the Post Office Committee was mentioned but no decision was made. Further ideas and/or support with running events would be welcome.

Selling advance raffle tickets at Farmers’ Market: Thanks were expressed to volunteers for selling raffle tickets and calendars ahead of the Quiz and Christmas Fayre during the Markets. There will be a first prize of £50. It was noted that the Farmer’s Market will not be continuing after December.

Community Council History & Website: Lorraine Brooks said the CC’s history display will have another outing at the Christmas Fayre. A photo album of the Street Fayre and much of the CC's history archive have been added to www.naylandcommunitycouncil.org.uk

Community Defibrillator: This was a proposal for a community defibrillator sited at the Fire Station which had approval by the Fire Service. Karen Elliott on behalf of First Response, feels the device talks you through everything step by step. It analyses the heart and will not give a shock if it is not suitable to do so. You will also have the support of the 999 operator.

Rachel Hitchcock is seeking advice from other villages who have a community defibrillator. Mary George will forward research the Parish Council previously carried out. To take this project forward grants will need to be sourced. Grants may still be available from the British Heart Foundation and/or the Big Community Fund run by District Councils.

Save Our Post Office Campaign: Maggie Ryan reported on the current situation.

An Executive Management Committee of eight members is in place with Maggie Ryan as Chair and Simon Carter as Vice Chair. Simon reported that progress is being made in the plan to secure the products and services of our village post office in preparation for the retirement of the current postmistress. The next steps are: by the end of this year to establish and register the Community Company; to complete due diligence on and engage in further talks with the Post Office and the Postmistress to agree how we can take on the Post Office business; to determine exactly what works need to be undertaken to the premises and how they will be funded; to agree the business plan. In early 2017: to action the business plan and determine our fundraising needs. By Easter 2017: to issue the Community Share Offer and invite the entire community of Nayland and Wissington to become a part of this exciting community enterprise. When fully funded, to actually acquire the Post Office business, complete the conversion works and then launch our Community Enterprise.

A grant application had been made to the CC for assistance with seedcorn capital the purpose of which was to get the Community Company off the ground, i.e. register the company with the regulators and other authorities, give the resources to conduct due diligence on the business acquisition of the post office, and fund the publicity costs of the share issue and public awareness campaign. Members felt this will be very beneficial for the community and options have been thoroughly explored by the volunteer teams involved. It was unanimously agreed to award a grant of up to £2,500.

Village Year Planner: It was previously mooted that having a magnetic year planner in the Post Office may be a solution to preventing clashes of activities in the village. The discontinued village diary in the Post Office and existing diary on naylanddandwiston.net were not proving successful solutions. Maggie Ryan suggested once the Community Post Office was in place alternative solutions may be available. Setting up a Nayland App was also suggested.

RECENT ACTIVITIES:

Fun Quiz - Friday 7th October: Colin Ramsell thanked Rachel Hitchcock and her helper for organising the quiz and Claire for running the raffle. Rachel said she had enjoyed it. The event had been a resounding success, a fun night with a great atmosphere. Maggie Ryan confirmed the evening made £310 profit.

GRANTS & DONATIONS:

Donation to St Helena Hospice in memory of Neil Barbrook: Many members of the Exec and other residents of Nayland paid their respects to Neil attending the funeral service. It had been agreed to make a donation of £250 to St Helena Hospice, a local charitable organisation which has been of benefit to a number of NWW residents. It provides reassurance and end of life care and comfort and support to families at a time of distress.

Conservation Society: Court Knoll exploration

The CC have pledged £1,000 to the Conservation Society towards archaeological exploration at Court Knoll. A letter has been received from Mike Hunter, their Chair, thanking the CC for supporting phase 1 of the project which has been hugely successful, both in terms of community involvement and historical discovery. They are hopeful that phase 2, involving the analysis of all finds, can be completed without requesting a further grant. However, in the latter part of 2017 the CC's assistance may be sought for phase 3, preparation of the final report.

Village Hall Endowment Fund: The VHMC requested £1,000 towards this fund; at the May meeting the decision was deferred rather than the chairman using his casting vote against the grant. At that meeting, in addition to having queries, there had been concerns that a grant of £3,500 has already been awarded to the VH this year. A response from Peter Mann, confirmed previous grants to the Endowment Fund had paid into the Endowment Fund bank account and that expenditure from the fund requires the agreement of the Parish Council, the Community Council and the VHMC. He states he will confirm this with the Parish Council. Following further discussion it was agreed, 6 to 3 in favour, to award the £1,000 grant.

Callum Kennedy: volunteering placement

Callum, who has often helped out at CC events, has been fund-raising to reach his £800 target for a three-month volunteering placement. Whilst in Burkina Faso, he will be working with a small group of fellow volunteers to help raise awareness of the human rights of disabled people and to help empower them in their local community. It was agreed to award a grant of £100.

TREASURER’S REPORT:

Maggie Ryan gave her report. She warned there will be a deficit this year; we need to be mindful that several large grants have been awarded. Changes to bank signatories is being dealt with as is the mandate for online banking.

Main income includes: Community Times £3,200, Calendar £1,226, Street Fayre £1,108, Village Quiz £350 Nayland History Exhibition £135.
Christmas Fayre - Saturday 3rd December: Coordinators: Rachel Hitchcock is managing the table bookings, hall layout plans and advance tasks. Claire Buller and Julie Clark will coordinate on the day. Father Christmas will be in attendance and Jayne Kennedy has confirmed Nayland School will perform again. Volunteers are needed to help setting up the hall at 9am and with refreshments and manning the raffle. Donations of raffle prizes would be very welcome and can be dropped off to Claire at 107 Bear Street (left in the side porch if out) or to Colin Ramsell 9 Birch Street (left by back door if out).

Main expenditure includes: Community Times £1,061, Street Fayre £776, Calendar £643, Village Quiz £39, Grants £3,760 (Village Hall Kitchen £3,500, Mother & Toddler Group £150, Nayland History Exhibition £110). We hold £444 for First Response, £270 for the Services Fund. Grants not yet paid: Conservation Society Court Knoll £1,000, Community Post Office £2,500, Village Hall Endowment Fund £1,000, Callum Kennedy £100. Therefore unencumbered assets are £14,343.48.

Community Times: Lorraine Brooks thanked Claire Buller for photos of the Quiz and gave a plea for photos for the CT and the CC's website of Fireworks Night and the Christmas Fayre - the more the merrier.

Village Calendar: Lorraine Brooks said calendars are on sale at village shops - Post Office, Blue Owl, Hatten's Village Stores and Forget Me Not. Currently 107 copies of the 2017 calendar have been sold.

More help selling calendars especially at society events would be welcome. Please let Lorraine know if you could sell calendars at an event you are organising.

FORTHCOMING ACTIVITIES:
Guidance Lists and Risk Assessments for Events: These have been established with the coordinators of each event. This will comply with our new insurers and help new coordinators to pick up the reins.

Bonfire & Fireworks - Saturday 5th November: Iain Wright is coordinating the event. Claire Buller has the BBQ and sales teams organised, Tricia Hall has the mulled wine in hand.

Conservation Society: Andora Carver thanked the CC for supporting the archaeological exploration of Court Knoll; the project has been very exciting. Over half of the 500 volunteer days were by Nayland residents so this was very much a community venture. The excavation has amassed a wealth of new knowledge and information in terms of finds, records, photographs and plans that will be analysed over the coming months. Excavations revealed that part of a rectangular building had been demolished to allow a curved wall to be constructed; this could be part of a semi-circular apse, or part of a tower. A large part of the wall was beyond a trench that Historic England
had consented to be excavated. With many new questions raised it is hoped a smaller scale dig may be permitted next year.

Parish Council: Mary George said they still have a vacancy on the Council, part of the Fairfield playground has been resurfaced and they are moving towards the last phase of updating street-lighting.

Royal British Legion: John Partridge said they had enjoyable visits to Brightlingsea including the museum, a harbour boat trip, the historic boat yard and to Sizewell Power Station, Integration with the Women's Section is going ahead despite some reservations. They will observe two minutes silence at the War Memorial on 11/11 and the Sunday Remembrance Service will be on 13th November.

HortSoc: Trevor Smy said it had been another successful year: The sun beamed down on a very enjoyable coach outing to Wrest Park and Hopleys Gardens and Simon White gave an interesting talk ‘Highlights of Chelsea and Hampton Court’ showing his vast collection of behind the scenes photos. On 9th November at the joint meeting with the Conservation Society, Edward Martin will give an illustrated talk on ‘The Lost Gardens of Suffolk’. After the Christmas Fayre HortSoc goes into semi-hibernation until springing back to life in March with a talk on Wildlife in the Garden and the Spring Show.

Women’s Institute: Jeannette Finch said on 21st November Revd Canon David Atkins will be talking on Hatches Matches and Dispatches and on 19th December Peter Layzell’s talk will be Tales from a Rural Police Sergeant. They are planning an outing to Monks Eleigh Corn Dolly Centre and will be attending Carol Services in Bures and Bury St Edmunds.

Woodland Corner: Karen Newton said they are very busy. A new mound has been installed, funded by the closure of Polstead playgroup.

Baby & Toddlers: the group has a few new mums, new activities and there is much more enthusiasm. Numbers still fluctuate; some weeks are very busy, some still too quiet but momentum is going in the right direction. They have a new Facebook page.

HSA: Rachel Hitchcock said the School Christmas Fayre, with Father Christmas and lots of fun and frolic, will be on 9th December at 6-8pm,

Book Club: They have read a variety of books; their last book was The Unlikely Pilgrimage of Harold Fry by Rachel Joyce, the current book is East of the Sun by Julia Gregson which they will discuss at their next meeting.

Village Hall: Iain Wright said general maintenance is ongoing. Sara Strover has resigned as Bookings Secretary; the task is not onerous as most of the bookings are made online and the Treasurer deals with invoicing.

Nayland Cinema: Closure of the cinema was confirmed but Iain Wright stressed that the equipment is available for other hall hirers to use at no additional cost. Members were disappointed by the decision and hoped another group or a new group may take up the opportunity of showing the occasional film.

Art Group: Colin Ramsell said recent sessions have been full to overflowing. They meet every Wednesday afternoon and have visits from two visiting tutors and occasional outings.

St James’ Church: Andora Carver said thanks to dedicated volunteers and a glorious day the churchyard has never looked in better condition before the winter.

AOB:

Village Hall Gardening Morning: The autumn session will be held on Saturday 19th November from 9am. Helpers to tidying the CC’s garden would be welcome.

Farmers’ Market: It has been confirmed that markets will not continue beyond December.

Date of next meeting: will be Monday 9th January in the Church Hall at 8pm with Exec at 7.30pm.
An Executive Management Committee of eight members is now in place with Maggie Ryan as Chair and Simon Carter as Vice Chair. Simon reported that progress is being made in our plan to secure the products and services of our village post office in preparation for the retirement of the current postmistress. In September we had an exploratory meeting on site with the Post Office Field Agent to examine the implications of taking on the Post Office; to identify the potential costs of transfer and make an initial assessment of the work needed to ensure the Post Office can continue to operate from its current base. We will be eligible for some funding from the Post Office to cover the cost of essential works they will insist upon.

We have also met with a representative from the Plunkett Foundation who will guide us in the formalities of establishing the legal entity we need to actually take on the Post Office business. Plunkett Foundation is a charity which aims to alleviate rural poverty and social exclusion by helping communities set up and run community co-operatives. Community co-operatives can come in many forms: shops, pubs, bakeries, farms, community hubs, farmers’ markets, woodlands, broadband projects – the list is endless! Plunkett Foundation has supported the establishment of more than 340 community shops throughout the UK.

Community Co-operatives are businesses, but they trade primarily for the benefit of their community. They are controlled by the community, and they have open and voluntary membership, actively encouraging people to get involved by becoming members. They do this by offering shares in the co-operative, the cost of which are set at a level that the majority of people will be able to afford.

We intend to establish up a Community Benefit Society, set up on a one member, one vote basis, rather than one share, one vote. This is important because it means that all members have an equal say in how they want the co-operative to be run, regardless of how many shares they’ve bought or how much money they’ve invested. In this way, it will be a truly democratic form of business in and for our community.

Our next steps are: by the end of this year to establish and register the Community Benefit Society; to complete due diligence on and engage in more formal talks with the Post Office and the Postmistress to agree how we can take on the Post Office business; to determine exactly what works need to be undertaken to the premises and how they will be funded; to agree the business plan. In early 2017 to action the business plan and determine our fundraising needs. By Easter 2017 to issue the Community Share Offer and invite the entire community of Nayland and Wissington to become a part of this exciting community enterprise. When fully funded, to actually acquire the Post Office business, complete the conversion works (the Post Office will be closed for a couple of days whilst all that takes place) and then launch our Community Enterprise.

**THANK YOU: LUNCHEON CLUB FOR OVER 60s**

I attended the Luncheon Club for Over 60s for the first time on Thursday 25th October when my daughter kindly pushed me to the Church Hall in my wheelchair. I was most impressed by the organisation, the excellent meal accompanied by an unexpected glass of wine and the friendliness of the people there. It was a thoroughly enjoyable occasion.

Many thanks to the volunteers and in particular Olga, who worked so hard to make this possible. I hope to be able to attend again. It was good to meet old friends.

NEIL BARBROOK

Known for his kindness, fun, energy and enthusiasm in our community, for his professionalism and integrity at work and volunteering, Neil Barbrook, of Bear Street, Nayland died on 28th September. He was a beloved husband to Jane, supportive and loving father to Tim and Laura and a special granddad to Amelia, Jacob, Iris and William, and not forgetting pack leader to Teddy the Labrador.

Neil was born in Hertford, Mick and Cecily’s second child, and together with his elder brother Roger he shared many interests particularly the railway spending countless hours together watching the steam engines ply up and down the line at the end of their road. Football and cricket were also enjoyed in equal measure.

On leaving Hertford Grammar School, Neil trained as an estimator and took work at Hertford County Council. He was twenty when he bumped into Jane at Leahoe Social Club. A few days later he called her, friendship quickly established, romance blossomed and they married two years later in Hoddeston in April 1972.

At work and at home, Neil was the person everyone turned to for advice; he was professional, reliable, understanding, level-headed and extremely knowledgeable. But at heart he was also free-spirited, loved cycling, swimming, travelling and simply to wander the countryside with Jane and their labradors. It was this rich mix which made Neil so special as a husband, father and grandfather, as a friend, work colleague and volunteer.

Neil was also a committed Francophile who spoke French fluently, loved the culture, the scenery, the food and wine and especially the wine. Hardly a year passed without a visit to France and for many years Neil revelled in holidays under canvas, in caravans or cottages.

Neil was a keen cyclist, taking part in amongst others, the London Bikeathon, the Carter cycle ride in aid of Help For Heroes and even cycling from the North to the South of France with his son Tim.

Although Neil wasn’t a very practical man, and he really didn’t like DIY, he was a passionate problem solver. And although he wasn’t a ‘pub man’ he enjoyed social occasions and was often the person to stand and say ‘just a few words’.

At work Neil was a consummate professional. He joined RG Carter in 1998 as an estimator, having previously worked for Fairclough’s (which became Amec and is today Morgan Sindall). Neil was quickly promoted to Senior Estimator and in 2011 he was quite rightfully made a Director of RG Carter which essentially made him responsible for securing all the contracts for the business. He didn’t win contracts by being the cheapest, but by knowing the clients and consultants and gaining their trust.

Neil retired in 2013, planning a more flexible way of life for himself and his family that among other things would allow him to improve his golf handicap.

Outside of the workplace Neil was a very proactive member of the Community. Some of his many interests included helping to run Lexden Saints Football Club.

Neil was very strong and used that strength to provide voice and a platform for those that didn’t have it. Through the refugees, asylum seekers and migrant workers that he helped settle and learn English while volunteering with Fresh Beginnings; to the people he helped through financial difficulty at Christians Against Poverty; and also at the Citizens Advice Bureau.

He had been a member of Great Horkesley Parish Council during his time living there. On arriving in Nayland Neil soon became a very active member of the community; taking on the Chairmanship of Nayland with Wissington Community Council, something that he very much enjoyed. As well as contributing to host of other activities, Neil established the popular Table Tennis Group, he organised improvements to footpath stiles, and initiated the Save Our Post Office Campaign.

Neil will be greatly missed by family, friends and so many whose lives he touched and have happy memories.
Nineteen teams took part in the annual fun village quiz held by Nayland with Wissington Community Council at the village hall on October 7.

Winners were Fancy Bears - Mel Skeet, Teresa Moriarty, Gill Boardman and Emma Bishon pictured - with The Millstones second and Clangers third.

The event was hosted by Rachel Hitchcock, on behalf of the Community Council, who said: “It was a really enjoyable social event and we raised over £300 for council funds. A big thank you to everyone who came along and helped to make it a fun evening.”

CLEAN NAYLAND

The second ‘clean for Nayland’ event held in the village on October 29 was successful with ten bags of rubbish collected.

There were nine volunteers who covered most of the ground during the afternoon.

Organiser Andora Carver said: “It wasn’t nearly so bad as in the Spring. The worst place was the lay-by on the A134 near the nature reserve where drivers park and discard stuff. Babergh were very helpful, providing us with hi-viz jackets, picking sticks and rubbish bags.”

Farmers’ Market

Nayland Farmers’ Market will close in December following a steady decline in customers.

When Suffolk Market Events took it over in November 2014 the market had been struggling but with funds made available through the Dedham Vale AONB Sustainable Development Fund its future look positive and it thrived.

However, the number of customers has reduced over recent months and local support has not been maintained.

A recent apple pressing event was well attended but Justine Paul, Suffolk Market Events owner, pointed out: “The market cannot survive on increased footfall when there’s an event.

The support of local rural markets has to be consistent and sadly we haven’t achieved this at Nayland.”

A meeting was held and most producers together with Ms Paul decided it would cease trading in December.

She said: “I feel really sad Nayland Farmers’ Market is closing. Unfortunately it had become economically unsustainable and we had to make a decision. We would like to thank the customers who have shown loyal support and the AONB Sustainable Development Fund for its financial input.”

The last Nayland market will be held on Saturday December 10 in the village hall. Regular producers will be there with information about other markets in the area.

The annual bonfire and fireworks event organised by Nayland Community Council drew a record attendance on November 5.

Villager Johnny Spooner, who took his two grandchildren, said: “It was a wonderful display. Everything was very reasonable and good value for money.”

It was fun for all the family. Barbecued hot dogs with sausages from our local butcher, warming hot chocolate and mulled wine, children’s drinks, sparklers and luminous necklaces all sold well.

Maggie Ryan, CC Treasurer, said: “It was a very enjoyable and profitable evening.”

The event made about £1,700 for Community Council funds.
On Saturday the 19th November this happy band of volunteers came along to care for the gardens of the Village Hall. All wrapped up and working hard they kept warm in the autumn chill and they were rewarded with sunshine and refreshments. The VHMC would like to thank all who came to help.

**DO YOU RECOGNISE THIS COTTAGE?**

A descendant of the Faiers family who lived in Nayland and Wiston for many years would appreciate any information about this picture, believed to be painted circa 1900. The cottage could have been altered or perhaps demolished since that time. If you can help please let Wendy Sparrow know on 262820 or wsparrow150@btinternet

**Village Hall Garden Working Party**

**Nayland with Wissington Parish Council**

Meeting: 9th November 2016 continued from p3

**Recreation and Open Spaces**

Gerry Battye requested that current parking on parish land in the recreation ground and the congestion in Bear Street (especially around school drop off and pick up times) required councillors’ discussion.

The annual safety inspection of the playground was about to take place.

The PC is to distribute a letter to residents close to the Fairfield recreation ground to request that residents are on alert regarding vandalism.

The PC will request that the EA writes to those households who have cut reeds along the river frontage of their property. The regulations are designed to protect invertebrates and other wildlife nesting in the reeds; the EA is best placed to explain the proper procedure.

Future grass cutting on Caley green is to move closer to the river to reduce the nettles.

**Village Hall**

Sara Strover has retired as Bookings Secretary of the Village Hall. The PC was very appreciative of the excellent service Sara had given. The post is being advertised; in the meantime the VHMC Secretary will cover the role on a temporary basis.

**REMEMBRANCE SUNDAY**

Nayland marked Remembrance Day initially with a wreath-laying ceremony at the village war memorial. Led by the choir and standard-bearers, the minister’s group joined other villagers for the service, including the two-minutes silence, conducted by the Rev Mark Woodrow. Wreaths were laid by John Partridge of the Royal British Legion, parish council chairman Mary George, James Vernon of Nayland fire station, his daughter Jessica of Nayland Primary School and Ann Turner of Boxted Airfield Historical Society.

Afterwards everyone gathered in St James’s Church for the main service led by the Rev Woodrow who delivered a moving sermon. Legion president Ken Willingale listed the names of Nayland and Wiston war casualties and James Carver read the lesson.

Earlier a service was held at St Mary’s Church, Wiston, where wreaths were laid by Gerald Knox and Martin Booth. Bugler Bill Slark sounded Last Post and Reveille at both venues.

**ARMISTICE DAY**

A short service of remembrance and two minutes’ silence held at the Nayland war memorial on Armistice Day was well attended. The ceremony was conducted by Royal British Legion chairman Alex Murrison and the Rev Mark Woodrow, priest in charge, led the prayers.

**POPPY APPEAL COFFEE MORNING**

A coffee morning held by Nayland branch of the Royal British Legion at the church hall on November 12 raised £220 for the Poppy Appeal.

**EYES DOWN! THE NIGHT THE VILLAGE HALL BECAME A BINGO HALL**

Nayland Village hall enjoyed a wonderful night of Bingo on Saturday 12th November. Over fifty people attended the event to raise vital funds for the on-going maintenance of the Village Hall.

Dabbers and pens were the order for the night for this highly enjoyable event. A lot has changed since many last played: Maggies den (10) has been succeeded by many PM’s since; the pension age (65) has increased somewhat and the Brighton line (59) has now been replaced with 01273! Nonetheless modern life did not deter our resident bingo caller Ray Spencer from flawlessly reeling off the traditional bingo slang with the occasional jokes thrown in, which raised many laughs.

However it wasn’t just laughs that were raised, there were many glasses of wine raised too, as well as a grand total of £570, which will go towards the vital upkeep of the Village Hall.

In summary a fantastic night, that bought the community together under the roof of our fantastic village hall. Thank you so much to all that were involved in making the night a huge success.
SEE IT, SNAP IT, SEND IT...

It’s not often you will see Birch Street looking very much as it did a hundred years ago - free of vehicles. This photograph was taken just as recent road re-surfacing was completed but before the white lines were painted.

Thanks to Mary George for capturing this rare scene.

The normal flow of traffic through Birch Street has been disturbed for some time. Prior to closure for resurfacing, traffic lights were in operation as rendering work was taking place at the Old Maltings.

Thanks to Antony Day for capturing this scene.

Insets; an old postcard of Birch Street (dated 1920) and a view we all knew and loved of the Old Maltings with the beams exposed (1999).

If you have a snapshot taken in the parish to feature in a future issue please send it to lorraine.nayland@btinternet.com

VILLAGE NOTICE BOARDS

When using notice boards around the village to promote your Nayland with Wissington community event please be considerate to other users by using drawing pins to put your posters up and NOT staple guns.

Some notice boards clearly request that staple guns are not used. Please also consider the same applies to telegraph poles.
BOOK CLUB
Jane Barbrook  263619  janebarbrook@hotmail.com

The book club has about 7-8 members meeting regularly. Anyone interested in joining is welcome to contact Jane Barbrook.

We have been reading a variety of books; the last book was *The Unlikely Pilgrimage of Harold Fry* by Rachel Joyce and the current book is *East of the Sun* by Julia Gregson which we will discuss at our next meeting.

The book club are having their annual Christmas dinner at the Crown at Stoke by Nayland on 5th December.

ROYAL BRITISH LEGION
Secretary: Andrew Gowen  262534  parkersag@yahoo.co.uk  Chairman: Alex Murrison 262369

We had a most successful visit to the Sizewell Nuclear Power Station and were quite impressed by the way it is being run by the French Company; EDF. It was followed by an excellent pub lunch and our thanks go to Richard Cave for organising it all.

The Armistice Day 2 minutes silence was attended by some 30 people on the Friday 11 November and we appreciated the prayers given by the Revd. Mark Woodrow.

Thank you all for supporting the Poppy Appeal Coffee Morning on the Saturday which made almost £220.

Again our Remembrance Service was well attended and we were lucky that our short service at the War Memorial was bathed in sunshine. The service in the Church which followed was led by Mark Woodrow and his sermon was appreciated by us all. The collection was £337.55 which was up on last year. It was a very successful day.

At our Annual General Meeting on 24th October 2016, Jim Turner retired as Standard Bearer and we are fortunate to have Kathy Hunt to take over from him. James Carver has retired as Poppy Appeal organiser and Mark Shirley will take over from him on completion of this year’s Poppy Appeal. The Chairman thanked both for their long years of service to the Branch. The following were re-elected: Ken Willingale – President; Alex Murrison – Chairman; John Partridge – Vice Chairman; Richard Cave – Treasurer; Chris Hunt – Welfare officer; Andrew Gowen – Secretary.

We are all looking forward to our Christmas Party in the Church Hall on Monday 12th December 2016. The format will be the same as last year at 7.30pm with a short amusing film and Christmas Carols washed down with wine/or similar and small eats which I hope members will contribute!

Our next meeting is at 7.30 for 8pm on Monday 16th January 2017 in the Church Hall (not the Anchor) at which James Carver will show a film of the Normandy Beachhead. We will start with a few drinks.

POPPY APPEAL
Poppy Appeal Organiser: James Carver  262970

The total amount raised for the Royal British Legion from the Nayland and District Branch in 2016 was £3,319.27 against £2,938.07 last year.

"This sum could be a record for the branch", said James Carver, Poppy Organiser, "I would like to thank everybody involved with this very satisfactory result.

Pictured: members of the Royal British Legion prepare to count the Poppy Collection - John Partridge, Alex Murrison, Colin Moule, Malcolm Lukey, Roy Chapman, James Carver, Colin Ramsell & Keith Bannister.
As autumn arrived our activities retreated indoors when on 18th October Simon White returned to Nayland to give a very enlightening talk on ‘The Lost Gardens of Suffolk’. Documentary evidence on several local grand estates enables researchers to piece together what was on the site and the lifestyles of the owners including Clare Castle, which had been the home of Elizabeth de Clare, one of the richest women in England in the 14th Century. Documents state that: “in 1342 a certain house in the garden was roofed for the Lady’s deer [pro cervis domine]” and “two men repaired the glass chamber in he house of the pheasants [pro camera vitrea in domo feysants]”. Shelley Hall was built for Sir Philip Tilney [1517-33]. “A survey for the manor of Shelley 1519-33” states: “The site of the manor of Shelley lies in the east side of the park with a garden on the east side ...whiche gardeyn ys bylded with stywes and ponds. And also it is motyd on every side And a duffe house ys byldyd on the south side of the side styws and ponds.” In his capacity as an archaeologist, Edward had involvement with the Channel Four programme ‘Lost Gardens’. One episode featured Shelley Hall in which the site of the moated garden was examined, researched and restored on the site. The programme can be viewed on https://www.youtube.com/watch?v=urCGtoKZM_A

Even closer to home is Tendring Hall. Lady Arabella Rowley died in 1784; in her will she bequeathed to her son William “all the pines and Hothouse and Green House plants that shall be at Tendring Hall at my decease”; these were to be sold and the proceeds given to the poor of Stoke. There is a plan which includes an ‘elegant Fruit and Kitchen Garden and a Pinery, a Pheasantry, Theatrical [sic] plantations upon the banks of the gardens’. Canals became a fashionable feature in gardens for a while, as did serpentine lakes - the canal and Fishing Temple on the Tendring Estate has been restored.

Gardeners put much of themselves into their gardens and this has been the case for centuries; incorporating their heraldry and elaborate structures. Their properties were also status symbols and visitors were granted access via a route that would give the greatest impression.

HortSoc will be having a stall at the Community Council’s Christmas Family Fayre on Saturday 3rd December, 10.30am to 1pm in the Village Hall. As usual, donations for Hortsoc’s raffle would be very much appreciated and can be brought along on the day or left with a committee member.

In the meantime, the committee has been busy planning the calendar of events for 2017 including the Spring Show which will be held on 25th March, so bear this in mind when planting your bulbs and pot plants.

With best wishes to all for a very Merry Christmas and a Happy New Year.
The Court Knoll Project, which is featured elsewhere in the Community Times, is undoubtedly one of the Society’s largest and most significant undertakings since the restoration of Horkesley Lock in 1995 and the purchase of the Nayland Meadow in 2004. We are delighted to welcome some new Life Members of the Society, who have joined as a result of being involved with this community activity. More details and photographs of the dig are on the Society’s website (naylandconservation.org.uk)

We are also delighted to announce that the Dedham Vale & Stour Valley AONB Project Sustainable Development Fund have made a further grant of £1,500 towards Phase 2 Part 1 of the Court Knoll Project. This is to enable assessment and analysis of finds to take place following the dig.

We are still seeking substantial funds for the project and would very much welcome donations from private individuals and local businesses and are most grateful to those who have already supported this appeal, particularly the Community Council and the Dedham Vale Project SDF. Volunteers meet in the Carver’s barn and garden room 2 or 3 days a week. No experience necessary and everyone is most welcome. Please contact Sally Bartram (sallybartram123@btinternet.com) or just turn up.

Edward Martin talked about The Lost Gardens of Suffolk at a very well attended Joint Meeting with HortSoc on 14th November. He told some fascinating stories about how quickly gardens can be overgrown and seemingly disappear, although with a little detective work, they can be revealed again. We were particularly interested to hear about Tendring Park, the man-made creation of the canal (one of 50 in Suffolk) in about 1723 and the Fishing House, now known at the Temple.

We will be having our usual publications and tea towels stall at the Christmas Fayre on 3rd December. Volunteers to help on the stall would be welcome.

We are also still looking for a Membership Secretary to help keep our database up to date. Please talk to either Mike Hunter or Andora for more information. This a largely computer based task but attendance at meetings is always very helpful.

A full year of talks and visits for 2017 is in place. Please see the noticeboard in the High Street or the Society’s website for details.

We have enjoyed some very interesting speakers over the last few months. Our flower arranging demonstration by Jayne Lawson and Alison Bradshaw was a great success, and three of us visited West Bergholt Flower Club to watch a professional demonstration.

During an interesting talk on Physiotherapy, Jackie Grant gave us many tips on how not to fall over !!! and demonstrated some exercises to help.

Four of our members supported the village Quiz, which was fun.

Just after the CT goes to print Revd Canon David Atkins will be talking on Hatches Matches and Dispatches, which we will report on next issue.

We are planning an outing to Bridge Farm Barns, at Monks Eleigh and will enjoy a Christmas lunch and we will have our usual stall at the Nayland Christmas Fayre.

The Group Carol Service will be held at Bures this year on the 8th of December and the Federation Carol Service will be at St Mary’s Church Bury St Edmunds on the 5th of December.

On 19th December Peter Layzell’s talk will be Tales from a Rural Police Sergeant.

At our meeting on the 16th January Wendy Sparrow is talking about properties in Nayland and on 20th February James Carver will be giving a talk illustrated with photographs on his travels to South Africa.

If you are interested in joining the WI or would like to come along to any meetings as a guest they are held in the Village Hall at 7.30 pm on the 3rd Monday of the month. We would love to have some new young members.
Soon after the Community Times goes to print - on 26th November - Nayland Choir has a concert in St James' Church Puccini's Messa di Gloria.

Nayland Choir will be taking part in the annual carol service in St James's Church. There are two rehearsals - on 8th and 15th December at 8.00pm in Nayland School - as well as a final run through in the Church on the afternoon of the service. All welcome to take part in rehearsals with no subs required.

Mendelssohn's magnificent Elijah is Nayland Choir's spring production. The choir is again joining forces with the Bury Bach Choir in a performance on 20th May in St Edmundsbury Cathedral.

The choir will rehearse as usual on Thursday evenings in Nayland School - starting on 28th February at 8.00pm. Nearer the concert there will be some joint rehearsals in Bury St Edmunds. Car sharing will be encouraged, but those who would prefer not to travel to Bury are able to simply take part in the Nayland rehearsals and not the final concert if they would prefer. Subs for the term will be the usual £35.

The Choir is looking for a new accompanist. Jeremy Hughes is retiring as choir leader and his wife Emma, who is our current accompanist will be taking his place. We will be joining with other village organisations to raise money for a new piano to replace the ageing village hall piano.

Supper With Strings

The village Lunch Team are organising an evening supper with entertainment - Supper with Strings - on Saturday 11th February at Nayland Village Hall, 7pm for 7.30. This will be a two course supper with a welcome drink. Musical entertainment will be by Savoy Strings a classical quartet from Colchester. The cost will be £25 per ticket - more details and a booking form can be found on page 15 and available in the Post Office from 16th January.

NAYLAND SURGERY NEWS

www.northhillsurgery.co.uk

Rachel Beales, Practice Manager 578070

Thank you to everyone who attended the Flu Vaccination Clinics at our 3 surgeries. So far we have vaccinated 2801 patients aged over 18s with the flu vaccination and 181 patients aged under 18s with the nasal flu vaccination. If you are over 65, have a chronic disease such as asthma, diabetes or are currently pregnant and haven’t had your flu vaccination please contact the surgery to arrange an appointment with our Healthcare Assistant. During our Flu Vaccination Clinics we have raised over £200 for Essex Air Ambulance – a big thank you for all your donations.

Are you eligible for the Shingles vaccination? If you were born between the 2nd September 1942 and the 1st September 1946 (aged between 70 and 73) or between the 2nd September 1936 and the 1st September 1938 (aged between 78 and up to 80th birthday) you are entitled to a free Shingles vaccination. If you have not received a vaccination and your date of birth falls between these dates please contact the surgery to arrange an appointment with our Healthcare Assistant.

This year our Christmas/New Year opening times will be:

Monday 19th – Friday 23rd December - Open - 8am-6.30pm.
Saturday 24th December – Tuesday 27th December (inclusive) - CLOSED
Wednesday 28th December – Friday 30th December – Open -8am-6.30pm
Saturday 31st December – Monday 2nd January (inclusive) – CLOSED

Open as usual from Tuesday 3rd January 2017.

Don't forget to order check your repeat medication to ensure that you have enough to last you over the Christmas/New Year period.

If you require any medical advice or assistance out of surgery hours, or when we are closed please contact NHS 111 by dialling 111 on your telephone.

Please remember that for many common illnesses and ailments a pharmacist may be able to help. They are able to provide advice and medication for low back pain, heartburn and indigestion, fever in children, constipation, headaches, coughs in adults, sprains and strains, sore throats, earaches, common colds and sinusitis.

If you would like to be more involved in the practice, or have some ideas about the services that are provided, why not consider joining our Patient Participation Group. We hold meetings every few months with our Patient Participation Group members and a combination of clinicians and staff members. If you would like to be involved in our Patient Participation Group, or would like to know more about what is involved please email us at nhmg.prg@nhs.net

Finally we would like to thank you all for your continued support and to wish you all a Merry Christmas and a Happy New Year.
Sylvia Bond

Our winter league started late this year due to holidays, but it has been worth the wait. Our first match was away at Somersham with the first two games one had a comfortable win 14-7 the other was a bit closer but still managed to win 15-12. The second teams were a bit nervous by now wondering what was going to go wrong; they had no need to worry as they both won 20-5 and 15-6. Our first 10-0 win for some time.

A week later Martlesham came to us; Again the first two teams had good wins 16-7 and 10-6, somehow the next teams also had good wins 10-8 and 20-6, another 10-0 win this was completely unexpected. On November 2nd Whatfield came to us. Once again the first two games were resounding wins 27-2 and 11-6, the second session just hoped to win and they did 13-6 and 11-7, three 10-0 wins. Unfortunately this left us with only one way to go. On November 9th Bramford came to us. Both the first teams lost 8-16 and 3-13, the second teams fared marginally better one team won 13-6 and the other drew, we came down with a bump defeated 3-7. We just have to keep trying, at least we have a points cushion at the moment.

Fixtures: December - 7th Hintlesham home, 12th Burstall away, 19th Brantham away
January - 17th Martlesham away, Rivers home 31st, Whatfield away

As I write this, the Village Players are in the final few weeks of rehearsals for our pantomime: Cinderella. We will be performing at the Village Hall on December 1st (Thursday) at 6:30pm, Friday 2nd at 7:30pm and Saturday 3rd at 2:30pm and 7:30pm. Tickets for the Saturday Matinee are sold out, but there should still be availability for other dates. Tickets are £7.50 for adults and £6.00 for under-16s. For the December 1st performance, all tickets are £6.00. Tickets are available both at Nayland Post Office (PM) or online at www.villageplayers.co.uk

Our next production will be Terence Rattigan’s play ‘The Deep Blue Sea’, considered by many to be his finest work. We are delighted that Chrissie Kettle will be joining us to direct, and performances will be on March 23rd, 24th and 25th. Auditions will be held in the Church Hall, Bear Street, on Wednesday 7th December at 7:30pm and Sunday 11th of December at 5pm. Remember that we don’t just need actors: whether it’s building sets, lighting and sound, making costumes or sourcing props (for Cinderella, this has included an inflatable leg and a chamberpot), there’s a job for everyone!

If you would like further information on getting involved, please get in touch at jpdowding@gmail.com or by calling 01206 262217.

ANNUAL CANDLELIT CAROL SERVICE:
The Annual Candlelit Carol Service of Carols and Lessons on Sunday 18th December at 6.30pm in St James’ Church. Following the candlelit service enjoy a glass of wine and a mince pie before the journey home.

THE LAVATORY/SERVERY IN ST JAMES’
The new drawings, which we show below, have now been informally submitted to the DAC. We hope to hear in the next few weeks that we will have their support - which will be needed in further and possibly tortuous discussions with other interested organisations. We also need to discuss heating, lighting and decorative finishes that will be needed to complete the project, as well as any equipment. From there, we hope we may be able to start the business of getting quotes in for the work.
This Half Term we have been celebrating Diwali and Bonfire Night with lovely Fireworks activities as well as talking about Firework Safety. We have now transformed the Classroom into a “Land of Ice and Snow” and we’ll be learning about the Arctic and the animals that live there. Of course we can’t learn about the North Pole without learning about its famous resident, Father Christmas!

We will start preparing for our Christmas Nativity Play in December.

A huge thank you to all who helped, baked and sold cakes at Kerridge’s at the start of October. We raised a whopping £270.

People are doing amazing things with their first new fiver - First Fiver Donate - why not choose Woodland Corner as your chosen charity? So far we have had £85 donated. Bring your first fiver into Woodland Corner - I’ll donate the first new five pound note I get to a charity. Will you? #fivergiver

Our Major Fundraising Project has been installed. Thank you to Evolve Landscapes for working during our half term break to install the fabulous mound with a tunnel, slide and steps for our garden.

Our Christmas Craft Club is now fully booked – look out for new extended schools activities in the New Year. We are running an Easter Holiday on 3rd, 5th, 10th and 12th of April, please contact us for further information.

We hope to see you at the Community Council Christmas Fayre on Saturday 3rd December where Woodland Corner will be holding their popular Christmas tombola stall – all donations welcome.

MESSY CHURCH
Churches of Nayland, Wiston, Leavenheath, Polstead, Stoke by Nayland
For children and parents: Activities, crafts, worship followed by afternoon tea.
For further information: Revd Valri Armstrong 262814

All members of the family welcome for fun art and craft activities and games based around informal worship and afternoon tea.

At our October Messy Church we explored the theme of light, enjoyed traditional apple bobbing and attempted to eat doughnuts without using our hands or licking our lips!

By the time this goes to print we will have also held our Advent Messy Church in November.

We will be taking a break from Messy Church in December but we will be back, raring to go on Sunday 29th January. The theme is to be confirmed but messy fun is guaranteed! It will take place at Stoke by Nayland Village Hall, 4pm-6pm.

For further information please call Revd Valri Armstrong on 262814.

HOLLY

We sing about the ‘Holly and the Ivy’ and prickly green leaves and red berries are everywhere in Christmas decorations.

In Scandinavian countries the holly is even known as the ‘Christ-thorn’ and it seems that the name of the holly actually came from the word ‘holy’.

The holly reminds us of the death of Jesus – the sharp prickles on the leaves are like the crown on thorns that Jesus was forced to wear on the cross. The red berries remind us of the drops of blood that came where the thorns hurt his head.

Holly is an evergreen, which means that it does not lose its leaves in the autumn, but keeps them all year round. And because its leaves are always green it is a symbol of eternal life.

CHRISTMAS PRAYER
Father, Thank you for creating us and for loving us so much that you sent Jesus to become one of us and to be our way to you. This Christmas may we know the love, peace, comfort and joy that only you can give, no matter what our circumstances. And may we reflect your light and love in this dark world to bring glory to you. In Jesus’ name. Amen.

ST JAMES’ CHURCHYARD WORKING PARTY

Thanks to our dedicated volunteers and a glorious day the churchyard has never looked in better condition before the winter. We were very lucky with the weather and because of some hard work in advance by Chris Hunter, John Jervois and Trevor Smy, we managed to complete all the main tasks.
Well done, everyone and thank you very much, especially Boudicca for her very tasty cakes.

OCTOBER COMMITTEE MEETING

MATTTERS ARISING & HOUSEKEEPING BOOK
- Housekeeping and Comments books: There was a comment that the windows in the kitchen are high up and difficult to open. It was agreed to buy a set of steps to make this easier.
- Trevor Smy will be asked to quote for cutting back overgrown foliage around the Hall.
- Suffolk County Council agreed to put up a Village Hall sign opposite the Church Lane entrance and at the junction of Bear St and Mill St. The work has been completed.
- The energy audit report undertaken by the Suffolk Climate Change Partnership was given to the VHMC. Some LED lighting has already been installed and more roof insulation will be put in place when the roof is replaced.
- The kettles have been descaled.
- The monthly Fire Safety Check was carried out; no problems were found.
- Signage to fire escape routes has been improved.
- Fire risk assessment recommendations which remain to be carried out: An Assembly Point notice will be installed.
- Two door guard automatic stops have been installed in the doors leading to the hall.

MAINTENANCE
- Locks will be asked to fix the cover to the key switch near the changing rooms.
- Gary Napper will be asked for a quote to paint the front hall and the arches in the main Hall.

TREASURER’S REPORT
- Letter was sent to the Community Council in response to the VHMC’s request for £1000 grant for the Endowment Fund.

CINEMA
- The last film show did have a good attendance but due to ongoing sound problems the cinema will be closed.

BOOKINGS
- A new Pilates class will start on Wednesdays 4-5pm
- A zumba class will start on Tuesdays 7.30-8.30pm
- A children’s tennis class will start 4.45-5.45pm
- An AOB children’s tennis class will start 4.45-5.45pm
- Sara Strover has resigned as Bookings Secretary effective from 17th November.

AOB
- Emma Bishton & Mandy Cook asked for help in fundraising for a new piano for the Hall. The VHMC agreed that the piano could be stored in the bar in a purpose made cupboard.
- The VHMC will help with fundraising events.

NOVEMBER COMMITTEE MEETING

TREASURER’S REPORT
- COIF Endowment £13,591, COIF £13,978, Bank £12,722
- Cash £301, Debtors £0, Assets £10,529
- A review of the hiring charges was undertaken. The VHMC agreed that from next April the hiring charges for casual users of the Hall would be increased by £1 an hour. The charges for regular users will remain the same.

MATTTERS ARISING & HOUSEKEEPING BOOK
- Housekeeping and Comments books: no new entries.
- Fire risk assessment recommendations which remain to be carried out; coloured edging will be placed on fire escape door, an Assembly Point sign will be installed, an alarm cord will be placed in the disabled toilets.
- Two door guard automatic stops have been installed in the doors leading to the hall. Three more will be installed.
- The calendar was read out.
- The autumn Garden Working Party has been set for 19th November at 9am.
- The annual Health & Safety Check has been carried out but the report will be completed when access has been obtained to all parts of the hall.
- Action plan quarterly inspection: overgrown foliage around the Hall has been cut back. John Spooner will be asked to clean the gutters quarterly.
- The monthly Fire Safety Check was carried out; no problems were found. The annual 3 hour test will be carried out in December.
- A fridge bulb in the kitchen has been replaced. The light mechanism needs adjusting as well.
- A quotation has been submitted by Gary Napper for the repainting of some of the interior around the foyer. He will be asked to quote for putting up hooks for hanging bunting and flags from.
- The firm of Edward Hyde inspected the floor. It was felt that their last treatment of the floor was inadequate. They will fix the floor in January at no charge.

MAINTENANCE
- Locks will be asked to repair the flashing light by the front door and put an on/off button on the new cooker.

BOOKINGS
- An advert for new Bookings Secretary and job description will be promoted in the Community Times.
- Webpages: the VHMC login now works.

**Nayland with Wissington Calendar Photographic Competition 2017**

The calendar team are now working towards the format of a calendar for 2018. So many people have enjoyed reading the historic notes accompanying this year’s pictures that we hope to include something similar next time.

A competition to select thirteen pictures will be held in the Church Hall on the May bank holiday, on 1st May.

Photographs which represent our beautiful parish and our thriving community are welcome. This may be scenic views, community activities, street scenes, and any aspects of the parish. So don’t miss any photographic opportunities - keep your cameras close over the next few months!

Finally a warm thank you to all who have been involved in the selling of these calendars; the Community Council is so very grateful for your help.

**Clean Nayland: Community Litterpick**

Although there were fewer volunteers than in the Spring (11 residents including 2 Parish Councillors) we managed to cover most village streets, alleys and green spaces on the Nayland side of the parish. One volunteer washed the dirt from highways signs between the Essex boundary and Bear Street instead of picking litter, but of course this did not remove the graffiti from those signs.

We collected just 10 bags overall, a great improvement over the Spring event. The Harpers Hill Reserve and layby, plus the A134 in that section only, produced two and a half bags. Most of it had probably been thrown from vehicles as it consisted of fast food packaging, drinks cans, bottles and takeaway coffee cups including one neatly tied carrier bag packed full of plastic bottles and packaging that had been dumped on the verge. The worst area was from Gravel Hill junction along Stoke Road to the parish boundary which produced two heavy bags of litter. It is likely that most of that was thrown from vehicles too. However, we were unable to cover the Heights or Harpers Estate, the footpath from Anchor Bridge steps beside the river, or the footpath to Horkesley Lock Bridge and the lock area this time. Many thanks to all the volunteers, to Mike Hunter for organising the provision of bags, pickers, hi vis jackets from Babergh and Andora Carver for providing refreshments and storage at Carvers Barn.

**Garden Waste & Bonfires**

With winter approaching and gardens in need of a final tidy the question of what to do with our garden waste comes to the forefront. There are various options for disposal; composting at home, using Babergh’s Brown Bin Scheme, taking the rubbish to Household Waste and Recycling Centres such as:

- **Hadleigh**: Crockett Way (off Lady Lane Industrial Est) IP7 6RH
- **Sudbury**: Sandy Lane(off Ballingdon Hill) CO10 7HG
- **Colchester**: Maldon Road, Shrub End CO3 4RN

**Another option is to have a bonfire…**

The bonfire takes its name from the medieval bon-fire of animal bones. While modern day bonfire ingredients are on the whole less gruesome, burning waste materials can cause pollution and local nuisance.

Occasionally a bonfire is the best practicable way to dispose of woody or diseased waste that cannot be composted. If you chose this option please adhere to the guidelines:

- **Speak to your neighbours**, see if you can agree a time and site for the fire.
- **Do not light it when your neighbours’ washing is out or their windows are open.**
- **Avoid lighting a fire in unsuitable weather conditions** – smoke hangs in the air on damp, still days. If it is too windy, smoke blows into neighbours’ gardens and windows and across roads. In the evenings pressure keeps the smoke down.
- **Avoid burning at weekends and on bank holidays when your neighbours have a right to enjoy their gardens**.
- **Never use petrol or oil to light a fire**
- **Ensure that only dry material is burnt. This will produce the minimum of smoke.**
- **Do not burn plastic, rubber, household rubbish, or other materials which cause dark smoke and noxious fumes**
- **Never leave a fire unattended or leave it to smoulder - put it out**

There are no specific controls, such as permitted times, over the lighting of domestic bonfires to burn waste. However, smoke and emissions from a bonfire (or any other process of burning) can be considered a Statutory Nuisance. Environmental Health is responsible for investigating complaints.

**If You are Troubled by Bonfire Smoke…**

- **Try talking to those responsible for the bonfire. They may not be aware that they are causing a problem and a reasonable approach may encourage a reasonable response.**
- **If this fails, environmental health at your local council should be notified. They must investigate your complaint and must issue a notice under the Environmental Protection Act 1990.**
The OM/S came across an article recently about the pruning of trees, which stipulated that the following should be dealt with in autumn rather than spring. Acers (the Maple family), Birches, Cherries and Magnolias. This was to avoid the risk of sap bleeding. He can add another to the list - Walnuts. Many years ago, when he lived in Nayland his garden rose in a steepish slope behind the house; at the top there was a wired to prevent rabbit incursion where he grew vegetables. His neighbour’s garden was similar, but the top was mostly occupied by a fine old Walnut tree. One branch grew over the boundary, and as time went on it came to overshadow his vegetables. One day in late February he decided to take action, and omitting the courtesy of asking the neighbour’s permission sawed off the end of the branch (by now at least 2 inches thick) where it crossed the fence. The next day he was half way down the garden when he heard what sounded like water coming out of a hosepipe. Walking up to the top he saw sap spouting out of the cut branch and forming a large puddle in the soil. He managed to staunch the flow by means of tags and sealing wax, and by the next day it was reduced to a dribble, enabling him to make a permanent repair with grafting wax. The neighbour who was old and didn’t venture far up his garden in winter never appeared to notice what had happened; the Walnut suffered no harm and was flourishing when he left several years later. Enquiries to a subsequent owner reveal that the tree had vanished by the Millennium, probably removed in an intervening makeover. Two of its progeny flourish here, providing food for squirrels and carrion crows.

While on the subject, there’s no need to prune woody plants as a routine job. Dead wood should always be removed, but otherwise ‘If in doubt, don’t cut it out’.

Moles have again become a nuisance here, venturing some distance into the side lawn. To remove their heaps of spoil, which incidentally make excellent potting medium, on no account just trample them down; this course will just leave large bare patches. Collect the soil from the outside working inwards towards the centre of the molehill. The residue of the soil can be brushed away (look out for stones) with a besom if you have one, otherwise a stiff brush.

The plant of the month is Ceratostigma Willmottianum, named after the redoubtable Miss Willmott, who raised the first plants in England from seed collected in China. It’s a small shrub growing to about 4 feet with green foliage just now beginning to produce good autumn colour, and flowers of a brilliant pale blue from September until the advent of frosts, a decent long period. This is a choice plant, not found in the average garden centre, but available from decent nurseries.

A happy Christmas and successful gardening in 2017 to all our readers.

CLAY TOBACCO PIPES

Amongst the many fascinating objects dug up on Court Knoll during the six week dig in September/October, it was interesting to see quite a lot of pieces of clay pipe. Unfortunately there were no complete pipes but some thirty years ago I found a whole bowl of a quite unusual pipe in the ditch surrounding the Knoll. Clay pipes were first introduced into this country at the end of the 16th century, long after the first known occupation of Court Knoll, so it is not surprising that the pieces of pipe found there were fairly near the surface. 

Who made the first clay pipe is not known but the idea probably came from the American Indians who used them for medicinal purposes and religious ceremonies. The craft of making these pipes began in England soon after the introduction of tobacco in 1558. The earliest pipes were made by hand and later by the use of brass and iron moulds. Although the form of the pipe remained much the same during its long and interesting history, variations in style and size of the bowl occurred as well as in the length of the stem.

In the early days pipes were very small and the stems were 4 to 6 inches long. They were sometimes given names, such as fairy pipes, old man's pipes or plague pipes because of the large numbers found in plague pits during excavation work in London. People were encouraged to smoke clay pipes in the belief that they would ward off the disease. By the mid 17th century the bowl had become much larger and the stem longer, from 10 to 14 inches. Craftsmen were becoming more skilful and elaborately decorated pipes were beginning to appear. During the 18th century extra long pipes, called aldermen or straws with stems 18 to 24 inches long, became fashionable with the gentry. After 1850 pipes about 36 inches long called churchwardens were introduced, but these were obviously not very practical and a shorter version called short churchwardens was made. However, the 19th century working gentry, members of the Royal family or even human skulls. By 1650 there were at least a thousand pipe makers in London and many others in other large towns. The trade expanded so that most towns in England had at least one pipe making family. Between 1670 and 1740 the popularity of snuff, brought over from France and considered to be a more elegant habit, caused a recession in the trade. In the 19th century factory production was introduced and led to the decline of the trade as a cottage industry.

Victorian businessmen used pipes as an advertising medium with illustrations and slogans of every description and many bowls were shaped to represent heads of well known characters of the day, members of the Royal family or even human skulls. By 1914 clay pipe manufacture as an industry had virtually come to an end leaving only a few makers to meet the demand of those who enjoyed its cool smoke and slow burning properties, including Masonic and other societies for after dinner smoking. However, during the 1960s there was a resurgence in the use of clay pipes caused by the formation of the Pipe Club of Great Britain. Competitions were held at branch meetings to find the smoker who could keep a 9 inch pipe going the longest without relighting.

Locally, by the middle of the 17th century Colchester, Ipswich and Norwich are known to have had pipe factories. During the demolition of an old building in Colchester High Street in 1959/60 a Colchester archaeologist discovered a tobacco-pipe kiln which according to town records was in existence in 1688. There were 14 pipe makers known to have worked in Colchester but in a directory of 1902 only one in George Street remained and the business had gone by 1910, having been there for over a century.

In White’s Directory of Suffolk for 1855 only Ipswich and Beccles had pipe makers whereas in the 18th century makers had been active also at Woodbridge, Sudbury and Bury St Edmunds. The widespread habit of cigarette smoking, which was introduced into this country during the Crimean War and became popular in the 1870s, all but killed clay pipe smoking in England. Also the general rise in prosperity enabled remaining pipe smokers to buy the more long lasting briar pipes.

Blowing bubbles with clay pipes was a popular pastime with children until the 1950s. They were also used as targets at fairground shooting galleries. A popular sport was to knock a clay pipe out of the mouth of a head, commonly known as Aunt Sally, which was perched on the end of a pole with a clay pipe sticking out of its mouth. It is thought that this sport could have been intended as a deterrent for lady smokers!

Here in Nayland we had our very own Pipe Smokers’ Club which met at the Anchor. The photograph shows a group of enthusiasts during a competition in the 1930s, all smoking short stemmed pipes, aiming to see who could keep their pipe going the longest without it going out. Bert Beady, first on the left in the front row, was the landlord of the Anchor and, I imagine, the referee ensuring fair play. Next to him are Arthur Osborne, Ray Osborne and Dan Spooner. Behind him is Tom Bugg and in the middle of that row Stan Hatten.

Like other residents in the village we have found many pieces of clay pipes in our garden over the years. Every time the soil is turned over pieces appear and one can imagine former occupiers digging their gardens while happily puffing away on their clay pipes, tossing them aside when they broke and perhaps replacing them with new ones from the pub.

THE COURT KNOLL PROJECT

Following some good geophysical survey results in 2015, the previous exposure of walls on the site in 1924 and records dating from Domesday, earlier this year we applied for permission from Historic England and the Tendring Hall Estate to excavate seven trenches on Court Knoll in September. This was successful.

We were grateful to obtain funding from the Dedham Vale Project Sustainable Development Fund, the Conservation Society and the Community Council. With fantastic support from over 80 volunteers, we managed to open up and dig all seven trenches. Everyone thoroughly enjoyed digging, scraping, sifting, washing and sorting the finds. The weather was amazing, with only a single wet afternoon in six weeks. Nayland residents put in over 260 volunteer days and members of the Colchester Archaeological Group and Stour Valley Community Archaeology slightly more. This was a tremendous effort, which was recognised by the experts who frequently visited the site.

David Andrews, Chelmsford Diocesan Archaeologist said: “This is one of the most exciting sites of the medieval period I have seen in the East of England.”

Edward Martin, the distinguished Suffolk archaeologist commented, “Your group has done an outstanding piece of work and I hope they are all feeling very pleased about the results.” We certainly do!

Well, what did we actually find? As our archaeologist, Linzi Everett said, “This is not Time Team and we can’t provide a fully illustrated and dated interpretation of the site just yet. The excavation has amassed a wealth of new knowledge and

information in terms of finds, records, photographs and plans that will all be analysed over the coming months” by volunteers under the guidance of experts, “to find out more about the active life and subsequent decline of the manorial complex which was a major part of the settlement of Nayland” – possibly around the time of the Norman Conquest.

How exciting it will be to peel back more pages of Nayland’s history from 950 years ago. We will keep you posted as more information is revealed.

Day 1 opening up Trench 1 which later revealed beautifully laid stone walls with corners edged with re-used Roman floor tiles and remains of a beaten chalk floor inside the building.

The walls and inner apse/tower show clearly in this composite drone image. Further excavation is necessary to identify this and we are hopeful this will be permitted next year by Historic England - provided further funding can be obtained.
Clockwise from above:

- The fallen arch in Trench 2. The loose demolition material was carefully scraped away to reveal the curved line of mortar below the re-used Roman tiles, which shows clearly that the original structure was either a doorway or window arch which fell over – probably when the building was being “robbed” for re-usable building materials in the middle ages.
- Pieces of a horse’s jawbone and oyster shells from Trench 4.
- Volunteers enjoy a well earned break
- Volunteers enjoy the sunset after the End of Dig Tea Party

Andora Carver, Project co-ordinator
& Sally Bartrum, Volunteer co-ordinator
CONSERVATION SOCIETY by Pat Bray

A fascinating account of the Court Knoll Project and its findings was heard by members of Nayland with Wissington Conservation Society at their October meeting.

The project, which involved digging seven trenches on the Knoll, has revealed all kinds of discoveries including pieces of Tudor plates, Roman tiles, animal bones, medieval fragments, oyster shells and two silver coins.

Chairman Mike Hunter said the dig was of national importance and would not have taken place without the drive and enthusiasm of the society’s secretary Andora Carver, who had taken part in the exercise daily with her husband James.

Started on September 2, he said the dig was backed by Suffolk Archaeology and was due to end on October 16. There had been a huge response from volunteers, both from Nayland and outside the village. The society was grateful to the Tendring Hall Estate for permitting the dig and Blue Owl who provided free bottled water.

Detailing the cost of the project, Mr Hunter said the society would be looking for further financial assistance for the next phase and he hoped the Dedham Vale Project and Nayland Community Council would make more funds available.

Dr Tim Dennis, who led the dig, screened numerous slides illustrating how work on the Knoll had progressed in the various trenches and the specialist equipment used.

Mrs Carver said the project had followed a successful test pit dig in November 2014. She showed a selection of photographs and thanked all the volunteers. More than 70 people of all ages had applied and between 10 and 18 helpers were on site daily.

Visitors had included representatives of Historic England and the Tendring Hall Estate, two classes from Nayland Primary School and Dr Ronald Blythe. Among the finds were two silver coins – one dating probably from 1216 – and the other a Tudor penny.

All the finds will be analysed and Mrs Carver added she hoped one day to repeat the exercise.

Former chairman John Alexander presented Dr Dennis with a gift from the society and gave a vote of thanks to everyone involved in the Court Knoll Project.

Dear All,

This time last year, I was privileged to lead a group on a Pilgrimage to the Holy Land, to sites so familiar to many of us from the Bible and particularly the Nativity and Easter stories.

One of the reasons I like to take groups at this time of the year, is so that we can begin the season of Advent with time in Bethlehem, the place where Jesus, as the Gospel of John tells us God, “…became flesh and lived among us…”

(Church of the Holy Nativity, Bethlehem)

Advent is observed during the four weeks leading up to Christmas, and it is a season of expectation and preparation, as the Church prepares to celebrate the coming (Latin. adventus) of Christ, and looks ahead to his final advent as judge at the end of time.

Advent season falls at the darkest time of the year, and the natural symbols of darkness and light are powerfully at work throughout Advent and on into Christmas. In Church, as in many homes, we have adopted the tradition of lighting candles on an Advent wreath, with each candle representing a different focus of our prayers and thoughts:

**Candle 1: The Patriarchs** (Lit on the first Sunday of Advent – 27th November 2016)
Focus is on Abraham, our father in faith, and David, the ancestor in whose city of Bethlehem Jesus was born.

**Candle 2: The Prophets** (Lit on the second Sunday of Advent – 4th December 2016)
We reflect on the way the birth of the Messiah was foretold, such as in Isaiah.

**Candle 3: John the Baptist** (Lit on the third Sunday of Advent – 11th December 2016)
We remember that it was John, who proclaimed the Saviour.

It is also known as ‘Gaudete’ Sunday from the traditional opening line of the prayer “Gaudete, gaudeat! Christus est natus” (Latin. Rejoice, Rejoice! Christ is Born). It was incidentally the words of this prayer which Maddy Prior and Steeleye Span had a hit with in 1972!

**Candle 4: The Virgin Mary** (Lit on the forth Sunday of Advent – 18th December 2016)
God’s obedient servant who bore the Christ child in her womb

**Candle 5: The Christ** (Lit from Christmas Eve)
The light of the world, bringing light out of darkness.

So, as we prepare for the coming of the Prince of Peace, I wish you and all those whom you care for, a blessed Advent and when it comes, a joyful and peace filled Christmas.

…. and if you have ever wanted to visit the Holy Land yourself, why not join me next year, when I will be leading a group from Stoke by Nayland, Leavenheath, Polstead, Nayland and Wiston, from 28th November to 7th December 2017. Call or email me for more information.

We are God’s children, we seek the coming Christ. Maranatha! Come, Lord Jesus!

Mark

**Wiston Tennis Tournament**
On Monday 19th September the Friends of Wiston Church held a fundraising Ladies tennis tournament. A total of 34 players signed up and had an excellent morning of tennis on 4 different courts in Wiston followed by a grand final and lunch at Rushbanks House. We were extremely lucky with the weather and a good time was had by all.

The total sum raised was just short of £700 which will go towards various projects on the church building including renovation of the porch.

Names of the winning 4 were Annie Del Mar, Cara Fenwick, Fi Crace and Amanda Gerry.

SAD NEWS FOR NAYLAND FARMERS’ MARKET

After two years of trading, the doors of Nayland Farmers’ Market will close for the last time on December 10th.

In November 2014 Suffolk Market Events took over the running of the market which had been in decline for some time and, with some vital funds made available through the Dedham Vale AONB Sustainable Development Fund, the future of the market looked positive. However, in the last eight months there has been a steady decline in the number of customers coming through the doors and, even with continuous marketing, it has not been possible to increase and maintain a good level of support.

Last Saturday an apple pressing event was held at the market which was partly funded by the AONB and which did attract a really good number of people but as Justine Paul, owner of Suffolk Market Events points out “the farmers’ market cannot survive on an increased footfall only when an event is held. The support of local, rural markets needs to be consistent and sadly, for a number of reasons, we have not managed to achieve this in Nayland.”

A meeting was held after the market and a significant majority of producers, together with Justine, decided that the market would cease trading after the December market.

‘I feel really sad that Nayland farmers’ market is going to close’ says Justine ‘I work tirelessly to promote small scale local producers but Nayland farmers’ market had become economically unsustainable and, as a group, we had to make a decision. We would like to thank those customers who have shown their loyal support and the AONB Sustainable Development Fund for their financial input. We very much hope to see lots of familiar faces at the market in November and December.

Nayland Farmers’ Market will be held on Saturday December 10th when all the regular producers will be in the village hall and information will be available for customers regarding other markets where the producers can be found.

For further information please contact Justine Paul at Justine@suffolkmarketevents.co.uk

EARLY YEARS FOUNDATION STAGE PROFILE RESULTS

Provisional figures which have been published by the Department for Education show an increase in Suffolk children achieving a good level of development and achievement in their Early Years Foundation Stage (EYFS) results. These include key areas of learning and development such as communication and language; physical development; and personal, social and emotional development.

In Suffolk 70.2% of children achieved a Good Level of Development (GLD) this year. This is slightly above the rest of England. The percentage of children eligible for free school meals achieving a GLD compared with those not eligible, has also improved this year. This means the gap between the groups has narrowed by 7% points.

It is particularly pleasing to note the improvement seen for children eligible for free school meals across the county. The results include a group of children who first received a free place at two years old rather than aged three, because their parents were eligible, for economic reasons. To find out if a two year-old is eligible for free childcare, visit https://www.suffolk.gov.uk/children-families-and-learning/childcare-information-and-support-for-parents-and-providers/guidance-for-parents-and-carers/free-early-learning-for-2-year-olds/

All children, no matter their family circumstances, are entitled to free early education (childcare) from the term after their third birthday up until they start school full time. More information can be found here: https://www.suffolk.gov.uk/children-families-and-learning/childcare-information-and-support-for-parents-and-providers/guidance-for-parents-and-carers/

GREATER ANGLIA RAIL - SUFFOLK RAIL CONFERENCE

Rail network infrastructure requirements needed to deliver the new Greater Anglia Rail Franchise were the key topics discussed at this year’s rail conference held in October in Ipswich.

Improving track capacity, signals and level crossings are just some of the areas required for improvement to support new rolling stock and additional train services, which have been confirmed as part of the new Greater Anglia rail franchise contract announced this year. The annual conference is a key date in the diary each year in helping to lobby Government and rail organisations to deliver better East Anglian passenger and freight rail services. The new passenger franchise is the reward for this effort but there is still more to do for the Suffolk’s residents and businesses to make it a reality in the next decade.

BE SAFE AND SEEN IN SUFFOLK

Suffolk County Council has worked in partnership with BBC Radio Suffolk to launch a new road safety campaign this autumn – ‘Be Safe and Seen in Suffolk.’

The campaign will see over 12,000 badge reflectors given to primary school aged children, which can be worn on their coats or backpacks to reflect the beam of vehicles in darker conditions to ensure that children are seen as they walk with friends and parents.

A major part of undertaking this campaign was the determination to promote exercise, walking and physical activity amongst young people. It was understood that to achieve this, the children and their families needed to feel safe before stepping out during the darker months. So the reflector campaign was born!

The campaign is part of Suffolk’s Year of Walking, which celebrates walking in Suffolk, promotes walking events and encourages new walking opportunities. Suffolk County Council’s Road Safety Team and Public Health Team have invested £9,550 into the campaign to deliver enough reflectors to benefit over 60 primary schools across the county.

I officially launched the campaign at the Suffolk Show with BBC Radio Suffolk.

KENNY’S SESAW NEWS

Here we are again, at the end of another year, approaching another festive season. Apologies for my unenthusiastic intro but like everyone at SESAW, my little heart is very heavy just now. It’s difficult to be cheery as Mum’s dear husband, Ron, passed away recently.

The two of them started animal rescue decades ago, right here in their own home. My canine pals, Barney, Daisy and Tyler were Dad’s constant companions are nearly as inconsolable as Mum but everyone has been very kind. SESAW is closed, except by prior appointment and the wonderful Volunteers are working hard to keep the Sanctuary running as smoothly as possible.

We are grateful to all our supporters, both at this sad time and throughout the year. Without all these good people, SESAW could not exist. Despite our sorrow, animals in need continue to arrive. If you are looking for a family pet or companion to share your hearth please get in touch and someone will contact you as soon as possible. Meanwhile, best wishes for a happy, healthy and safe Christmas from me, Kenny (the Boss) Chihuahua.
