SAVE OUR POST OFFICE:

“PLEASE CAN YOU HELP US? Without you we will fail”

At the July public meeting the “Save Our Post Office” team updated residents on progress. Whilst much has been achieved, we have been beset by legal delays. Frustrating as these are, we hope to get through them all by the end of August and be in a position to launch the Nayland Community Store Limited (NCSL) share issue in September. However, **our real challenge is that we still need to find the team to run the shop and post office in the future. If we cannot find these people, we will fail to save our post office.** Please see if you can help? Full details of what we need can be found on page 7.

NAYLAND WITH WISSINGTON PARISH COUNCIL

Extract of Draft Minutes for Meeting: 13th June 2018

(Minutes will be available on PC notice board in the High Street or www.naylandandwiston.net after the next meeting)

PUBLIC FORUM

The new temporary *No Parking* signage on Caley Green was discussed which seems to have had a positive impact over the first three weeks. The Chair has been liaising with the Stour Boating Group who communicate with their members.

DISTRICT COUNCIL REPORT

Melanie Barrett discussed her report covering the District Council's newly formed Cabinet. On planning the Rushbanks application has been withdrawn and she was awaiting further information in relation to the application for design and layout on Harpers Hill. Information on the 5 year land supply is to be provided on an annual basis. Full council were due to consider the 3 different options for the former Hadleigh HQ. Melanie was questioned on affordable housing provision from the former HQ in Corks Lane. She believed affordable housing was being addressed elsewhere in Hadleigh.

COUNTY COUNCIL REPORT

The Chairman had spoken to James Finch ahead of the meeting and he advised that the A134 speed limit changes had been approved. Funding is now required to implement the changes.

ELECTION OF CHAIRMAN

Kathleen Cannings and Tricia Fuller agreed to share the role of Vice Chair. Mary George agreed to continue as Chair for a further period. The procedure will be checked should Mary resign as Chair and if no members were willing to take on the role.

Martyn Booth advised that he has researched the criteria for new parish councillors and they must live within 4.8 km (3 miles) of the parish boundary.

NOMINATION OF REPRESENTATIVES

The Highways responsibilities were updated/ Tricia Fuller will continue with the Village Hall. Martyn Booth with Community Council. Gerry Battye and Ian Harris with recreation ground. Tricia Fuller and Gerry Battye with Walsh Trust. Ian Harris and Graham Walker with allotments. Kathleen Cannings, Tricia Fuller and Ian Harris with open spaces. Mary George, Graham Walker, Tricia Fuller and Kathleen Cannings with finance. Mary George will continue with the burial ground assisted when required by Gerry Battye. SALC representation is to be advised.

PLANNING

Delays with the Planning Department posting documents on the website was raised. This was dealt with between meetings.

The Planning Authority confirmed listed building consent had been granted at **5 High Street** [DC/18/01422] to replace and reposition driveway gates and the application for a general purpose agricultural building at **Rushbanks Farm, Bures Road** [DC/18/01126] had been withdrawn.

Between PC meetings, to comply with deadlines, councillors considered and had no objections, subject to Heritage Officer approval, to a listed building application at **8 High Street** [DC/18/01579] for internal alterations. Also between meetings they had no objections at **Hullbacks Farm, Dead Lane** [DC/18/01778] to replace willow boundary fences.

Discussing recent applications councillors had no objections to a listed building application at **82 Bear Street** [DC/18/01534] for restoration following a boiler leak and there were no objections, subject to agreement by the Heritage Officer, to a listed building application at **Yew Tree Cottage, 15 Court Street** [DC/18/02198 & 9] for insertion of a sash window. For a listed building application at **Mill House, Wiston Hall Lane** [DC/18/02217] there were no objections subject to conditions as follows: preventing a new separate residence being formed, preventing the first floor office becoming a separate business, requiring the outbuildings to be used in connection with the main house and not being let or sold separately. A comment was also made regarding concern over the dominant design of the clock tower aspect.

The Bungalow, Harpers Hill [DC/18/01869]

Details following out-line permission. A detailed response was agreed between meetings as planners were unable to extend the deadline for responses until after the scheduled PC meeting. The PC continues to object and has requested a site meeting is arranged for the Planning Committee to appreciate difficulties at the location. Support has been requested from District Cllr Melanie Barrett in this regard.

GDPR: APPROVAL OF POLICY AND PROCESS

It was confirmed that the Parish Council no longer needs to employ an independent Data Protection Officer, however, does need to comply with the policy. It was agreed to use the SALC document templates as a starting point and make progress towards compliance.

RECREATION AND OPEN SPACES

The Tree Risk Analysis had been completed and the report had just been received. It will be included on the July agenda. It was resolved to allow a temporary field of remembrance to be located on Caley Green. The ultra race to come through the village and stop at Pop's Piece was agreed again this year. Between meetings some urgent work was instructed at the Recreation Ground and this was explained to the meeting.

HIGHWAYS

A complaint was received regarding parking during the Open Gardens. Martyn Booth had cleaned a road sign in Wiston. Concern was expressed regarding the lack of cuts to the green spaces in the village managed by the District Council. The Clerk will enquire as to the regime. Reflective posts at Wiston will be included on the agenda for July. Some pot holes were still outstanding and references needed to be identified.

STREET LIGHTS

The queries regarding the invoice for street lighting upgrades were discussed. All members were to check their areas and confirm urgently any work listed that hasn't been completed.

FOOTPATHS

The footpath warden continues to report issues relating to paths in the Parish. An unofficial re-alignment of footpath 11 near Smoky Farm had been the subject of recent correspondence.

ALLOTMENTS

The annual meeting with allotment holders had taken place. Stricter enforcement had been suggested regarding the uncultivated allotments where weeds spread to neighbouring allotments. A suggestion was made to review the prize amounts for the future and also to include an agenda item regarding extending the catchment for allotments.

IN BRIEF

The ladies toilets at the Village Hall flooded and a long term leak was found necessitating floor renewal.

The Housing Needs Surveys had been delivered by volunteers from the Parish Council and posters were to go up.

Data from the Housing Needs Survey is being collated; the report should be available in October.

PLANNING

The Planning Authority confirmed listed building consent had been granted at **6 Bear Street** [DC/18/01871] for erection of a single storey rear extension, removal of internal walls and doors, blocking up of window and creation of WC; at **Old Brewery House, 20 Church Lane** [DC/18/00955] for an attic conversion, external alteration works including gable end windows and conservation grade roof lights and at **82 Bear Street** [DC/18/01534] for removal and replacement of brickwork to chimney, removal and reconstruction of floor following contamination from boiler oil leak.

Permission has been granted at **Hullbacks Farm, Dead Lane, Wiston** [DC/18/01728] to replace existing willow boundary fences with overlap panel fences and additional fencing to boundary and no objection was raised at **Bear House Bear Street** [DC/18/02602] for works to trees in a conservation area and protected under Tree Preservation Order 233: (T1) Silver Birch - fell, (T2) Oak - raise crown by 4-5 metres and remove deadwood, (T3) Yew - reduce crown by 1 metre to all aspects, (T4) Oak - raise crown by 3 metres and remove branches overhanging the tennis court, (T5) Oak - remove lowest lateral branch to the west, (T6) Eucalyptus - fell, (T7) Yew - provide a 1 metre clearance from adjacent Beech, (T8) Horse Chestnut - raise crown by 4-5 metres and provide a 1 metre clearance from neighbouring dwelling.

Listed building consent has been refused at **9 Bear Street** [DC/18/01933] for removal of plasterboard on two internal walls and erection of two stud partition dividing walls

A listed building application at **41 Bear Street** [DC/18/01230] for change of use from retail to domestic use class C3 and formation of accommodation in former retail area has been withdrawn.

On recent planning applications the Parish Council had no objections at **5 High Street** [DC/18/02343] for repair and replacement of existing gates and new driveway gates.

On an application at **Brickley Grove, Champions Hill** [DC/18/02929] for a lawful development certificate for existing use or development for erection of two dwelling houses and ancillary workshop building and use within class C3 the Parish Council submitted the following evidence: 1. Caravans were on site approximately 40 years ago and have been present since that time and occupied, 2. It was observed that children attended local schools whilst living on the site, 3. We cannot offer any information in relation to the buildings.

Details for an application at **Brunnings Farm, Harpers Hill** [DC/18/03046] for erection of pitched roof over part existing flat roof, weatherboard cladding over rear single storey element, erection of raised decking and steps to rear, replacement doors and windows and all associated alterations including insertion of first floor window to rear were not available on the Babergh website so will be requested from Babergh. An application at **100 Bear Street** [DC/18/03054] to fell a Plane tree with a Tree Preservation Order will be considered to meet Babergh's deadline.

IN BRIEF

The winners of the Best Kept Allotment Competition were: 1st Tom Gardiner, 2nd Hazel Gardiner and 3rd Jenny Hoskins.

PUBLIC ACCESS DEFIBRILLATORS & TRAINING SESSION

Nayland Community Council is delighted that we have now been awarded lottery funding to install a second community defibrillator at the Village Hall. It makes great sense to have a defibrillator on-site at the Village Hall which is used for such a variety of events and activities.

The Community Heartbeat Trust will be installing the defibrillator over the summer. We will then be holding a training session (supported by the Community Heartbeat Trust and our local First Responders) in early October. This will be open to everybody to demonstrate how the equipment works and to increase community awareness and confidence.

As soon as we have a date confirmed we will publicise it around the village so please keep your eyes peeled.

(Please note, however, that whilst this training is designed to increase community confidence, the equipment is designed to be easy to use by a member of the public with no formal training).

This equipment can save vital time whilst waiting for the emergency services to arrive and can dramatically improve a person's chances of survival when administered within a few minutes.

There IS now a Public Access Defibrillator in Nayland.

It is located on the outside wall of Nayland Fire Station, Bear Street, Nayland CO6 4HY.

Please familiarise yourself with its location and let your friends, family and neighbours know too.

ALWAYS DIAL 999 IN AN EMERGENCY, THE CALL HANDLER WILL KNOW THERE IS A DEFIBRILLATOR NEARBY:

- The defibrillator is fully accessible, 24/7
- Training is not necessary as the device provides clear visual and audible instructions
- Get it to the patient whilst the 999 call is going on - using it quickly can greatly help the outcome when someone is in cardiac arrest.

The film centres around a writer who forms an unexpected bond with the residents of Guernsey Island in the aftermath of World War II. *"It is a richly layered film that is both uplifting and moving encompassing a war story, a mystery tale and a love triangle while instilling an enticing sense of place for its stunning Guernsey setting."*

Nayland Community Store Ltd “Save Our Post Office” Campaign update 12th July 2018

“It may be possible to save the post office but we will fail if we do not find the team to run it”

A full village Hall on July 12th was updated on progress:

- We have established Nayland Community Store Limited as the trading company
- We have won the contract to provide Post Office services
- We have won the contract to continue the mailroom and sorting office
- We have won a major grant from Suffolk County Council to help with the refurbishment cost
- We have achieved all regulatory and building consents
- We have a schedule of works agreed with the Post Office for the premises upgrade
- We have received more than 250 pledges and donations totalling £58,491
- We will have newspaper and sample retail sales from the village hall when the Post Office is closed for refit
- We have developed ideas for the retail shop
- We have some volunteers to work in the shop, but we need more

The meeting then considered the **three major challenges that must be overcome** if we are to achieve our goal and save our village post office:

First, we must conclude all the legal matters. We are still awaiting the final lease agreement and the asset sale agreement from the current postmistress. If we cannot agree these terms, then we cannot proceed.

Second, we must raise the money. In order to be financially viable for a proper business launch, we estimate we will need to raise £75,000 from the share sale. We currently have pledges at £58,491 so there is a potential funding shortfall. If we cannot raise the total sum we need, then we cannot proceed.

Finally, and critically, we must have the right people in place. This is a community venture. The current team have spent two years trying to make it possible to save the post office; now we need the team that will go forward and make it work. We need volunteers from the community to come forward and get involved in running the company, managing the retail business, helping to serve in the post office and shop and provide holiday cover for the post office, shop and newspaper deliveries. Sylvie Bond will continue as our lead Post Office employee and so far we have four fantastic volunteers to help out on a part time basis, but we need more. We also need people with good retail shop and retail management experience. If we cannot find these people soon, we cannot proceed.

Our ideas for what we might sell in the shop include: Lottery; sweets, ice creams and cold drinks; newspapers and some magazines; stationery; batteries, bulbs and chargers; cards, gift wrap and calendars; gifts; a pharmacy shelf; wines and garden consumables. We need to obtain all the appropriate licenses for that range.

Can you help?

Specifically we need:

1. Firstly, we need a new board and executive team to make the business a success. Ideally a Chair and three other directors to make up the NCSL board of directors with retail, finance or business background. This team supported by other executive members and some staff will steer the business and build it successfully.

naylandcommunitystores.co.uk

Facebook: Nayland Community Stores

2. A retail manager to run the shop. Probably the equivalent of two and a half days per week. Some time will need to be spent in the shop to build displays, pricing and understanding what customers want and some time away buying and dealing with suppliers. This means building the stock profile the village wants to buy; managing suppliers and contracts. Stock management, stock ordering and taking deliveries. Giving direction to the volunteer staff and building the retail business alongside the Post Office business. This will be a paid role (minimum wage) funded for the first eighteen months from the initial sale of shares.
3. Volunteer shop staff. We need a pool of people to work in a rota to cover each day we are open. You would be greeting customers, helping them make choices and serving them. You will also help keep the stock properly displayed and priced as well as managing cash transactions and the till. Some volunteers will also need to be trained on Post Office systems in order to provide cover on that side of the business as well.
4. We intend to continue with the morning newspaper deliveries but must have a volunteer to learn the round and cover for holiday times.

If you think you can help in any way please contact Simon Carter on 07860 415532 or email simon@simon-carter.com by 21st August. Your Village Post Office needs you!

Our time-line to completion now looks like:

- 31st August complete all legal matters and exchange provisional contracts with Patsie Ford
- **11th September Village meeting to launch the share prospectus and sale of shares**
- 27th September to confirm we have achieved our funding target or if not then abandon the project
- 12th October the current Post Office will close for refurbishment
- **14th November the new Post office and shop will open for business**

These dates are provisional on the assumption we solve the three challenges. We will communicate through the Post Office, village notices and social media if these dates are to be changed.

Simon Carter, Chair NCSL

COMMUNITY COUNCIL REPORT

Meeting: 4th July 2018 Chair: Rachel Hitchcock 263169
www.naylandcommunitycouncil.org.uk

Rachel Hitchcock welcomed members to the meeting.

MATTERS ARISING:

Executive Committee: To comply with the new General Data Protection Regulations a draft Privacy Statement for the CC, including the Community Times, had been circulated prior to the meeting. This was approved. A notice will be included in the next issue of the CT and the Privacy Statement will be added to the CC website.

The Community Council Executive would welcome more members of village groups or individuals to join them as members of the CC.

Fundraising Activities & Events: The CC are focused on events for 2018 but ideas for fund raising projects to benefit the CC are always welcome.

Community Defibrillator: Rachel Hitchcock said the defibrillator (financed with a grant from Lottery Awards For All) has been ordered. It will be installed at the Village Hall by the Community Heartbeat Trust during the summer holidays; the exact location will be agreed with the VHM. A training session will be organised in liaison with CHT, the Fire Station (where another defibrillator is sited) and the Nayland First Responders. The training session, which will be open to all, is likely to be held in early October – look out for posters in the village. Training is not necessary to use a defibrillator as the device explains what to do but a training session would provide confidence and raise awareness.

Community Post Office: Simon Carter reported on the current situation. See page 7 for the full report.

Recent Activities:

Nayland 10k: Sunday 1st July. Rachel Hitchcock said the event had been very successful and brought the village to life. Rachel thanked Claire Buller, Julie Clark and all the volunteers. The event was organised by Luke Rumbelow, Event Nation Holdings Ltd, a small family run company (*Registered company no 10511263*). Members were grateful for the donation of £1,433.42 - being £1.50 per runner (893 runners) plus £96.80 profit from the barbecue run by the CC. This is a substantial contribution to our funds. It was suggested greater clarity was needed about the balance between the commercial and charity elements of the event.

TREASURER'S REPORT: Maggie Ryan gave her report.

Activity year to date: Grants of £1,860 to Nayland Cinema and £300 toward 10k Fun Run road safety have been awarded. Other income includes a donation of £300 from the Nayland Table Tennis Club, very generously given.

Unencumbered assets are therefore £19,062.04.

Administrative matters: The Charity Commission annual return is due for filing by October 2018; Insurance is also due for renewal at a cost of £400.

GRANTS & DONATIONS:

Nayland Cinema (Village Hall): In May a grant of £1,860 was awarded towards improving the acoustics in the Village Hall to enable the relaunch of Nayland Cinema. Updating the meeting on progress, Iain Wright said Marks Tey Radio has been instructed to carry out the work, hopefully in August. If so the relaunch of the cinema is likely to be in September.

Community Times: Lorraine Brooks said there has been a little movement in advertising; gains and losses. Please take and submit photos of village activities for in the CT and the website; also for See It Snap It.

Justin Dowding said since the Nayland & Wissington website went live in September there have been 35,000 page views, of which there were: 8,000 for the Village Hall bookings, 2,300 for the Church Hall bookings, 977 bookings or events added to the calendar, 7,800 administrator related page views (VH, CH, Other but excluding Justin), 3,200 looking at the front page which has the events calendar, 600 seeking info on the Parish Council, 500 looking at the history pages.

Village Calendar: Lorraine Brooks said the calendar files have been sent to Spingold for a print proof ahead of going to print. Income this year from sponsorship and late sales amounts to £297. Print costs of £606 due in early August were approved. Calendars will be on sale from 4th August at the Flower Show, then in the Post Office and Forget Me Not. An appeal for additional help with selling was made; at local events/venues/groups. Maggie Ryan agreed to make enquiries with Littlegarth PTA, Rachel Hitchcock will co-ordinate for Woodland Corner Foyer and Nayland School HSA events, Bryan Smith would co-ordinate for Village Players' productions.

Forthcoming Activities:

Bonfire Night on Monday 5th November: Iain Wright kindly agreed to co-ordinate the event again. It was agreed to order the same quantity fireworks as last year. Iain would order them in July in order to qualify for discount with Dynamic Fireworks. He will liaise with Claire on quantities of sparklers and gl-necklaces.

Rachel Hitchcock will discuss the possibility of Guys for the bonfire with Nayland School and Woodland Corner. Maggie Ryan said Littlegarth School have offered to lend her their popcorn machine, if their event does not clash. Solutions to long queues for hot dogs etc will be considered ahead of the event.

Christmas Fayre on Saturday 1st December: Rachel Hitchcock said she would check whether the School Choir could provide entertainment and would begin contacting potential stallholders.

SOCIETY REPORTS

Art Group: Colin Ramsell said they had a watercolour session painting scenes of barges on the River Deben estuary with Vernon Lever, one of their regular visiting tutors. Today they enjoyed sketching outside in two Birch Street gardens. They will be having their annual cream tea outing, this year to Fillpots Garden Centre.

HortSoc: Trevor Smy said the outing on to *Lullingstone Castle & the World Garden* had been successful. Their Summer Garden Party is on 13th July and the Flower Show on 4th August. They are taking bookings for an outing to Hyde Hall on 16th September, and their talk on 16th October is '*Hidden Nurseries of East Anglia*'.

Book Club: Wendy Sparrow said they recently read and reviewed '*Before I Go To Sleep*' by SJ Watson. They are currently reading '*Eleanor Oliphant is completely fine*' by Gail Honeyman.

Women's Institute: Wendy Sparrow said a talk in on SSAFA, the Armed Forces Charity and the work they do to help military families was very interesting. On 16th July the subject will be the *History of Trams in Colchester* and in August there will be a garden tea party. They will be making cakes for the hospice as they do each year.

Nayland Choir: Rob Swan said they have been rehearsing for a *Lunch at the Movies* concert of light music and a barbecue on 15th July.

Conservation Society: John Partridge said Open Gardens had been very successful raising £3,460; they will donate £1,000 of this to the Community Post Office. Bill Sargent gave an interesting talk on *Pargetting* in June. On 5th September they will be visiting Coggeshall Abbey; contact Mike Hunter 264100 if interested in coming.

Community Council continued.....

Friends of Caley Green: Sally Dalton said they have, in consultation with the Parish Council, been putting *No Parking* signs on the Green at weekends with some success. They have asked the Environment Agency if the river can be dredged and are liaising with SCC regarding reed clearance in the autumn. Contractors will hopefully clear the fallen Willow tree across the river this month.

Comments were received that it has been lovely to see the Green enjoyed by many during recent good weather, including pupils and families from the school. The issue of parking on the Green by parents attending the School Sports Day was raised although it was noted that this is not normally an issue. Rachel Hitchcock said she would mention this at the School just to remind people that parking on the green is not allowed.

Parish Council: Martyn Booth said 500 Housing Needs Surveys had been delivered. The questions were complex but they hope residents took the time to respond. Deadline was 26th June but they are not yet aware of the level of response. The PC urgently need two more councillors. They have not been able to assign a Vice-Chair, and at present have to elect a Chair for each meeting.

They have confirmed with Babergh DC that councillors can live outside the village, but it must be within 3 miles of the parish boundary.

Royal British Legion: John Partridge said their next meeting is on 16th July when Dick Strover will be talking about his father's experiences in the Royal Flying Corps during WW1. All are welcome to their meetings. On 10th July look out for the RAF 100 flypast; it will be the largest concentration of military aircraft in recent memory. The flypast will begin to form over Suffolk to the west of Ipswich at around 12.45pm.

Village Players: Bryan Smith said their Christmas production will be Peter Pan with auditions taking place on 8th and 11th July. The pantomime performances will be on 6th-8th December.

Village Hall: Iain Wright said they are proceeding in obtaining information on the roof, investigating grants and there will be a fundraising programme

DATE OF NEXT MEETING: be on **Wednesday 5th September 2018** at 8pm (*Exec 7.30pm*) in the Church Hall.

Meetings for 2018/19: General meetings will be Monday 29th October & Tuesday 8th January 2019 at 8pm (*Exec 7.30pm*) Church Hall. The AGM will be on Wednesday 6th March.

END OF 1ST WORLD WAR 100TH ANNIVERSARY COMMEMORATION

POPPIES

We are very grateful to everybody who have produced knitted poppies to decorate the church for the 11th November commemoration. **Saturday 6th October** is the final day for collection. Please bring them to the Gowen Barn at 43 Bear Street between 10am and 11.30am. Tea and coffee will be available and time for a chat.

We need help in attaching poppies to a net so please come to the barn on **Monday 8th October** from 9am to help – it may take some time!! We have some labels which can be attached to some poppies with names of people/relations you want remembered who were involved in that terrible war. They do not need to have a connection with Nayland or Wiston. Name and regimental number if known.

DISPLAY AT THE FLOWER SHOW

There will be small display at the Nayland Flower Show on **Saturday 4th August** in the village hall.

FIELD OF REMEMBRANCE ON CALEY GREEN

Please note that we will be setting up a Field Of Remembrance on Caley Green at the entrance to the village on **Thursday 8th November**. There will be a small service at 11am at which 48 crosses commemorating the fallen from Nayland and Wiston will be planted by children from the school.

NOVEMBER COMMEMORATION

We shall be having an enhanced commemoration/celebration at 10.50am starting at the War Memorial on **Sunday 11th November** and finishing in the Village Hall. We hope you will all support both events if you can.

THANK YOU TO THE SAVE OUR POST OFFICE TEAM

The village has been most fortunate in that Simon and his negotiating team, between them, had all the financial, business and legal expertise that was needed for the negotiations.

These protracted negotiations with the bureaucratic, intractable Post Office and Royal Mail as well as the drawn out lease negotiations has taken hundreds of hours over the last two years and the team should be commended and thanked for their tenacity and all their hard work. For some there was also personal financial cost.

Their task is just about completed.

However their efforts will be in vain if the volunteers needed to run the Post Office do not come forward plus ideally a 'champion' with retail experience to lead them.

Without this Simon will not be able to recommend to the village that the final step, the opening of our Community Post Office and store, should take place.

Whatever the outcome, Simon and team. We thank you for your considerable efforts.

Bryan Smith, Vice-President, Community Council

Many thanks to Andora Carver for sending this photograph of Hollyhocks at Mill House.

And to Antony Day for highlighting our Hollyhocks are making a comeback.

It is fabulous to see that Hollyhocks are once again thriving in Nayland, particularly as in 2016 a mysterious indiscriminate weedkilling regime wiped them out in our quaint streets and passages.

According to <https://www.suffolk.gov.uk/roads-and-transport/roads-pavements-and-verges/trees-grass-and-weeds/weed-control/#tab2> SCC's weed treatment programme will take place on 27 August.

Let's hope they concentrate on areas with unwanted weeds and our beloved Hollyhocks are left to give pleasure and character to our village.

Thank you to everyone who has sent photographs in for this issue - do keep what you see coming to Lorraine.nayland@btinternet.com. View the colour version of the CT at: www.naylandcommunitycouncil.org.uk/CommunityTimes.html

Coach outing to

RHS Hyde Hall

Sunday 16th September

Coach leaving Nayland 9.30am, return from Chelmsford 4pm.

The cost will be £20 to include travel and entry.
Refreshments are available. Open to non-members.

RHS Garden Hyde Hall is a horticultural gem in the East of England with its rolling hills and fantastic panoramic views. The garden boasts an eclectic range of inspirational horticultural styles from traditional to modern; the Hilltop Garden is a quintessentially English with ponds, borders and lush green lawns, the Robinson Garden is a true plantsman's garden with an extensive range of rare and unusual species, Clover Hill is profoundly naturalistic with vast swathes of grasses and perennials, borders sweep down the hill to meet Millennium Avenue, which is lined with oak and ash trees, the Queen Mother's Garden has an informal, relaxed style with meandering paths and shady walkways in stark contrast to the Australian and New Zealand Garden which has a modern contemporary feel.

Early booking is advisable. Booking forms can be returned to the HortSoc box in the Post Office, or direct to Trevor Smy at 24 Harpers Estate.

Cheques payable to *Nayland & District Horticultural Society*.

For more information, visit www.naylandhortsoc.org.uk or contact Trevor on 262022 or trevor.smy24@gmail.com.

ROYAL BRITISH LEGION

Secretary: Andrew Gowen 262534 parkersag@yahoo.co.uk Chairman: John Partridge 263733

We were given an outstanding talk by Dick Stover about his Father's experiences in the First World War in the Royal Flying Corps. We were told how he learned to fly these early flying machines; his air patrols along the front line; combat with German aircraft; avoiding German air ambushes; shooting down German planes and being shot down himself and being captured by the Germans. It was a gripping tale; all the material taken from letters to his family.

Roy Chapman is arranging a trip to **Bawdsey Radar Museum on 16th August** in private cars followed by lunch at the Ramsholt Arms. We shall be investigating a visit to Stowmaries 1st World War airfield in the future.

We have agreed to fund the laying up of the Women's Section standard in the Church. Date to be announced but we have to get special facilities from the Church authorities – nothing is simple!!

A reminder that planning is in progress for the November 2018 **Commemoration of the end of the 1st World War**. On Thursday the 8th November at 11am we shall be laying out 48 crosses in a Field of Remembrance on Caley Green at the entrance to the Village to commemorate all those that fell from Nayland and Wiston. This will be done by children from the school. On 11th November we shall have an enhanced Remembrance Day Service starting at the War Memorial at 10.50am, involving the school and Nayland Choirs and special readings. We shall end with a celebration in the village hall.

For those many who have been knitting poppies; please note that the last of the poppies should be taken to Gowen's Barn, 43 Bear Street between 10am and 11.30am on Saturday 6th October. We shall also need help in securing them to netting!!

Our next meeting will be at 8pm on **Monday 24th September** at which we shall have a talk on the Treaty of Versailles. 'Rounds into the Butts' from 7.30pm – you will need it to survive the talk! Non members are welcome.

NAYLAND AND DISTRICT WOMENS INSTITUTE

President: Jeannette Finch 262993

Secretary: Lorna Rumsey 01787 211975

May was the month of our Resolutions, which was *Mental Health*, and the Annual Meeting where Jeannette Finch was elected President for the sixth year running. At the National Federation the results of the vote on the Resolution *Mental Health* was 5,900 for and 103 against.

On 18th June Tony Chibnall gave a very interesting talk about SSAFA *the Armed Forces Charity* (formerly known as Soldiers, Sailors, Airmen and Families Association).

In July we thoroughly enjoyed a talk by Peter Jones entitled *A brief History of Colchester Trams* illustrated with lots of very interesting old photographs. Horse buses, which needed eight horses to pull each tram, were expensive to run but plans to replace them with steam trams in late 1800s were abandoned for lack of funds. A municipal electric tramway system commenced operation in Colchester in 1904 and consisted of three routes all beginning at the North Station; one route to East Gates, another to the Hythe and the third to Lexden. The first trams were supplied by American entrepreneur George Francis Train. The last tram service in Colchester ran on 10 December 1929 and trams were replaced by motor buses.

In August we are looking forward to our Garden party and in September we are planning an outing to the beautiful Beth Chatto Gardens at Elmstead Market.

Looking further ahead on 17th September Vernon Lever will give a talk and *demonstration of Water Colour Painting* and on 15th October the subject of Brian D'Arcy's talk will be *Living with Ghosts*.

We would love to see anybody who would like to come along as a guest to any of our meetings. We are always looking for younger members to take the WI forward for the future.

Our meetings are held in the Village Hall at 7.30pm on the third Monday of the Month.

LAVATORY, SERVERY AND STORAGE PROJECT

At last the end is in sight! Harris Building are making good progress, having dug and set the internal drainage, put in the floor base and are now well on the way putting in the studwork frame.

Meanwhile, externally, digging continues to connect the new outside water main on which the DAC insisted. All this has been done without any disruption from historic finds, which we were worried might easily delay or stop the whole enterprise. It is always dangerous to speculate, but we now hope to see this project finished by September.

The Friends intend to raise funds for more improvements to St James' to help it become a better and more comfortable venue for local events. As such, we want to hear from anybody who would like to stage a concert or performance in St James' - initially, please contact alan@edwards-online.net for further details.

NAYLAND CHURCH FETE

Thanks to the valiant efforts of Hazel Gardiner and her enthusiastic band of helpers, we sold nearly £350 worth of Strawberries at the Fete - another record! So as we remember, that is nearly 100 kilos of strawberries to hull and serve. Well done and thank you!"

Meanwhile we are looking to recruit one of two new Trustees. Please consider joining us in our efforts to preserve this wonderful historic building. If you would like to do so or learn more about what is involved, please contact myself (262397) or Caroline Ross Stewart (263701)

"Lunch at the Movies", our summer lunchtime concert and barbecue was a great success. A very good audience came to enjoy the music and the excellent barbecue lunch. The audience singalong was terrific. So many good voices – you should all join the choir! And of course, the weather was fab which always helps.

Our autumn concert will be more reflective. It is a commemoration of the end of the Great War and is called "Airs for Armistice". We will be singing music predominantly by composers who served in the war, from many nations – British, German, French, Russian, reflecting that the tremendous loss of life was on all sides.

The concert is on 24th November at 7pm in St James' Church and rehearsals start in the school on 6th September at 7.50pm. Come along and give it a go.

We will also be singing for the British Legion on Armistice Day.

Tune ringing on handbells

We are currently enjoying a summer break but practices will resume on Tuesday 4th September in the Church Hall from 1.45 – 3pm. Why not come along and give it a go?

A date for your diary:

Sunday 9th December in St James' Church at 3pm. The Wormingford Handbell Ringers will give a performance of about an hour. It is definitely worth your while to come and listen to this group. There will be an opportunity to handle a bell which may inspire you to take up this skill. Tea and cake will be available after the concert. The Wormingford Ringers were due to entertain us last December but poor weather meant cancellation, hopefully conditions will be better this year.

This has been a busy couple of months for the Society involving the preparations for Open Gardens, which is reported on page 34. The Society was also pleased to be involved with advertising the walk led by Chris Hunt on the 2nd of June celebrating John Constable's 200th birthday. Eleven walkers joined Chris at Stoke by Nayland and were kept highly entertained and amused by Chris as he related various stories relating to Constable's life. The walk concluded at St James' Church where we had an opportunity to have a close look at Constable's painting of Christ.

Many of you will have been pestered by organisations (including ourselves) following the introduction of the General Data Protection Regulations. The Society has adopted a privacy statement a copy of which is set out below. In due course it will be published on the Society's website.

On the 25th June the Society held its second open meeting of the year and received a talk on the subject of *Pargetting* from the hugely experienced Bill Sergant and his colleague Andrew Fawcett. The artistic skill demonstrated by both Bill and Andrew was breathtaking. They do not use moulds but free draw the design on the wall or ceiling before applying lime plaster. Bill presented a substantial number of photographs showing the work carried out by him and his colleagues, which demonstrated the vast range of subjects and many techniques that they use to produce such fine work.

Please remember that the Society's next visit will take place on the 5th of September when we shall visit Coggeshall Abbey at a cost of £18 each person. As our visits are in much demand it would be wise to book your place as early as possible. Please email me at mikejphunter@gmail.com if you wish to join us.

Finally our next open meeting will take place on the 8th of October when we shall hear from Peter Minter who will talk to us on the extraordinary history of the Bulmer Brick and Tile Company.

HORTICULTURAL SOCIETY

The **Morning Market** held on 19th May was very busy as visitors snapped up the array of bedding, vegetable and perennial plants, delicious cakes and preserves or had a flutter on the raffle. As usual there was a very happy atmosphere to relax and enjoy refreshments with friends. We are very grateful to everyone who supported the market by donating items for sale or for the raffle, helping us man the stalls or coming along on the day. This is our main fundraising event which helps generate funds for our activities.

The annual **Summer Garden Party** on the 13th July was well attended. The evening was sunny and warm, so we were able to sit outside at tables, to enjoy Sue and Andrew's beautiful garden. As the evening progressed and turned a little cooler, we withdrew into the warmth of 'Parkers' outbuildings and conservatory, where a good spread of food and drink was provided. Thank you, Sue and Andrew, for your hospitality and thanks also to Trevor and the Committee for organising such an enjoyable evening.

Our **coach outing to Lullingstone Castle and Gardens** on the 6th June was a successful trip. The feedback the Committee has received was very positive.

Our annual **Flower Show on 4th August** is approaching fast. The event starts at 2 pm in Nayland Village Hall, with prize-giving at 4.30. Entry forms for the show to be returned no later than 6pm on Wednesday 1st August to 9 Birch Street, Nayland, CO6 5JA. Show Schedules have been distributed locally. Further copies can be downloaded from our website, or are available from the Show Secretary on 01206 262529, or by email: misyfbond@btinternet.com. There are 88 classes for vegetables, fruit, flowers, flower arranging, cookery, art and crafts and country drinks. Also included is a section for home grown disasters – exhibits that went horribly wrong! There are also children's sections (8 years and under and 9 – 14 years) as well as a family section. It's a fun and friendly village occasion and we look forward to seeing you at the show, whether you are participating or simply admiring the exhibits.

On 16th September we have a **coach outing to RHS Hyde Hall**. The coach leaves Nayland at 9.30 and returns from Chelmsford at 4.00 pm. The cost is £20 to include travel and entry. Refreshments are available and the trip is open to members and non-members. Space is limited so early booking is advisable. Bookings can be returned to the HortSoc box in the Post Office, or directly to Trevor or Margaret Smy at 24 Harpers Estate.

On the 16th October our Autumn speaker Barry Gayton will be in the Church Hall to tell us about the '**Hidden nurseries of East Anglia**'. Arrival time 7.40 for 8.00. As there is limited space in the Church Hall please come early to avoid disappointment.

Looking further ahead to our Joint Meeting with the Conservation Society on Monday 12th November Dougal Urquhart will be the speaker on the subject '**The Perils of Bird Migration**'. All are welcome to the Village Hall at 7.15 for 7.30pm.

THE FRIENDS OF CALEY GREEN

Sally Dalton johnansal@live.co.uk 262675
 Linda Allen timallenwindows@gmail.com 01473 827086

You may have noticed some No parking signs appearing on the green at the weekends. We have, together with the Parish council, produced five signs that have been in use for about six weeks. So far they seem to be working in reducing the number of vehicles parking on the green.

The willow tree straddling the river by the bridge has not helped as it makes it difficult for the various river users to unload and launch their craft. I had hoped the tree would be gone at the time of writing. It's been there so long it's probably taken root in the river. However, there is some good news we do now have start dates for its removal. The heavy lifting gear has been booked and work is scheduled to start on the 13th of August.

We have continued with our litter picking and general maintenance on the green and the near vicinity. Working with the Nayland Meadow Land Company two of the Friends arranged to have the river bank cleared of nettles and weeds, this has greatly improved the view from the green across the river and beyond.

We are applying to Suffolk County Council to continue our reed clearing and maintenance in the autumn. The removal of the old weak reeds last year means that there is an abundance of new reeds and very little cress which is good news. We are also liaising with the Environment Agency to see if the navigation from the bridge to the weir can be improved by removing the below surface vegetation.

DUCKS SWANS AND A GOOSE TOO!

Fact:- A goose can live between 15 to 25 Yrs

Gordon the goose left the bus shelter on schedule at the beginning of June and is now back amongst the ducks. There have been several broods of ducklings although only a few have survived. The inexperienced hens seem to lose all their ducklings, but the more experienced hens have managed to raise three ducklings each. They are now of a sufficient size to be less vulnerable to predators. The swans raised one cygnet from the four that hatched I was told the others were lost over the weir and despite searches were not found. The cygnet is now able to leave the water and manages to waddle a short distance before needing a rest. There is an abundance of fish this year and baby moorhens have also been seen.

 Report by: Colin Ramsell 264006

During a recent meeting we welcomed back our visiting tutor Vernon Lever to work with his guidance on a landscape water colour of the Deben estuary complete with a sailing barge featured.

For our next meeting will be leaving the familiar Church Hall to take up residence for an afternoons painting and sketching in fellow member Colin Ramsell's garden in Birch Street. If the numbers in attendance are particularly high he has arranged with his next door neighbour to make use of his garden also while he is away carp fishing.

On Wednesday 18th July we are off for our annual Summer Cream Tea get together, this year at Fillpot's Nursery Tea Room, to enjoy ourselves without our brushes.

Finally just a reminder to all members to look out your entries for the Nayland Flower Show painting and drawing section before it opens on the 4th August (entries forms to be submitted by Wednesday 1st August). Your entries can be dropped off at my house at 9 Birch Street and I will take them to the Village Hall to display.

NAYLAND SURGERY NEWS

www.northhillsurgery.co.uk

Rachel Beales, Practice Manager 578070

We are currently running a pilot scheme with regards to appointment booking at the North Hill, West Bergholt and Nayland surgeries.

We are aware that there have been difficulties with appointment availability and patients have been frustrated that they have not been able to book in advance.

We are now offering 2 types of appointments – pre-booked appointments with specific doctors at Nayland and North Hill surgeries and emergency appointments with any clinician who is available at our West Bergholt surgery.

Nayland and North Hill surgeries have appointments which can be booked up to 2 weeks in advance. West Bergholt will act as an acute hub for urgent and emergency queries -patients will be telephoned back by a clinician from the hub and either offered advice over the telephone or booked into an emergency appointment if required.

It was decided that West Bergholt should be the emergency hub due to its geographical location being closer to North Hill and central to the practice area.

Some of the difficulties we are experiencing with appointment availability are due to the retirement and moving of clinicians within the surgery so the number of available clinicians is reducing. We are actively recruiting more clinicians and have a number of GPs who will be joining us over the end of the summer months. We are also looking at alternative medical professionals for support such as paramedics and pharmacy technicians.

We are also working with the Care Network which is a voluntary organisation based in West Bergholt, to assist with the West Bergholt patients in attending appointments at Nayland Surgery.

Future changes with Extended Access: The Government are committed to patients being offered access to primary healthcare from 8am-8pm 7 days a week. As part of The CoTe Partnership extended access will be provided from hubs based across the area. Currently these hubs will be Creffield Medical Centre and Ambrose Avenue Surgery. There are no confirmed dates for the start of this service as yet but we will advertise on our website and in the surgery as soon as they become available. We will be offering extended access at these hubs Monday – Friday 8am – 8pm and availability over weekends (times to be confirmed).

Flu vaccinations: We are starting to plan our annual flu vaccination campaign. This year there are different vaccinations available for patients depending on the age of the patient at the time of vaccination. As with previous years all patients over the age of 65 and those patients aged under 65 with a long term condition such as diabetes or asthma, will be invited in for their annual flu vaccination. We will be writing to patients to advise them of the vaccination clinic times and dates as soon as possible. We are waiting on final confirmation of delivery dates of the vaccines before we arrange the clinics.

FABULOUS FUN DAY

Nayland School Fete and the Circus comes to Nayland

On Saturday 16th June, Nayland was buzzing with balloons, bunting and stunning Circus tricks!

The day began with the school fete which had games, inflatables, raffles, refreshments, animals and fabulous entertainment from the children! The playground was lively with stalls, cheer-leading, dance displays & brass music, all kindly provided by the children of Nayland School amongst other members of HRC All Stars & Sisters dance group.

The fun went on until lunchtime when the activities and entertainment continued down at the village hall field. A venue beaming with colour as the stripy circus tent was filled with music, clowns, acrobatics and tricks. So many smiling children gasping in amazement as they saw tricks to confuse and stunts by dads that amazed!

Nayland Primary School HSA and Woodland Corner came together to provide the afternoon of treats to fundraise for the children of Nayland.

It was a day of high spirits and sunshine and raised an overall amount of £2,000.

Thanks to everyone that joined us and volunteered to help on the day.

NAYLAND PRIMARY SCHOOL : YEAR SIX, THE EAGLES

Mrs Kennedy, Year 6 class teacher

It's been an incredibly busy end of term for the Eagles. As this is being written, 28 out of 30 Eagles are on their transition week at Thomas Gainsborough School, who are very fortunate to be receiving this year's crop!

As well as working hard for the statutory tests in year 6, the Eagles have very successfully put on a production of an end of year play. As well as acting, making props, designing programmes and tickets and working out costings, the Eagles also wrote some of their own material for the play - which was based on a fictional five-day residential trip. The comedy (performed at Nayland Village Hall) had the audience in stitches and pleasantly surprised at what their children had achieved.

Good luck to all of our Year 6 pupils at their new schools next term.

NAYLAND SCHOOL CHOIRS

Emma Bishton and Jayne Kennedy

NAYLAND SCHOOL CHOIR & YOUTH CHOIR – 10TH ANNIVERSARY CONCERT

This year's Summer Concert (held in the Village Hall) was a special one, marking as it did the 10th anniversary of the formation of Nayland School Choir. The choir was founded by Emma Bishton and Jayne Kennedy with an enthusiastic group of 13 singers: from small acorns...

The choir very much spear-heads music making at school and performs regularly; indeed the instigation of The Summer Concert is as a direct result of the choir. To mark the anniversary many ex-members of choir returned to participate in the 'Returners band and choir'. Ollie Hughes (an original member of the choir) arranged *It Must be Love* for alto sax, trumpet, French horn, trombone and tenor sax and lead the singing. The concert ended with the Returners Choir on stage joining the two Nayland School choirs for rousing renditions of *Happy* and *Sing*.

Of course, as well as choral contributions, the Summer Concert also provides a platform for soloists, the Ukulele Orchestra, brass ensemble and dancers. A longer than usual concert still didn't feel long enough to show case all of the skills of current and past pupils.

Many thanks to all the musicians who took part, Nick Moriarty for the staging and lighting; Andrew Cottingham for the sound; staff from Nayland School for their support and to Ginny Day, Becky Pentney and Mandy Cook for their contributions to Nayland School Choir.

Here's to the next 10 years!

The 16th of June was a fantastic day, extremely busy with the Nayland School Fete in the morning and then everyone headed to the village hall for the Pop Up Circus. The children were invited to show off their hula-hooping skills, and some lucky fathers were selected to perform a party trick. Thank you to Collett's Farm Kitchen for the delicious burgers and pulled pork, Green's Fish & Chips, and the ice cream van.

We have had lots of outdoor fun this half term making the most of the lovely weather. We have enjoyed lots of water play including splashing in our paddling pool, been busy role playing 'circus', 'at the beach' and have set up the 'passport control desk'. We have continued with transition activities and joined in with several story-times with the Cygnets at Nayland Primary School. We all enjoyed a very warm and sunny family sports day and then we all had a picnic by the river afterwards.

This term we have had Forest School sessions on Tuesday mornings, the children have enjoyed making dens, learning how to use tools, made leaf crowns, and lots of forest crafts.

Maxim Sports have been visiting to run our after school early years football sessions and Little Feet multi-sports with our pre-school children on a Thursday afternoon.

We have had a trip to Cudmore Grove, East Mersea, a Teddy Bears Picnic, and said a fond farewell, at our graduation ceremony, to 17 of our children going to school. We will miss them and wish them luck at their primary schools. The children joining us in September have been visiting for settling in sessions.

We still have spaces at pre-school, breakfast and after-school clubs in September please call or email if you would like details.

We have summer holiday club on 1st, 7th, 9th, 13th, 15th and 23rd August and holding a stay and play session on 20th August.

Save the date for inflatable fun on Saturday 15th September, 2-5pm at the Village Hall Playing Field. Our next cake sale is outside Kerridges on Saturday 6th October.

Our AGM will be held at the Anchor on Wednesday 19th September at 7.30pm.

Thank you to everyone who has and continues to support us.

Following on from a successful grant application to the Community Council and financial backing from the Village Hall Management Committee, Marks Tey Radio have been instructed to undertake the work required to resolve the highlighted sound issues in the Village Hall.

This work will be carried out on the 9th/10th August with the relaunching of the Cinema scheduled for **Friday 14th September**. Doors will open at 7pm with the film commencing at 7.30pm. Refreshments will be available before the film screening and in the interval.

The film chosen to relaunch the Nayland Cinema is *'The Guernsey Literary and Potato Peel Pie Society'* which is centred around a writer who forms an unexpected bond with the residents of Guernsey Island in the aftermath of World War II.

"It is a richly layered film that is both uplifting and moving encompassing a war story, a mystery tale and a love triangle while instilling an enticing sense of place for its stunning Guernsey setting." It is certificate 12A.

So do come along for the Cinema relaunch where the film on this occasion will be screened free of charge and collect your Nayland Cinema Loyalty Card.

If you would like to reserve a place please email me at the above address.

I would be grateful for any volunteers to help serve refreshments.

Registered Charity No 304 928

Chairman: Iain Wright 263646 Secretary: Christine Thompson 262825

JULY COMMITTEE MEETING

MATTERS ARISING & HOUSEKEEPING BOOK

- Comments and housekeeping books were checked. There were no new comments. Tricia Fuller will keep the housekeeping book and bring it to the meetings.
- Nick Moriarty has investigated the hearing loop.
- The calendar was read out. The hall floor will be inspected and someone will be found to clear out the gutters.
- The monthly fire checks for June and July were completed. No problems found.

- The owner of the former Catholic Church will be asked to cut back the overhanging tree.
- Stuart Mosely will be asked to prune the shrubs at the front and right hand side of the building, to weed the former youth club garden and to remove the weeds growing around the building.
- Adam Crisell has been asked to quote for putting up hooks for hanging bunting and flags and to place battens at a suitable height for hanging pictures. He will be reminded.

HALL MATTERS AND MAINTENANCE

- A Hadleigh firm will be asked for advice on the front doors to the Hall.
- The fire shutter on the bar is still causing problems.

- Options for fundraising were discussed.

CINEMA

- Marks Tey Radio will install the new sound system on 9th/10th August.
- The cinema will be relaunched on Friday 14th September.

BOOKINGS

- The issue of access to the Hall by keyholders was discussed once more. It was agreed that the present access arrangements should continue and that the caretaker will be informed by email when hirers are allowed additional access. The VHMC will not lend out their keys without informing the caretaker. Efforts will be made to have other keys returned to the VHMC. Karen Freeman will be supplied with a set of keys.
- The issue of hirers booking too close to the previous hire was discussed. There already is a note to hirers telling them to leave an hour between bookings to allow for cleaning time. It was decided that the Bookings Secretary will keep a close eye on the bookings and liaise with hirers to avoid problems.
- The status of the car park was discussed. Can hirers have exclusive access to the car park for their event or not? Tricia Fuller will ask the Parish Council to clarify this.
- Hirers will be told to bring their own microphone and speakers for their event.

• One licence was signed.

TREASURER'S REPORT

AOB

- It was agreed that the Community Post Office could use the bar to sell newspapers from while the Post Office building is being renovated. This will probably be in November.
- The Parish Council's annual tree inspection report has been carried out and will be discussed at their next meeting.

Garden Notes *by The Old Muckspreader*

It has been a long time since the start of one of these articles has been a complaint about extreme heat and shortage of water. What can be done to preserve our gardens? Firstly, the lawns; they all look awful, but grass is tough and will recover in due course when rain finally returns, and unless you are running a golf course or something similar it's a waste of time, money and natural resources to water grass. When it comes to plants, one has to try and judge which ones will recover naturally, and which really do need assistance. Most shrubs probably have sufficiently deep roots, and the same goes for most perennials though at the moment some, like the Phloxes, look pathetic. Annuals, vegetables, many bedding plants and anything planted recently will need watering, and this should be done in the evening, or when the sun has gone off the plants.

If you have something that really needs cossetting then it might be worthwhile to try a mulch around the plant after it has had a good watering. This can take the form of grass mowing (a bit late but you may find some from the heap), leafmould or even stones, anything in other words to prevent the moisture from evaporating.

At this moment one of our favourite trees a Catalpa, or Indian Bean Tree, is in full flower and is really quite a sight. Raised from a single seed pod picked up in Regent's Park, London about 35 years ago, it is covered with its clusters of white flowers, not unlike those of the Horse Chestnut, but with more impressive centres, to be followed by seed pods looking like giant runner beans. Not one for the small garden, it has spread to cover about 12 square yards. The only worrying thing about it is that it's growing in an area where over the years an Apple and two Eucalyptus have succumbed to Honey Fungus.

Some friends told the OM/S the other day that they recently planted a Cornus "Norman Hadden". This is a beautiful shrub which took its name from the man who first bred it, was head propagator of one of the larger English nurseries. He well deserves such immortality. It's a beautiful shrub, which we had here for many years (like so many good things from the late Christopher Lubbock) until it died suddenly. It produces large pale pink flowers, strictly speaking bracts, followed by large inedible fruits in autumn and the leaves are also attractive, so it really is a first-class plant.

The Cornuses, or Dogwoods, are a large family members in all shapes and sizes. Another good one is Cornus Mas, which produces a mass of golden stars in early spring, followed by edible (well, up to a point) fruits. Cornus Florida is usually grown not for its flowers, which are nothing special, but for its coloured stems, a great standby of the garden in winter. To achieve this effect it's necessary to cut down most of the older stems in autumn, leaving the younger ones. Varieties are available in several colours from yellow through red to dark purple, and are the standby of winter gardens, such as at Anglesey Abbey and Cambridge Botanic Garden.

Next time we meet doubtless the complaint may well be lack of sun and excess of rain.

Gas explosion at Nayland at the premises of Mr Last, Baker, who was knocked down but not seriously hurt. A recently laid gas pipe was found to be shattered. The explosion was caused by gas leaking from a drain and being ignited when Mr Last lit his lamp on returning to the premises late at night. *[Joshua Last was a Baker and Confectioner at 7 Mill Street. Magnificent Meteor. On Tuesday evening about 11 o'clock a beautiful meteor was seen from the village. It was at first taken by some for flashings of lightning and appeared to be travelling in an easterly direction, leaving behind a very long trail of yellowish light visible for a few seconds. Nothing could have exceeded its brilliant effect.

The paragraph in Saturday's Daily Mail on the apparent dislike of spiders to spin their webs on Spanish chestnut has brought letters from a number of readers. "There is a 15th century house in Nayland Suffolk," writes CEF of Streatham-hill, London, "one of the bedrooms has a Spanish chestnut roof beautifully carved. No cobwebs ever appear on this roof. It was supposed that a resinous exudation was the cause of this and indeed the wood has, in spite of its great age, a shiny, almost moist appearance". *[CEF was Charles E Fenn whose family lived at Alston Court]*

Furrow Drawing Competition. The Nayland & District Branch of the British Legion held its fifth annual furrow drawing competition in a field on the Stoke Road, kindly lent by Mr Geoffrey Wear. The Branch Chairman, Col Sykes, DSO, thanked Mr Wear for loaning the field and motor tractor, Mr Knott of The Pond, Polstead, for the pig and horses and plough, Mr E Pickering for horses and plough. Some excellent furrows were drawn as was evident by the narrow margins which divided the winners. There were classes for Ladies, Non Ploughmen, Ploughmen and Ex Ploughmen.

"No one speaks for us" claim at a Leavenheath public meeting. Many people lived in Leavenheath, attended church there and sent their children to the village school yet there had never officially been a parish of Leavenheath. The village was split between 4 parishes and was seeking to form its own parish council. Over half of the 300 residents live in Stoke- by-Nayland, the rest in Assington, Nayland and Polstead. And so, in the Village Hall of the place where 100 years ago, as the Rev Clibbon told those present, "there was nothing but heath and the people were wild and lawless", a resolution was passed that application be made to the County Council for the creation of a separate civil parish and parish council with a boundary the same as that of the ecclesiastical boundary.

OPEN GARDENS

On Sunday the 10th of June Nayland was once again crammed with visitors for this years Open Gardens event, which broke last year's previous record for fund raising.

Twenty-one gardens were available for public view plus the churchyard of St. James. The Society also received a visit from 41 members of the St Albans University of the Third Age who arrived by coach to be greeted by Chris Hunt who kindly gave them a conducted historical tour of the village interspersed with garden visits. As usual in the village hall, delicious cakes, teas and coffee were available for our visitors and like last year, an art exhibition curated by local art tutor Anna Boon was on display.

The event produced a record income of £3461 and the Society wishes to thank the many volunteers, including programme sellers, cake makers, tea ladies, flower ladies, car park attendants, our treasurer and last but not least the garden openers for their supreme efforts. Particular thanks must go to the Society's honorary secretary Jill Slater who planned the day so successfully.

On the following Thursday, committee member John Partridge and his wife Clare entertained the Open Gardeners and the Society's committee members and their spouses at their home to thank them for their efforts. In a speech to the assembled group special mention was made of Barbara Bungay who has opened her garden throughout the history of the Open Gardens scheme. The Society committee has resolved that from the funds raised, the sum of £1,000 will be donated to Nayland Community Store Limited in the event that it is successful in acquiring the Post Office.

New Industry at Nayland Mill. The acquisition of the old mill facing the ancient Queen's Head Hotel, by Gainsboro Products (Textiles) Ltd of Wivenhoe, Essex, as a centre for making up light clothing, strengthens a new link with a local industry of the 16th century The Wivenhoe Company bought the mill about two months ago and hope to start work there in about three months time. Mr J Ellis, Managing Director, said "We hope to encourage local labour and ultimately to employ up to 50 people and to provide, if required, local out-work to skilled machinists."

A horse walked into a bar ... really! Limbo the pony knew where to look for company when he felt lonely on a Friday night. He escaped from his paddock and headed straight for

the nearest pub. Customers at Nayland White Hart stared in amazement as the shaggy black Shetland nosed open the door and trotted up to the bar. Landlady Joy Walters said "We couldn't believe our eyes ... We had no idea whose pony it was so we let him stay put while we called the police. He took quite a liking to one of our regulars, Harry Sargeant, and kept trying to steal his beer". Limbo's owners live about 100 yards from the White Hart at Alston Court. They said that until recently Limbo had shared the paddock with other ponies which had been taken away and he was missing them and feeling quite lonely. *[This story is a reminder that the White Hart after almost ten years remains empty and unloved, except by the many local residents who have happy memories of times spent there.]*

A RECORD SUCCESS FOR NAYLAND CHURCH FETE

Warm sunshine on Bank Holiday Monday drew hundreds of visitors to Nayland Church Fete on the village playing field.

Treasurer James Carver said the Fete surplus was approaching £15,000, a new record. The sum includes £2,352 raised from pre-fete sales of donated items.

"We were very lucky with the weather and it all went well. Everyone enjoyed themselves," he added. Profits go to St James' Fabric Fund.

Traditional features included the Victory Jazz Band who entertained during the afternoon. Another highlight was a display of 27 gleaming classic cars.

Plenty of volunteers took part in the children's and adult sports and there were three tugs of war for men, women and children. Well stocked stalls and sideshows all did a brisk trade.

Nayland fire engine was also there plus two new female crew members and youngsters were able to sit behind the wheel.

The Friends of St James took £343.20 from their strawberry stall and a stall organised by Wiston residents selling a variety of goods raised £1,010 for Friends of St Mary's.

MC for the afternoon was Chris Hunt.

CHURCH FETE THANKS

What a wonderful day for Nayland Church Fete. The threatened thunderstorms stayed away and we had probably the hottest day of the year so far! Thank goodness the latest addition to the fete, the Pimms stall, was up and running to keep everyone refreshed.

There was plenty of opportunity to shop for books plants and toys and lots of ways to show off throwing skills, with china smash, coconut shy, bowling and sponge throw!

The current format of the fete, whereby all stalls are run and organised by the generosity of numerous volunteers, ensures that the fete succeeds in raising funds for the St James's Church Fabric Fund. The Fabric Fund can only be used to improve or repair the fabric of the church, a wonderful, historical building that benefits the whole community.

As you may recall, St James's Church committed to a large repair programme last year, much of the stonework required repair. This year we have been required to pay the final bills for the repair work (approx £ 3,600). The next project is to build an accessible WC and small kitchen in the church, which will enable the wider community in Nayland to use the church for events other than services. This is likely to cost approx. £45,000. We have received commitments from four charities of £19,500 to help with these costs and the Friends of St James has also been extremely helpful in providing financial support. Accordingly this year's proceeds will also be used to pay for part of the WC/kitchen project.

So much work goes into organising the fete by large numbers of people, and we are very grateful to all those that lend things, donate things, buy things, provide sponsorship and prizes, as well as those who organise, wash, sort and price items for sale, put up marquees, make cakes, run stall, and count the money.....

This winning formula has been developed over the past 20 years by Andora Carver and her husband James. They have decided though, at the end of their 20th year, to make the very difficult decision to stand down. We all want to thank Andora and James for their tireless energy and commitment to the fete.

NAYLAND 10K FUN RUN

With scorching temperatures one could have forgiven runners in the 2nd annual Nayland 10k for being a little half-hearted – but spirits did not wane – and the runners did a fantastic job, recreating the buzz and energy of last year’s event. Nearly 900 runners signed up, 300 more than last year, to enjoy the scenic, mostly off-road route taking in the local countryside.

A proportion of the profits from the event – which included a 10k, 5k and 1k run – is donated to local charities, Colchester Hospitals Charity and Nayland with Wissington Community Council.

Luke Rumbelow of Event Nation, organiser of the event said: “Once again, it was an absolute pleasure to organise the second Nayland 10k. I would like to thank the volunteers of Nayland and the surrounding villages, my family and everyone who entered and enjoyed the run. We are delighted with the amount raised for Colchester Hospitals and the Community Council! See you all next year!”

Rachel Hitchcock, Chair of Nayland with Wissington Community Council said: “It was great to see so many runners of all ages taking part in this event – and enjoying the beautiful countryside around Nayland. Big thanks to them and to the volunteers who helped on the day for braving the heat and contributing to the lovely atmosphere. The Community Council is extremely grateful for the donation of £1433, which is a significant contribution to our funds and will help support a wide range of community activities.

The date for the 2019 Nayland 10k is Sunday 30th June.

Dear All,

Did you know our Diocese produces a weekly newsletter (called eNews) which can be delivered to your inbox, and gives a round up of events across the Diocese? If you don't and you'd like to subscribe, please visit: <http://cofesuffolk.us2.list-manage.com/subscribe?u=c52dd45d5732d5bd4c5aa7748&id=f9db65220e>

A copy of the newsletter is usually to be found pinned in the porch of each of our churches, and is often referred to by members of our ministry team in the notices section of services, and parts of it are copied onto pew sheets. You can read online copies in the archive here: <http://www.cofesuffolk.org/publications/e-news>

I was inspired to mention it in this column having read this week's eNews (dated 5th July) for two reasons:

Firstly, as the leading item in the newsletter was describing a service held recently at the Cathedral in Bury St Edmunds at which Bishop Martin ordained 34 new Priests and Deacons to serve in parishes across the county.

The article states: The new priests and deacons will bring both youth and decades of experience to their new roles, coming from all sorts of backgrounds. Bishop Martin said: *"I am thrilled to be ordaining so many men and women to serve as deacons and priests across Suffolk. I believe this could be the highest number of people being ordained in Suffolk for many years and reflects a growing interest in people across the county seeking to serve in this demanding and rewarding ministry, making a difference to others' lives."*

I couldn't think of better illustrations of the success of the current diocesan vision: Growing in God. If you haven't heard of Growing in God, and all its many strands you can find details on the Diocesan website: <http://www.cofesuffolk.org/growinginGod>

Though offering one's time to serve others is indeed demanding, it is always rewarding. It is also a central part of the sense of God's call that all Christian disciples feel, and that expresses most profoundly God's love for all.

Those 34 men and women recently ordained – and the many others across the county who fulfil many and varied roles in our parishes– give their time and energy to share God's love, and to serve others in whatever capacity, not for the personal reward it may bring, but because it is an act of love. A way of sharing the 'good news' of Jesus life and death and resurrection. A love that is for all.

The second reason I was drawn to mention the Diocesan eNews I read last Thursday, was the information it shared regarding the celebrations to mark the 70th birthday of the National Health Service at Westminster Abbey on the 5th July 2018. It detailed the address given by the chief executive of the NHS Simon Stevens. He started by quoting the reading from the service:

I was sick and you took care of me - St Matthew, Chapter 25.

He went on to praise the service in communities across the UK of all those who work and volunteer in the NHS, and quoted the Archbishop of Canterbury, Justin Welby from his latest book where he argues that the NHS:

"is the most powerful and visible expression of our Christian heritage" because it "sprang out of a concern that the poor should be able to be treated as well as the rich."

Mr Stevens said: "That has become a unifying ideal – across this nation, and down the generations. A health service that belongs to us all. To those of all faiths, and of none."

I would argue that those many thousands of staff and volunteers across the country are also drawn to spend their time in the service of others, not just for the personal reward it brings, but also for the opportunity to express their love and care in the service of their fellow men, women and children.

If you have the opportunity this week to pray, or to reflect in a quiet moment - or indeed in the midst of a busy life - then I urge you to offer thanks for those who serve others in whatever capacity.

With every blessing, Derek Johns,

Reader (at the date of writing – 'in-training' for one more month)

£646.53 was raised between Nayland and Wiston for Christian Aid. Very many thanks to helpers and those who donated, also to the Post Office which proved a useful drop-off point for the collection envelopes. This year's total fell short of last year's by £16!

BABERGH DISTRICT COUNCIL

COUNCIL DEMONSTRATES OVER 6 YEARS OF HOUSING LAND SUPPLY

Babergh District Council has published its Annual Monitoring Report, demonstrating a Housing Land Supply of 6.7 years – meeting the government’s requirement of 5 years.

As of today, Wednesday 11 July, the Council considers it can demonstrate this land supply, meaning that Babergh can prove that there is enough deliverable land to meet the number of homes that need to be built over that period to meet housing need.

The Council has been unable to demonstrate this land supply since April 2017, but now the updated figure has been made possible as a result of a proactive approach to delivery.

The National Planning Policy Framework specifies that, if the Council cannot demonstrate a 5 year Housing Land Supply local planning policy for the supply of housing should not be considered up to date and thus carry less weight.

With the publication of the updated 5 year land supply position planning officers will now be reviewing all current application and pre-application enquiries on which this has a bearing. This includes all applications for which formal planning permission has not yet been issued.

Now that Babergh can demonstrate a 5 Year Housing Land Supply, the Council will have greater control to implement the local policies that District Councillors have endorsed, and puts the Council in a stronger position to refuse inappropriate proposals.

Cllr Nick Ridley, Babergh District Council’s Cabinet Member for Planning, said: “The scale of the housing challenge in the UK is clear: a great many local planning authorities do not

have a 5 Year Housing Land Supply as demand for housing rises. Thanks to the tough choices taken at Babergh, both by our Planning Committee and by the Cabinet, Babergh is now one of the authorities who can demonstrate a supply. This will give us more room to shape housing delivery within the district and ensure we build the housing our communities need, with as much local influence over developments within the district.”

The full Annual Monitoring Report is available online at: <https://www.babergh.gov.uk/planning/planning-policy/evidence-base/annual-monitoring-report-amr/>

REVIEW OF AREAS OF OUTSTANDING NATURAL BEAUTY (AONBs)

Many readers will know that Nayland sits in the nationally designated Dedham Vale AONB. Some may have heard of a national review of designated landscapes. Michael Gove, Secretary of State for Environment, Food and Rural Affairs, announced the start of a Designated Landscape Review on Sunday 27 May 2018. This Designated Landscape Review was included in Defra’s 25 Year Environment Plan, and will review both National Parks and AONB’s, reporting back in 2019.

More information on the review and its terms of reference can be found in link

Feedback from James Finch - Your Stour Valley County Councillor

MAJOR REVIEW OF HIGHWAYS MAINTENANCE

On 22 June, a major review launched of the way highways in Suffolk are maintained. It will explore how Suffolk’s limited budget can be used to best effect when maintaining the county’s roads, pavements, bridges, verges, and other highways assets.

Areas to be reviewed include:

- Existing policy which determines how resources are deployed, known as the Suffolk Highway Maintenance Operational Plan
- How utility companies coordinate roadworks and are held to account for their actions
- How residents, councillors and businesses are informed about road repairs and how they can access information
- The approach to innovation within Suffolk Highways
- Financial control and contract management
- How the location of potholes on the road is considered alongside the width and depth, recognising the impact they can have on cyclists and motorcyclists
- **How town and parish councils can work more closely with Suffolk Highways to make the best use of local knowledge, skills, money and time.**

The views of local businesses, town, parish, district and borough councils and the public will be taken into account as part of the review. With immediate effect, a new Highways Improvement and Innovations Board has been established to oversee the areas that will make up the review.

BRINGING AFFORDABLE SOLAR POWER TO SUFFOLK

On 21 June, a call went out for homeowners, schools, small businesses and community groups to register their interest in buying high quality, low-cost solar panels. The aim is to reduce electricity bills and help Suffolk become the Greenest County. **Solar Together Suffolk** is a pioneering bulk-buying project, supported by SCC and local borough and district councils. It aims to bring affordable solar power to Suffolk and boost the

county’s renewable energy.

This comes at a time when many residents are interested in exploring solar energy but would welcome a helping hand to make an informed decision and find a trustworthy installer. Similar projects have delivered a discount of 25 – 30% to homeowners on the cost of a solar panel system. Typically, domestic users can expect their investment in solar panels to be repaid within 10 years.

How does the scheme work?

- Homeowners, schools, small businesses and community groups have until 21 August to register for free and without obligation at www.solartogethersuffolk.co.uk
- 22 August: pre-vetted UK solar PV suppliers participate in an auction. A large bulk order means they can pass on better savings to registered users.
- From 10 September: registered users will receive a personalised offer from the winning supplier.
- 19 October: deadline for registered users to make a decision.
- After accepting the offer, a technical survey will be arranged after which an installation date will be confirmed.
- Telephone/email support is available throughout the process.

ROADWORKS IN OUR AREA THIS SUMMER

There are a number of roadworks and resurfacing projects in the area this summer. For details of these and any updates look at: <https://roadworks.org/>. ALMOST A ¼ OF BURGLARIES DUE TO INSECURITIES

With Suffolk set to enjoy even more warm weather, police are reminding people to consider their home and vehicle security as a number of reported burglaries in the county during April and May this year were as a result of insecurities.

Of the 222 burglaries reported to police over the two months, 51 were due to a lack of security. This compares to 65 out of 185 reported in the same period last year which represents an almost 12% decrease in the proportion of burglaries. Many of the 51 burglaries were due to a lack of security with insecure windows and doors being deemed as two of the main ways in which opportunist thieves gained access to homes and vehicles.

Detective Superintendent Andy Smith said: "Although we have seen a drop in insecure burglaries, it will come as no surprise that the summer months are always popular for thieves and with warmer weather on the way, it is likely many of us will spend more time outdoors. Therefore, it's important that we all continue to take security seriously and lock up – even if you're in another area of the house or in the garden.

"Thieves are opportunist and operate quickly. Typically, they will look for the easy option by looking for gaps in security and are often not afraid to try door locks. If they see an easy way to enter a property and steal something valuable, sadly, they'll take it so I would urge people not to leave valuable items such as laptops and jewellery in view of windows.

"Remember to keep garages and outbuildings secure too as burglars look for utensils to help them break into homes. Be neighbourly by looking out for your local community and always report any suspicious activity to police. If you believe a burglary to be in progress always dial 999."

Suffolk Police and Crime Commissioner Tim Passmore said: "With the fine weather that's forecast for the coming weeks, it is only natural that we all want to open windows and doors to enjoy the sunshine, but I would ask everyone to be aware of their home security so we don't give burglars the opportunity to pounce.

"Suffolk is a safe place to live and we want to keep it that way. If we could all take a little time to read the constabulary's simple tips and check our homes and garages are secure, we will hopefully reduce the number of these opportunist burglaries and have a summer to remember for the right reasons."

Suffolk police offers the following advice to residents:

LOCK

- Lock all doors and remove the keys before leaving the house.
- Keep front doors locked even when you are at home and especially if you are in the back garden.
- Close all windows fully before you leave the house, lock downstairs windows and remove the keys.
- Use window limiters to allow air in instead of keeping windows fully open, even when you're at home.
- Install window locks on upstairs windows that can be easily accessed by a flat roof.
- Lock back gates using a sturdy lock such as a closed shackle padlock to no less than CEN 3-4 security grade or 5 lever lock.

LIGHT

- Make your home look lived in – use timer switches if you're not home.
- 'Dusk-to-dawn' sensed security lighting is a cheap, low cost way of making sure the front of your home or shed/outbuilding is well-lit.
- Visible burglar alarms can make burglars think twice; get specialist advice and consult your insurance company.
- You could also consider installing a Ring doorbell camera in order to potentially film an opportunist burglar in action. For more information, visit <https://www.suffolk.police.uk/news/latest-news/27-02-2018/suffolk-teams-smart-home-security-company-tackle-burglars>.
- Hedging and shrubs to the front of your property should be pruned to no higher than 1m and trim trees up from the ground to 2m. This will allow a clear line of sight across your property and will stop the garden being used as a hiding place.

HIDE

- Keep your valuables, jewellery, cash, passport and deeds to your property in a safe.
- Never leave spare keys in an open place. Be aware, burglars know all the usual hiding places so never leave a spare key under the doormat or under a garden gnome.
- Keep dustbins and wheelie-bins away from fencing/gates as these can be used by thieves to climb into windows or used to escape.
- Make sure valuables are property marked. Take photographs and keep a note of any serial numbers.
- Don't leave equipment and tools lying around that can be used by burglars to break into your home, such as hammers, shovels or gardening tools. Keep ladders locked away and out of sight.

For more security advice visit <https://www.suffolk.police.uk/advice/crime-prevention-z>

Anyone with information about thieves operating in their area should contact Suffolk police on 101 or Crimestoppers, anonymously, on 0800 555 111.

KENNY'S SESAW NEWS

Last month there was much reminiscing about England's football success in 1966 and the heat wave of 1976. We dogs don't mind listening to these memories so long as we don't have to wait on a hot pavement during the conversation. Even my Mexican roots don't protect my little pads in that weather! Despite the heat, the Melford

Street Fair was a good day for all concerned. Let's hope some volunteers come forward to continue this great annual event.

Mum has been kept busy with the usual young domestic and wild orphans brought in through the summer including a baby seagull. Naturally, as top dog around here, I introduced myself and received a sharp peck through the bars for my trouble. Charming. The cute little duckling in the photo was a much better behaved character!

We have been invited to the Beth Chatto Gardens Wildlife Fair, Elmstead Market CO7 7DB. This is a beautiful venue for two days of fun family events on 22nd and 23rd August. September is busy starting with a stall at the Wickham St. Paul Dog Show, CO9 2PT at 1pm on the 8th, our Autumn Fair at Gt. Bentley Village Hall, CO7 8LG, 11-3pm on 16th and a stall for two days on 22nd and 23rd at the National Country Show Live at Hylands Park, CM2 8WQ

Our garden is also lovely thanks to our helpers putting in hours of hard work and I'm off to smell the flowers. Maybe they will name a rose after me, **Kenny (the Boss) Chihuahua**
