CHILDREN'S KINGS & QUEENS FANCY DRESS PARADE

During the
Platinum Jubilee Street Party
on 5th June we plan to hold a
Children's Kings and Queens
fancy dress parade

There will be prizes for everyone
that enters and special prizes
for first, second and third.

Here are some ideas of Kings
and Queens through the ages.
It would be lovely to see
many children getting involved.
So get your thinking caps on!

THANK YOU

A big thank you to everyone involved in the Street Party on 5th June 2022 celebrating 70 years of the Queen's reign.

It was a wonderful event with a fabulous atmosphere and reflected the spirit of the Community Council in true Nayland with Wissington style. Whether you moved your car from the High Street (unnecessarily as it turned out), put up the bunting, rung the Church bells, sung in the choir, entered the fancy-dress parade, joined in with the community singing, were a member of the set up/clear up committee or just attended the event you were part of a day to remember. The praise for the event has been coming in from far and wide and I can honestly say it would not have happened without everyone's cooperation and support.

Thank you so much to Wendy Sparrow and her team of helpers for a wonderful 1950s exhibition which evoked so many wonderful childhood memories for so many people.

Thank you all for your Platinum Jubilee mug orders and a big thank you to the Parish Council and Community Council for jointly funding the mugs that were ordered for all under 16's who live in the parish.

Claire Buller, CC Jubilee Planning Team

Claire Buller greeted cheerful partygoers. They arrived laden with goodies and in celebratory mood; ready to eat, drink and be merry. 470 people booked seats to come and celebrate this very special occasion.

..... and dressed in their colourful finery and traditional patriotic attire

The Party started with the entrance of two very special guests; a young Queen Elizabeth and Princess Margaret (Aka Esme and Ella Ball).

They looked absolutely wonderful in full coronation dresses made for them by the very talented Lorraine Combes.

..... they led over 25 children who had dressed up as kings and queens for the fancy-dress parade through the hall and into the marquee for all to see.

At the end of the procession each child received a special medal from our Queen.

James Finch officially opened the Street Party and presented the Platinum Jubilee medals to our long serving Nayland Firefighters. We then heard the very special voice of Lucia Fortunato as she serenaded us with some 1950s classics.....

..... before we made a toast to Her Majesty and sang God Save the Queen

Everyone then settled down to eat their amazing picnics.

Some of the cakes and food platters really were a sight to see; a number of people had even made the Jubilee trifle.

Even Paddington Bear came along and there were bubbles galore.

Children were entertained by Punch and Judy Shows; there was also magic, balloon modelling. There were Union Jack bubble wands on table too – which it turned out the adults also enjoyed!

Nayland Primary School Choir and Ukulele Band entertained us and performed some hits from the 1950s

Nayland Choir then joined in allowing us all to enjoy some excellent community singing led by Emma Bishton. Lucia performed for us again accompanied by an array of very talented musicians masterminded by Mandy Cook.

..... this culminated with Sweet Caroline chosen by the BBC as the song for nation to sing at their Street Parties.

Wayne Buller was our MC for the Party, Foster Jones that he was a runner at the original coronation of Queen Elizabeth and Lucia Fortunato our amazing songstress
