

NAYLAND & WISTON **CHRISTMAS TRAIL**

Advent Windows, Christmas Tree Trail & Wreath Competition

Christmas was rather different in December 2020 due to the Covid-19 pandemic but that seemed even more reason for us to get together as a community and bring a little seasonal cheer to the streets of Nayland and Wiston.

Christmas Trees

The Christmas trees were displayed from 7th December.

For a little extra interest there was a question associated with each tree.

The answers are displayed on the following pages below the images.
