NAYLAND & WISTON CHRISTMAS TRAIL

Advent Windows & Christmas Tree Trail

It has been wonderful in recent years to get together as a community and bring a little seasonal cheer to the streets of Nayland and Wiston. Once again residents have set their Christmas creativity free to be enjoyed by us all.

Advent Windows

From 1st to 24th December windows around the village will be decorated and 'opened' each day. The map overleaf indicates the date each will be revealed.

Christmas Tree Trail

The Christmas trees will be displayed from 8th December. For a little extra interest there is a question associated with each tree (see overleaf). See how many you can get right - answers will be published on www.naylandandwiston.net from 24th December.

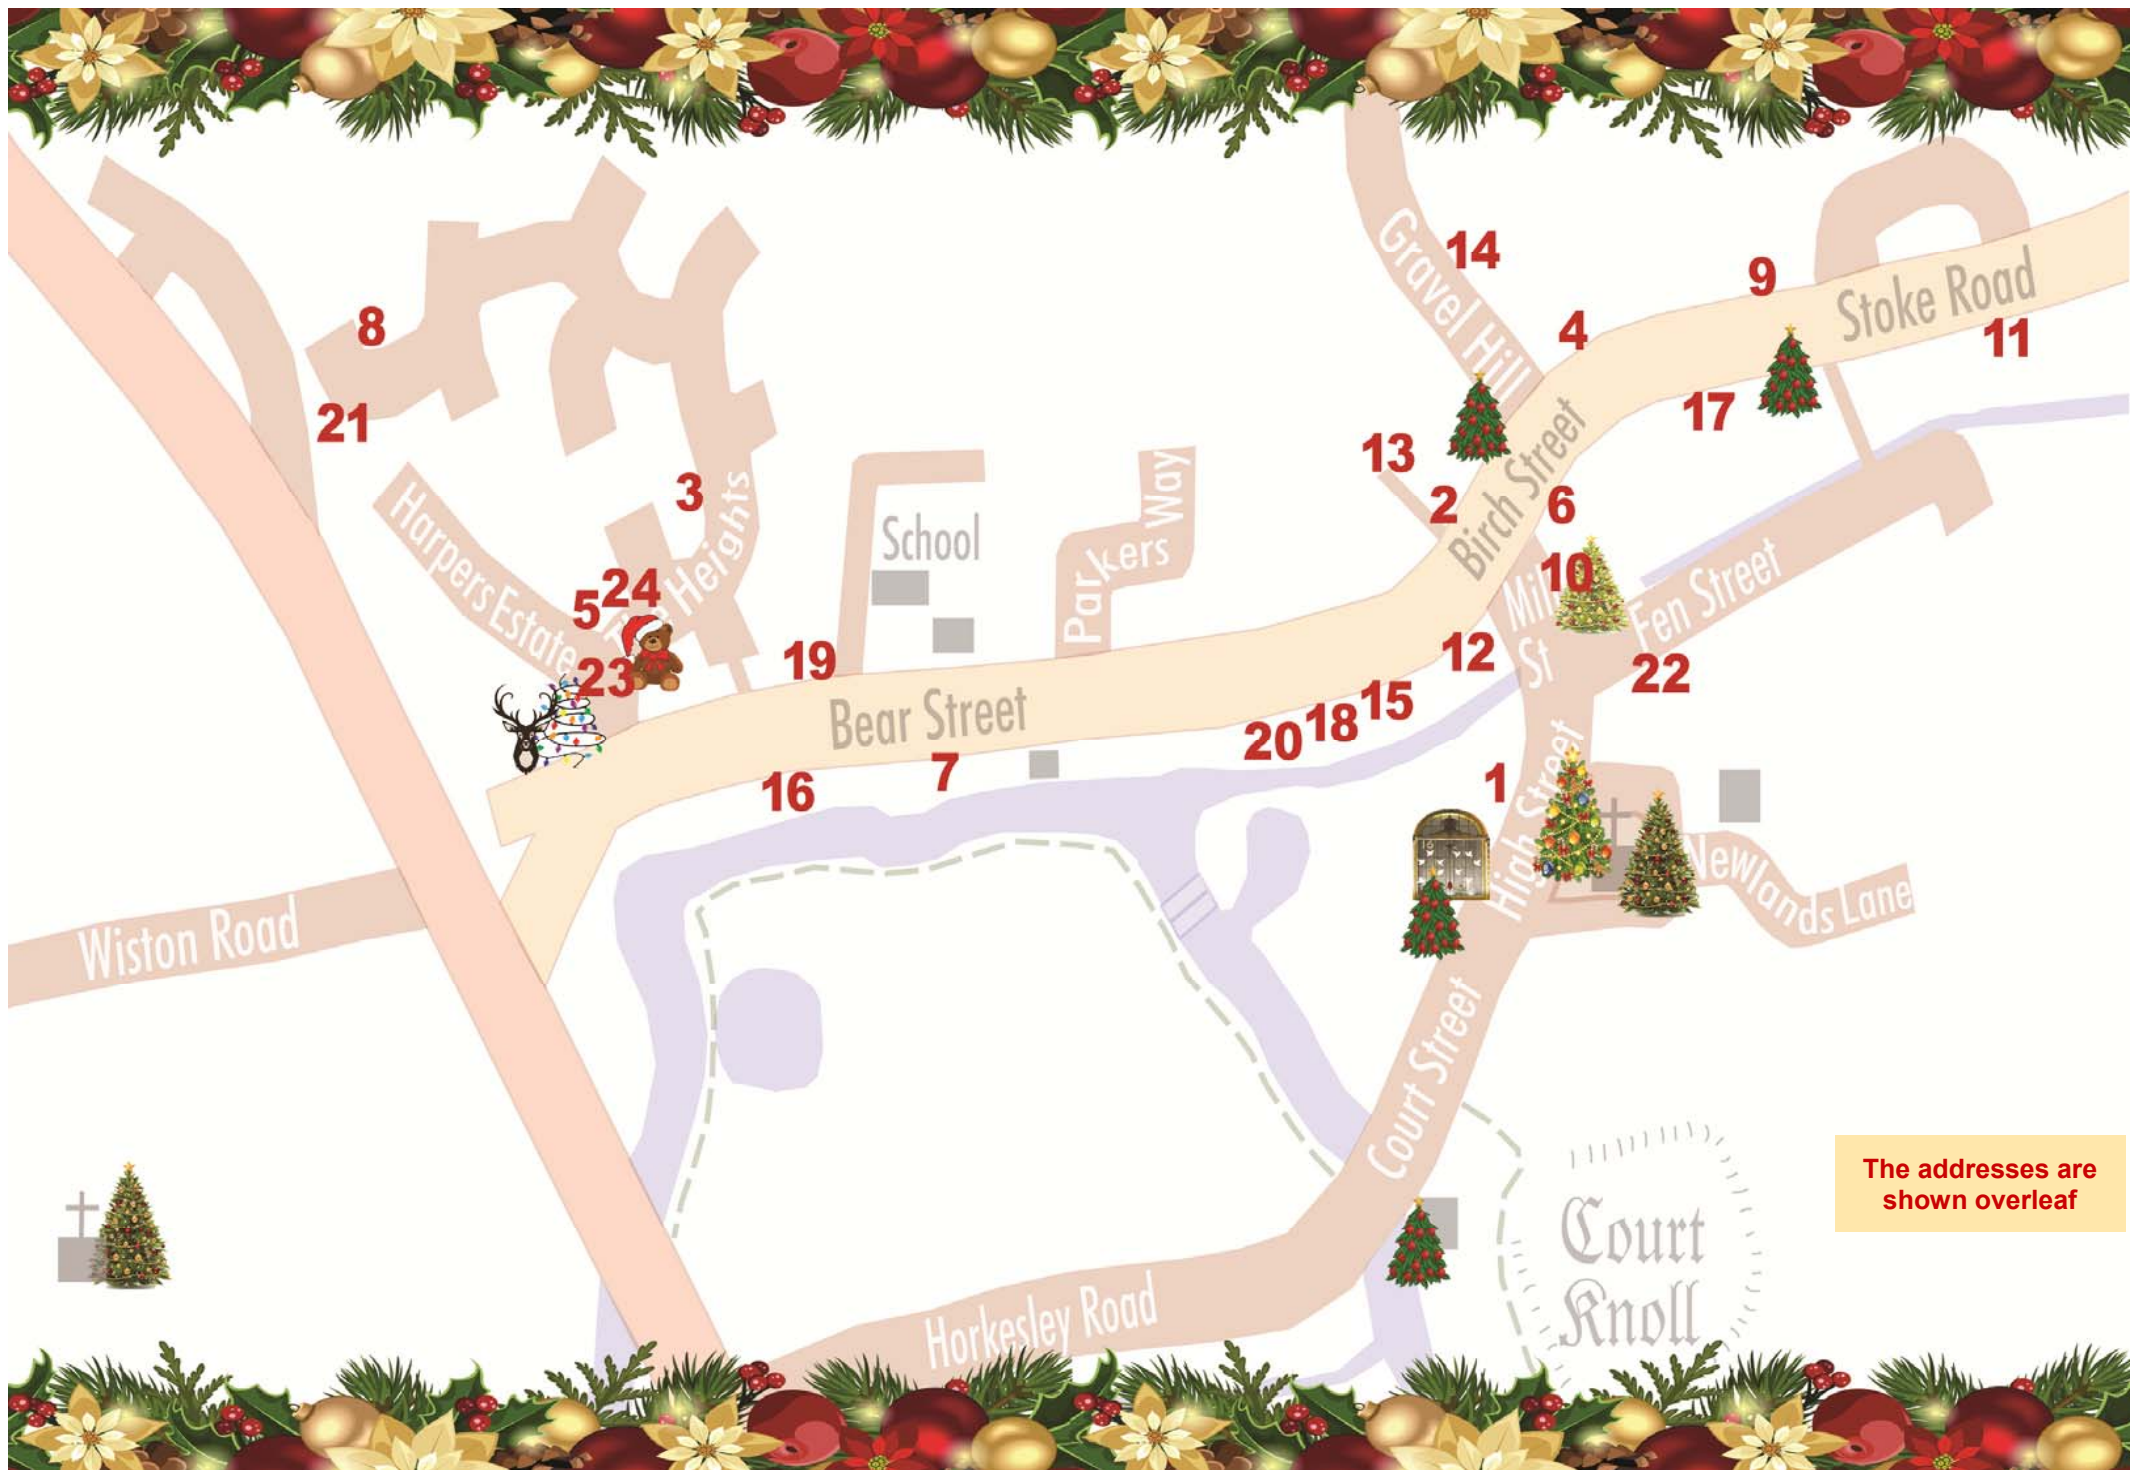

Look out for Nayland Bear over Christmas and New Year at the old bus shelter on Harpers Estate, the Winter Wonderland Christmas Lights at 99 Bear Street, the delightful family of deer at 101 Bear Street as well as the festive Nayland shop windows and the village Christmas tree in the High Street.

The locations of all the Advent Windows and Christmas Trees and other festive spectacles are shown on the map overleaf.

The Community Council hope you enjoy this Christmassy Trail around the village.

The addresses are shown overleaf
