This information will be used purely to enable the steering group to gauge the potential level of support for this venture. **It will be treated confidentially. It does not constitute a commitment to invest.**

The company structure and its formation has been approved by and registered with the Financial Conduct Authority ('FCA') and approval for SEIS is being sought from HM Revenue and Customs. In due course a formal Prospectus will be made available.

This project is not intended to generate profits for investors; indeed, the only dividend will be a social one. A social dividend will mean different things to different people but may include:

- Retaining a Post Office in your immediate vicinity
- Having a local shop for essential items
- Reducing car journeys travelling to supermarkets
- Retaining a community information hub and a meeting place
